- ▶ The purpose of this presentation is to provide general information about Egan Street Resources Limited (EganStreet or the Company) and it is presented for informational purposes only. It is not recommended that any person makes any investment decision in relation to the Company based solely on this presentation.
- ▶ This presentation does not necessarily contain all information which may be material to the making of a decision in relation to the Company. Any investor should make its own independent assessment and determination as to the Company's prospects prior to making any investment decision, and should not rely on the information in this presentation for that purpose.
- ▶ This presentation does not involve or imply a recommendation or a statement of opinion in respect of whether to buy, sell or hold securities in the Company. The securities issued by the Company are considered speculative and there is no guarantee that they will make a return on the capital invested, that dividends will be paid on the shares or that there will be an increase in the value of the shares in the future.
- ▶ This presentation contains certain statements which may constitute "forward-looking statements". Such statements are only predictions and are subject to inherent risks and uncertainties which could cause actual values, results, performance or achievements to differ materially from those expressed, implied or projected in any forward-looking statements. Given these uncertainties, recipients are cautioned not to place reliance on forward-looking statements. Past performance of the Company or its shares cannot be relied on as a guide to future performance. No representation or warranty, express or implied, is made by the Company that the matters stated in this presentation will be achieved or prove to be correct. Recipients of this presentation must make their own investigations and inquiries regarding all assumptions, risks, uncertainties and contingencies which may affect the future operations of the Company or the Company's securities.
- ▶ The provision of this presentation is not, and should not be considered as, the provision of financial or investment advice and the Company does not purport to give such advice. No account has been taken of the objectives, financial situation or needs of any recipient of this document. Recipients of this document should carefully consider whether the securities issued by the Company are an appropriate investment for them in light of their personal circumstances, including their financial and taxation position.
- ▶ This presentation is presented for informational purposes only. It is not intended to be, and is not, a prospectus, product disclosure statement, offering memorandum or private placement memorandum for the purpose of Chapter 6D of the Corporations Act 2001.
- ▶ The directors of the Company have no reason to believe the information incorporated in this presentation is other than reliable or complete. However they have not sought independently to verify all such information and therefore no representation or warranty, express or implied, is made as to the fairness, accuracy, completeness or correctness of the information, opinions and conclusions contained in this presentation and the Company accepts no responsibility to update any person regarding any inaccuracy, omission or change in information in this presentation or any other information made available to a person nor any obligation to furnish the person with any further information. To the maximum extent permitted by law, neither the Company, its related corporations, directors, employees, agents or advisers, nor any other person, accepts any liability, including, without limitation, any liability arising from fault, negligence or negligent misstatement, for any loss arising from the use of this presentation, its contents, or for any omissions from this presentation, or otherwise arising in connection with it.
- ▶ The Company accepts no responsibility to update any person regarding any inaccuracy, omission or change in information in this presentation or any other information made available to a person nor any obligation to furnish the person with any further information.
- ▶ The information in this presentation that relates to the estimation and reporting of the maiden Rothsay Mineral Resource is extracted from the Independent Geologists Report included in the Prospectus lodged on 28 July 2016 which is available to view at [www.eganstreetresources.com.au](http://www.eganstreetresources.com.au) / [www.asx.com.au](http://www.asx.com.au) .

## Competent Person Statements

- ▶ The information in this presentation that relates to exploration results for the Rothsay Gold Project is extracted from:
  - ▶ the ASX announcement dated 11 February 2019, "High-Grade Gold Hits on the Orient Shear", and
  - ▶ the ASX announcement dated 8 August 2017, "New High-Grade Discoveries Expand Scale and Potential" which is available from [www.eganstreetresources.com.au](http://www.eganstreetresources.com.au) / [www.asx.com.au](http://www.asx.com.au) and
  - ▶ the Prospectus lodged on 28 July 2016, which is available to view at [www.eganstreetresources.com.au](http://www.eganstreetresources.com.au) and [www.asx.com.au](http://www.asx.com.au)

The Company confirms that it is not aware of any new information or data that materially affects the information included in the announcements referred to above or the Prospectus. The Company confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from the announcements referred to above or the Prospectus.

- ▶ The information in this presentation that relates to the estimation and reporting of the upgraded Rothsay Mineral Resource is extracted from the ASX announcement dated 27 November 2018, "Rothsay Resource Increase to 454,000oz at 9.2g/t Au" which is available to view at [www.eganstreetresources.com.au](http://www.eganstreetresources.com.au) / [www.asx.com.au](http://www.asx.com.au) . The Company confirms that it is not aware of any new information or data that materially affects the information included in the announcement dated 27 November 2018 and that all material assumptions and technical parameters underpinning the upgraded Mineral Resource estimate in the announcement dated 27 November 2018 continue to apply and have not materially changed. The Company confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from the announcement dated 27 November 2018.
- ▶ Information in relation to the Rothsay Gold Project Definitive Feasibility Study including production targets, Probable Reserve and financial information, included in this report is extracted from the ASX Announcement dated 12 February 2019, "Rothsay Boosted by Production Target Upgrade" and the ASX Announcement dated 19 July 2018, "Rothsay DFS Confirms Low Capex, High Margin Operation" both of which are available to view at [www.eganstreetresources.com.au](http://www.eganstreetresources.com.au) and [www.asx.com.au](http://www.asx.com.au). The Company confirms that all material assumptions underpinning the production targets and financial information set out in the announcement released on 12 February 2019 continue to apply and have not materially changed. # The Raw Numbers

**Updated DFS**

320,000oz  
over 7 years

**Processing 200ktpa  
(post ore sorting)**

average grade 7.2g/t Au  
289,000oz produced

**Ramping up**

to 64,000oz pa  
for the 1<sup>st</sup> 2 years

**Initial Capex**

\$39.7m  
1.3 year payback

**Pre-tax cash-flow of A\$116.1m**

C1 cash cost: A\$876/oz; AISC: A\$1,069/oz

NPV<sub>5%</sub> of A\$95.1m and IRR of 54% using A\$1,700/oz gold price

# The Future

- ▶ Mining Proposal Approval
- ▶ Camp and NPI construction
- ▶ Works Approval
- ▶ Execution of binding financial documents
- ▶ Underground mining contract award
- ▶ Satisfaction of CP's in relation to first drawdown
- ▶ Process plant construction commencement – QTR 2, 2019
- ▶ Commencement of underground operations – QTR 3, 2019
- ▶ First gold – QTR 1, 2020

All against a backdrop of high gold prices and very healthy cash margins
