Highlights:

- **Gold Fields Australia on behalf of Gold Fields Limited has signed a new 5-year SaaS contract to implement the RCubed Resource Governance solution across its global operations and major projects**
- **Gold Fields Limited has a primary listing on the Johannesburg Stock Exchange (JSE) Limited, with a secondary listing on the New York Stock Exchange (NYSE)**
- **Total Contract Value (TCV) is initially in excess of AUD\$580,000**
- **High level of interest from NYSE listed companies continues as US SEC regulation changes come into effect in 2021**

K2fly Ltd (ASX: K2F) is delighted to announce that Gold Fields Australia (a subsidiary of Gold Fields Limited) has signed a new 5-year contract for RCubed software solution, for its global operations and major projects, and which will commence immediately.

Gold Fields Limited is one of the world's largest gold mining firms. Headquartered in Johannesburg, South Africa, the company is listed on both the Johannesburg Stock Exchange and the New York Stock Exchange, with nine operating mines and one project in Australia, Chile, Ghana, Peru and South Africa, with total attributable annual gold-equivalent production of approximately 2.2Moz.

Nic Pollock, K2fly Chief Commercial Officer, said that "Gold Fields is a globally recognised gold mining brand. Gold Fields share the same values as K2fly in striving for sustainable mining. They are also world renowned amongst peers for the quality of their mineral resource and reserve reporting. For them to join the growing list of customers taking up the RCubed Resource Governance solution is a real validation of the importance of this solution to all miners."

Announcement released with authority of K2F board.
