Letter from the Executive Chairman

24 December 2019

Dear Shareholder

As you know, on 17 December 2019, Northern Star announced that it had entered into an agreement to acquire all of the shares in Kalgoorlie Lake View Pty Ltd, which holds a 50% interest in Kalgoorlie Consolidated Gold Mines Pty Ltd (**KCGM**) and in the operations and assets managed by KCGM, as well as certain additional associated assets (**Proposed Acquisition**).

The Proposed Acquisition also became unconditional on 17 December 2019, when the only condition was satisfied.

When the Proposed Acquisition completes (which is expected to happen on 2 January 2020), Northern Star will pay Newmont Goldcorp Australia Pty Ltd (**Newmont**) all-cash consideration of US\$775 million, plus a conditionally refundable option fee of US\$25 million (equivalent to A\$1,167 million, in aggregate, based on an assumed AUD:USD exchange rate of 0.685). These amounts will be partially funded by an equity capital raising (that was also announced by Northern Star on 17 December 2019), comprising:

- a fully underwritten placement to institutional investors to raise \$765 million (**Placement**);
- a share purchase plan offered to eligible Northern Star Shareholders, targeting to raise \$50 million (**SPP**); and
- a placement to certain Northern Star Directors of up to \$5 million in aggregate, subject to the approval of Northern Star shareholders (**Director Placement**),

together, the **Equity Raising**.

The issue price of the new Northern Star Shares issued, or to be issued, under the Equity Raising (that is, for all Placement participants, SPP participants and Director Placement participants) is the same - \$9.00 per share.

On 18 December 2019, Northern Star announced that the Placement had been completed, heavily over-subscribed with strong support from existing Shareholders and new investors.

The SPP is important to the Directors of Northern Star, because it means that all of our eligible Shareholders (on the register on 16 December 2019) have an opportunity to participate in the Equity Raising at the same price as the Placement. The funds raised by the SPP will be used to partially fund the Proposed Acquisition costs and associated taxes, and for working capital.

Next Steps

Details of the SPP, including its terms and conditions, are set out in this SPP Offer Booklet. Please read this SPP Offer Booklet carefully and in full. The SPP Offer is open until 2.00pm (Perth time) on 24 January 2020, unless otherwise extended or withdrawn.

To accept the SPP Offer and apply for SPP Shares, please follow the instructions in this SPP Offer Booklet and on the enclosed Application Form. If you have any questions about the Offer, please call the Northern Star Offer Information Line on 1300 420 709 (within Australia) or +61 1300 420 709 (for callers from outside Australia) between 8.30am and 7.00pm Monday to Friday (Sydney time) during the SPP Offer period.

Thank you for your continuing support as a valued Shareholder.

Yours sincerely

Bill Beament
Executive Chairman
Northern Star Resources Limited

2 Proposed Use of Proceeds

Northern Star announced the SPP Offer on Tuesday, 17 December 2019. On this date, Northern also announced:

- that it had entered into an agreement to acquire all of the shares in Kalgoorlie Lake View Pty Ltd, which holds a 50% interest in KCGM and in the operations and assets managed by KCGM, as well as certain additional associated assets (this is the Proposed Acquisition); and
- a fully-underwritten Placement to institutional investors to raise \$765 million.

Northern Star intends to use proceeds from the Placement and SPP Offer (together, the Capital Raising) for the following purposes:

Further details on the proposed use of the proceeds are set out below, as well as in the ASX announcement and investor presentation (**Investor Presentation**) released to ASX in respect of the Capital Raising on Tuesday, 17 December 2019. The Investor Presentation and all other announcements are also available on Northern Star's website at www.nsrld.com. Eligible Shareholders are encouraged to read these documents carefully (in particular, the summary of key risks detailed on pages 54 to 67 of the Investor Presentation), together with the information in this booklet.

