Explanatory Statement

This Explanatory Statement has been prepared for the information of Shareholders of the Company in connection with the business to be conducted at the Company's Annual General Meeting to be held on 7 December 2018 at 10.00AM WST at Level R, 1 Havelock Street, Western Australia.

In this Explanatory Statement, unless otherwise indicated all dollar amounts are expressed in Australian dollars. Unless otherwise stated, the information contained in this Explanatory Statement is as of the date of this Notice.

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. Financial Statements and Reports

In accordance with the requirements of the Company's Constitution and section 317 of the Corporations Act, the Financial Report for the year ended 31 December 2017, together with the report of the auditor thereon and the Directors' report ("**Annual Report**") will be tabled at the Meeting. Shareholders will have the opportunity at the Meeting to discuss the Annual Report, make comments and raise queries in relation to the Annual Report.

Representatives of the Company's auditors, PricewaterhouseCoopers, will be present to take questions and comments from Shareholders about the conduct of the audit and the preparation and content of the audit report.

The Annual Report is available on the Company's website at www.tigerresources.com.au and may be downloaded or read online. Shareholders may obtain a hard copy of the Annual Report by contacting the Company.

There is no requirement for Shareholders to approve the Annual Report.

2. Resolution 1 - Adoption of Remuneration Report

Pursuant to section 250R(2) of the Corporations Act, the Company submits to Shareholders for consideration and adoption, by way of a non-binding resolution, its Remuneration Report. The Remuneration Report is a distinct section of the Annual Report which deals with the remuneration of Directors and executives of the Company.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out the remuneration details for each director and executive officer named in the Remuneration Report for the financial year ended 31 December 2017.

The Directors recommend that Shareholders vote in favour of the adoption of the Remuneration Report. This resolution is advisory only and does not bind the Company. However, the Board will take the outcome

of the vote on this Resolution into consideration when reviewing the remuneration practices and policies of the Company in the future.

If, at two consecutive annual general meetings of the Company, 25% or more of votes cast are against the adoption of the Remuneration Report for the relevant year, the Company will be required to put to Shareholders a resolution at the second annual general meeting proposing the calling of an extraordinary general meeting to consider the appointment of Directors of the Company (known as a “spill resolution”). The Company’s Remuneration Report for the year ended 31 December 2016 was adopted at the 2017 annual general meeting of the Company held on 28 November 2017 by more than 75% of the votes cast. As a result, there will be no need for the Company to propose a spill resolution at the Meeting.

The Chair will provide Shareholders with reasonable opportunity at the Meeting to ask questions about, or to make comments on, the Remuneration Report.

3. Resolution 2 - Re-Election of David Frances as Director

In accordance with the requirements of clause 12.17 of the Constitution, a Director appointed to the Board by Directors, must retire from office at the Meeting but if they are eligible, may offer themselves for re-election. In accordance with these requirements, Mr Frances having been appointed to the Board as Executive Chairman on 20 December 2017 must retire at the Meeting. Being eligible, Mr Frances has offered himself for re-election.

Details of Mr Frances’ experience and qualifications are available in the Annual Report and on the Company’s website and are summarised briefly below.

Mr Frances is an international mining executive of over 25 years with a track record of developing assets in the Democratic Republic of Congo with Mawson West (TSX: MWE) from 2006-2012. His past projects include successfully completing a transaction with Anvil Mining and subsequently, in 2010, recommissioning and restarting the Dikulushi copper-silver mine, as well as completing the largest base metals capital raising and initial public offering (“IPO”) in the world when MWE was listed on the TSX with a market capitalisation of approximately \$250 million.

Mr Frances is an Executive Chairman and was appointed with effect from 20 December 2017. He presently has a nil interest in the Company’s Securities.

Resolution 3 - Re-Election of Shawn McCormick as a Director

In accordance with the requirements of the Constitution and the Listing Rules, one-third of the directors of the Company (excluding the Managing Director), and those who were last re-elected more than three years ago, must retire from office at the meeting but if they are eligible, may offer themselves for re-election. In accordance with these requirements, either Mr Griffiths or Mr McCormick must retire at the Meeting. Being eligible, Mr McCormick has offered himself for re-election. Details of Mr McCormick’s experience and qualifications are available on the Company’s website and are summarised briefly below.

