ASX RELEASE

Director Resignation and Appointment

Global Oil & Gas Limited (“GLV” or “the Company”) (ASX: GLV) advises that Jason Brewer has today resigned as a non-executive director of the Company.

The Company would like to thank Mr Brewer for his efforts during his directorship and wishes him all the best for his future endeavours.

As a result of Mr Brewers departure and to fill the short-term vacancy, the Company has appointed Mrs Anna Mackintosh as non-executive director. Mrs Mackintosh currently serves as GLV’s Company Secretary and will therefore allow for an efficient transition given her already strong understanding of the Company’s business.

The Board is currently in the process of identifying a new board member, with strong oil and gas experience, who will be able to assist the Company as it progresses its exploration plans on its 100% owned Southern Georgina Project (EP127).