3 Key Risks

There are a number of risks associated with any investment in Northern Star, including those specific to Northern Star and its existing business and operations, specific to the Proposed Acquisition and of a general nature; any of which may affect the future operating and financial performance of Northern Star, along with the market price of SPP Shares and dividends (if any) paid on them in the future. These risks are outlined on pages 54 to 67 of the Investor Presentation. Eligible Shareholders are encouraged to read and consider these risks carefully before deciding whether to apply for SPP Shares.

These risks are associated with an investment in SPP Shares but are not an exhaustive list. You are already exposed to these risks as an Eligible Shareholder, but your exposure to these risks will increase through any acquisition of further NST Shares (for example, through acquiring SPP Shares under the SPP Offer). There may also be additional risks and uncertainties not currently known to Northern Star which may have an adverse effect on Northern Star's business and the value of SPP Shares. Where possible, Northern Star will seek to minimise its exposure to, and mitigate the effects of, these risks. However, certain risks relate to matters that are outside the control of Northern Star, and there can be no assurance that any steps that Northern Star takes will successfully protect it from any particular risk.

The risks identified in the Investor Presentation do not take into account the individual investment objectives, financial situation, tax position or particular circumstances of Eligible Shareholders. Eligible Shareholders should have regard to their own investment objectives and financial circumstances and seek professional advice from their legal, financial or other independent adviser before determining whether or not to participate in the SPP Offer.

Please read the enclosed Application Form for further details of how to apply for SPP Shares under the SPP Offer.

7.8 PARTICIPATION IS OPTIONAL

Participation in the SPP Offer is entirely optional (subject to the eligibility criteria set out in this booklet). The offer to apply for SPP Shares is not a recommendation. If you are in any doubt about the SPP Offer, whether you should participate in the SPP Offer or how participation will affect you, you should consider seeking professional financial and taxation advice before making a decision as to whether or not to accept this offer.

7.9 APPLICATIONS MAY BE SCALED BACK

Northern Star may, in its absolute discretion, allot to you less than the number of SPP Shares you have applied for depending on demand (**scale back**). If there is a scale back, Northern Star may in its absolute discretion determine to apply the scale back to the extent and in the manner that it sees fit, including by taking into account a number of factors (but without limiting Northern Star's absolute discretion) that include the size of your shareholding as at the Record Date and total applications received from Eligible Shareholders.

If there is a scale back you may receive less than the parcel of SPP Shares for which you have applied. If a scale back produces a fractional number of SPP Shares when applied to your parcel, the number of SPP Shares you will be allotted will be rounded up to the nearest whole number of SPP Shares.

In the event of a scale back, the difference between the application monies received, and the number of SPP Shares allotted to you multiplied by the offer price, will be refunded to you (as described below), without interest payable to you, as soon as practicable following the Allotment Date.

7.10 HOW WILL APPLICATION MONIES BE REFUNDED?

Any application monies refunded by Northern Star will be paid by cheque or direct credit (the payment method will be determined by Northern Star in its absolute discretion) in Australian currency. By applying for SPP Shares, each shareholder authorises Northern Star to pay any monies to be refunded by using the payment instructions of the shareholder recorded in the Share Registry's records if Northern Star should elect to pay in this manner.

7.11 OFFER PRICE

Under the SPP Offer, Eligible Shareholders have an opportunity to apply for up to \$30,000 of SPP Shares at an offer price of \$9.00, being the offer price under the Placement completed by Northern Star on Wednesday, 18 December 2019.

You should note that the market price of NST Shares may rise or fall between the date of this offer and the date when SPP Shares are allotted and issued to you under the SPP Offer. This means that the price you

pay per SPP Share pursuant to this offer may be either higher or lower than the price of NST Shares at the time of the offer or at the time the SPP Shares are allotted and issued to you under the SPP Offer. Northern Star recommends that you monitor the market price of NST Shares and any Northern Star announcements, which can be found on Northern Star's website at www.nsr ltd.com or on the Australian Securities Exchange (**ASX**) website at www.asx.com.au (ASX code: NST).

7.12 HOW MUCH CAN YOU INVEST?

The offer under the SPP Offer needs to comply with relief issued by ASIC as set out in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547. Under that relief, Eligible Shareholders may only acquire up to a maximum of \$30,000 of SPP Shares under a share purchase plan or similar plan in any 12 month period (except in certain circumstances as described in "Participation By Eligible Shareholders" above).