Mr McCormick is the Managing Director of a London-based boutique strategic consulting firm focused on mining and oil & gas sectors in Africa and Latin America. He is also Non-Executive Chairman of Piran Resources, a tin producer in Rwanda, and a Non-Executive director of Rainbow Rare Earths, a London Stock Exchange listed Rare Earths producer in Burundi. His previous roles include Corporate Vice President, International Affairs for TNK-BP in Moscow and Senior Global Affairs Advisor and Africa regional advisor for BP in London. He also served as director for African Affairs at the National Security Council in The White House in Washington.

Mr McCormick joined the Company's Board in July 2016 as the nominee of Resource Capital Funds (RCF) as part of the terms of the \$10 million subscription agreement executed in late 2015.

4. Resolution 4 – Ratification of Prior Share Issues

4.1 Background

Pursuant to a revision of existing facility arrangements between the Company and the Senior Lenders on 24 October 2016 (as announced on 25 October 2016) (**Revised Funding**), it was agreed that interest payable in relation to the amounts outstanding under the existing facility arrangements would be capitalised and, in consideration for the Senior Lenders agreeing to capitalise the interest, Shares were issued to the Senior Lenders (**Lender Shares**). The Revised Funding arrangements were initially agreed to apply for 4 interest repayment periods but these arrangements were subsequently extended or amended on a number of occasions, including pursuant to forbearance arrangements entered into between the Company and the Senior Lenders on 24 September, 7 May 2018 and 3 October 2018, such that the capitalisation of interest in respect of amounts outstanding under the existing facility arrangements and the issue of Shares to the Senior Lenders in respect of the existing facilities continues to apply until 31 October 2019, subject to certain conditions.

Consequently, pursuant to the Revised Funding, the Company issued the following Lender Shares:

Date	Number of Shares
15 December 2017	26,305,432
8 February 2018	27,013,769
5 June 2018	26,851,208
22 June 2018	167,529
20 August 2018	28,893,548
1 November 2018	29,424,786

The relevant Lender Shares were issued on the dates set out in the table and pursuant to the Company's 15% annual capacity under Listing Rule 7.1, without approval of Shareholders.

4.2 General

Resolution 4 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the prior issue of Lender Shares.

The Board recommends that Shareholders vote in favour of Resolution 4.

The Chair intends to exercise all available proxies in favour of Resolution 4.

4.3 Listing Rules 7.1 and 7.4

Subject to a number of exceptions, Listing Rule 7.1 limits the number of securities that the Company may issue or agree to issue without Shareholder approval in any 12-month period to 15% of its Shares.

Listing Rule 7.4 provides that where a listed company such as the Company in general meeting subsequently approves a prior issue of securities and that prior issue did not breach Listing Rule 7.1, those securities will be treated as having been made with Shareholder approval for the purpose of Listing Rule 7.1.

This means that, by treating the 138,656,272 Lender Shares issued within the 15% annual limit set out in Listing Rule 7.1 as having been made with Shareholder approval under Listing Rule 7.1, those Shares will not be deducted in calculating the 15% annual limit under Listing Rule 7.1.

4.4 Specific Information required by Listing Rule 7.5

For the purposes of Listing Rule 7.5, information is provided as follows:

- (a) A total of 138,656,272 Shares were issued as set out in the table above on 15 December 2017, 8 February 2018, 5 June 2018, 22 June 2018, 20 August 2018 and 1 November 2018.
- (b) The Shares were issued for nil cash consideration, with a deemed issue price of \$A0.05 based on the Share price at 16 October 2016.
- (c) The Shares rank equally with the existing Shares and are quoted on the ASX.
- (d) The Shares were issued to the Senior Lenders as set out above.
- (e) No funds were raised for the issue of the Shares. The Shares were issued as a fee to the Senior Lenders for drawdown and capitalisation of interest.
- (f) A voting exclusion statement is included in the Notice.

5. Resolution 5 – Adoption of Performance Rights Plan

5.1. Background

Resolution 5 seeks Shareholder approval for the adoption of the Company's Performance Rights Plan.

The Board recommends that Shareholders vote in favour of Resolution 5.

The Chair intends to exercise all available proxies in favour of Resolution 5.

The objective of the Performance Rights Plan is to link the rewards of key staff with the achievement of strategic goals and the long term performance objectives of the Company.