This limitation applies, for example, even if you receive more than one Application Form or if you hold NST Shares in more than one capacity because, for example, you are both a single and joint holder of NST Shares, as set out in "Participation By Eligible Shareholders". An Eligible Shareholder may apply on different Application Forms for SPP Shares, but may not apply for SPP Shares with an aggregate value of more than \$30,000 across all their holdings. The \$30,000 limit applies irrespective of the number of NST Shares you hold on the Record Date.

7.13 EFFECT OF APPLYING TO PARTICIPATE

If you apply to participate in the SPP Offer by submitting a BPAY® payment or completing and returning the Application Form, you will be deemed to have represented on behalf of each person on whose account you are acting that:

- (a) you acknowledge that you are, and each person on whose account you are acting is, an Eligible Shareholder;
- (b) you agree that your application is made on, and you agree to be bound by, the terms and conditions of the SPP Offer set out in this booklet and the Application Form, and Northern Star's Constitution;
- (c) you declare that all details and statements in your Application Form are true and complete and not misleading;
- (d) your application is irrevocable and unconditional;
- (e) you acknowledge that the SPP Shares have not, and will not be, registered under the US Securities Act of 1933, as amended (**US Securities Act**) or the securities laws of any state or other jurisdictions in the United States, or in any other jurisdiction outside Australia or New Zealand and accordingly, the SPP Shares may not be offered, sold or otherwise transferred except in accordance with an available exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and any other applicable securities laws;
- (f) you have not and will not send any materials relating to the SPP Offer to any person in the United States or that is, or is acting for the account or benefit of any person in the United States;
- (g) the total of the application price for the following does not exceed \$30,000:
 - the SPP Shares the subject of your Application Form or BPAY® payment;
 - any other SPP Shares applied for by you under the SPP Offer; and
 - any other SPP Shares which you have instructed a custodian to acquire on your behalf under the SPP Offer,

even though you may have received more than one offer under the SPP Offer or received offers in more than one capacity under the SPP Offer;

- (h) you are in compliance with all relevant laws and regulations (including, without limitation, section 1043A of the *Corporations Act 2001* (Cth) (insider trading) and sections 241 to 243 of the *Financial Markets Conduct Act 2013* (insider trading) and laws and regulations designed to restrict terrorism financing and/or money laundering);

- (i) you are not a "designated person" or "designated entity" (or other like term) for the purpose of any domestic or international law or regulation implementing United Nations sanctions; and
- (j) you acknowledge that the market price of NST Shares may rise or fall between the date this offer commences and the date when SPP Shares are allotted and issued to you under the SPP Offer and that the price you pay per SPP Share pursuant to this offer may exceed the price of NST Shares at the time the SPP Shares are allotted and issued to you under the SPP Offer.

7.14 CALCULATION OF THE NUMBER OF SPP SHARES TO BE ALLOTTED TO YOU

If you apply for SPP Shares under the SPP Offer, you will apply for a certain value, rather than a certain number, of SPP Shares. Subject to the terms and conditions in this booklet, the number of SPP Shares you are allotted will be determined by:

- (a) if there is no scale back, dividing the aggregate application money that you pay in applying for SPP Shares by the offer price; or
- (b) if there is a scale back, dividing the value of the amount of SPP Shares allotted to you by the offer price.

Any fractions of a SPP Share will be rounded up to the nearest whole number of SPP Shares.

7.15 ALLOTMENT AND QUOTATION DATES

SPP Shares are expected to be allotted under the SPP Offer on Monday, 3 February 2020 and Northern Star expects any SPP Shares to be first quoted on ASX on Tuesday, 4 February 2020.

Northern Star expects to dispatch a holding statement or confirmation advice in respect of the SPP Shares allotted to you under the SPP Offer on Tuesday, 4 February 2020. You should confirm your holding before trading in any SPP Shares you believe have been allotted to you under the SPP Offer.