The Plan provides for the issue of Performance Rights which, upon determination by the Board that the performance conditions attached thereto have been met and subject to the terms of the Performance Right Plan, convert into Shares. Where the participant is a Director or related party of the Company, specific Shareholder approval is required prior to the grant in accordance with the Listing Rules.

A summary of the terms and conditions of the Performance Right Plan is set out in Schedule 1 to this Notice.

In addition, a copy of the Performance Right Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Performance Rights Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have queries or concerns.

5.2 Listing Rule 7.1 and 7.2, Exception 9(b)

A summary of Listing Rule 7.1 is contained in section 4.3

Listing Rule 7.2 (Exception 9(b)) sets out an exception to Listing Rule 7.1, which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which Shareholders approve the issue of securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 5 is passed, the Company will be able to issue Performance Rights under the Performance Rights Plan to Eligible Persons over a period of 3 years without impacting on the Company's ability to issue up to 15% of its Securities without Shareholder approval in any 12-month period.

No Performance Rights have been issued under the plan as it is a new employee incentive scheme and has not previously been approved by Shareholders.

Prior Shareholder approval will be required under Listing Rule 10.14 before any Director or related party of the Company can participate in the Performance Rights Plan.

Pursuant to the Listing Rules, Shareholders must re-approve the Performance Rights Plan and all unissued Performance Rights issuable pursuant thereto every 3 years.

6. Resolution 6 – Approval of termination benefits under the Performance Rights Plan

6.1. General

Subject to Shareholder approval of Resolution 5, Shareholder approval is sought for the purposes of Chapter 2D Part 2D.2 of the Corporations Act to approve the giving of benefits under the Performance Rights Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or subsidiary of the Company) on the terms and conditions in this Explanatory Statement.

The Board recommends that Shareholders vote in favour of Resolution 6.

The Chair intends to exercise all available proxies in favour of Resolution 6.

Under the terms of the Performance Rights Plan, where a participant ceases employment or office before the vesting of their Performance Rights, the Board possesses the discretion to determine, that some or all of their convertible Securities will not lapse. Where an employee or contractor is terminated without cause or made redundant, all unvested Performance Rights automatically vest and may be exercised by the participant at any prior to the expiry date. In such circumstances, the participant may elect to receive a cash payment equal to the value of one Share for every Performance Right exercised (Cash Settled), such election being capped at 50% of the Performance Rights exercised by the participant. The Board may, acting reasonably, only permit Performance Rights to be Cash Settled if it does not materially prejudice the Company's ability to pay its creditors.

The automatic vesting of the Performance Rights in these circumstances may constitute a "benefit" for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval in respect of any current or future participant in the Performance Rights Plan who holds:

- (a) a managerial or executive office in, or is an officer of, the Company (or subsidiary of the Company) at the time of their leaving or at any time in the three years prior to their leaving; and
- (b) Securities under the Performance Rights Plan at the time of their leaving.

62 Value of the termination benefits

The value of the termination benefits that the Board may give under the Performance Rights Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's share price at the time of vesting and the number of Securities that will vest. The following additional factors may also affect the benefit's value:

- (a) the participant's length of service and the status of the vesting conditions attaching to the relevant Securities at the time the participant's employment or office cease; and
- (b) the number of unvested Securities that the participant holds at the time they cease employment or office.

63 Part 2D.2 of the Corporations Act

Part 2D.2 of the Corporations Act restricts the benefits that can be given to persons who hold a "managerial or executive office" (as defined in the Corporations Act) on leaving their employment with the Company or any of its related bodies corporate, unless an exception applies.

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a managerial or executive office if the benefit is approved by shareholders or an exemption applies. Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

7. Resolution 7 - Approval of 10% placement capacity

7.1. General

Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital ("**10% Placement Capacity**").

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an Eligible Entity.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 7.2(c) below).

The Board unanimously recommends that Shareholders vote in favour of Resolution 7.

Resolution 7 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Chair intends to exercise all available proxies in favour of Resolution 7.

7.2 Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting. The effect of Resolution 7 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one quoted class of Equity Securities, Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of fully paid Shares issued in the 12 months under an exception in Listing Rule 7.2;
- (ii) plus the number of partly paid Shares that became fully paid in the 12 months;
- (iii) plus the number of fully paid shares issued in the 12 months with Shareholder approval under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid Shares under the entity's 15% placement capacity without Shareholder approval;
- (iv) less the number of fully paid Shares cancelled in the 12 months.

Note that "A" has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with Shareholder approval under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 7.2(c)).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph 10.2(e)(i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(“10% Placement Period”).

7.3. Listing Rule 7.1A

The effect of Resolution 7 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

7.4. Specific information required by Listing Rule 7.3A

In accordance with Listing Rule 7.3A, information is provided as follows:

(a) Minimum issue price

The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph 10.4(a)(i) above, the date on which the Equity Securities are issued.

If the Equity Securities are issued for non-cash consideration, then, in accordance with the Listing Rules, the Company will provide a valuation of the non-cash consideration to the market that demonstrates that the issue price of the Securities complies with Listing Rule 7.1A.3.

(b) Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in

the below table (in the case of Options, only if the Options are converted into Shares). There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued (as part of consideration for the acquisition of a new asset),

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows:

- (i) the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice;
- (ii) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of Securities on issue may increase as a result of issues of Securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (iii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Number of Shares on Issue (variable "A" in ASX Listing Rule 7.1A.2)	Dilution			
	Dilution based on number of Shares issued (being 10% of the number of Shares)	Funds raised based on issue price of \$0.025 (50% decrease in current Share price)	Funds raised based on issue price of \$0.05 (Current Share price)	Funds raised based on issue price of \$0.10 (50% increase in current Share price)
2,127,727,621 (Current)	215,715,241	\$5,392,881	\$10,785,762	\$215,715,241
3,191,691,432 (50% increase)	323,572,861	\$8,089,322	\$16,178,643	\$32,357,286
4,255,455,242 (100% increase)	431,430,481	\$10,785,762	\$21,571,524	\$43,143,048

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No Options (including Options issued under the 10% Placement Facility) or other convertible securities are exercised or converted into Shares before the date of the issue of Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vii) The issue price is \$0.05, being the closing price of the Shares on ASX on 16 October 2018 being that last day that the Company's shares traded on the ASX before this Notice was printed. We note that the Company's Shares have been in suspension since 20 February 2017.

(c) Final date for issue

The Company will only issue the Equity Securities during the 10% Placement Period.

(d) Purposes of issues under 10% Placement Facility

The Company may seek to issue the Equity Securities for the following purposes:

- (i) non-cash consideration for the acquisition of new resources assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3;
- (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new resources assets or investments (including expenses associated with such acquisition such due diligence costs and external advisors) and continued exploration on the Company's current projects; and/or
- (iii) working capital requirements.

(e) Disclosure obligations

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

(f) Allocation policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the Control of the Company;
- (iii) financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not a related party or an associate of a related party of the Company.

Further, if the Company is successful in acquiring new projects, assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new projects, assets or investments.

(g) Issues in the past 12 months

The Company has not previously sought Shareholder approval under Listing Rule 7.1A.

(h) Voting exclusion statement

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Other Business

Management is not aware of any other business to be brought before the Meeting other than as set forth in the accompanying Notice. If any other business properly comes before the Meeting, it is the intention of the persons named in the Proxy Form to vote the Shares represented thereby in accordance with their best judgment on such matters.

Cautionary Notes

The Directors recognise and acknowledge the importance of Shareholders making their decision on the basis of the best possible information. However, once this material for the Notice and Explanatory Statement is prepared and despatched to Shareholders, the Company has no legal obligation to continuously update the content of this material, nor is it practical or logistically possible to do that and inform each Shareholder individually.

By its nature, the mining industry is subject to numerous risks and the Company's Share price is affected by a range of factors. From the time of preparing this material to the date of the Meeting, the Company's Share price may go up or down. The Company notes that its Shares have been in suspension since 20 February 2017, and while it is endeavouring to obtain further funding, there is no guarantee that it will come out of suspension in the near future. The Company will continue to comply with its continuous disclosure obligations during that period and make appropriate announcements as required by applicable securities laws.

Shareholders are strongly encouraged to keep track of any announcements that the Company may make and of the Company's Share price up to the date of the Meeting as that information may have an effect on the data that is provided in the Notice of Meeting and the Explanatory Statement. If you do not understand the effect of such information, you should consult your professional advisor.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
