12 February 2020

Norwood to raise \$200,000

Funds to support execution of recent contract win

‘Communications as a Service’ pioneer Norwood Systems Ltd (“Norwood” or “the Company”) (ASX: NOR) is pleased to announce it has received firm commitments from Pinnacle Corporate Finance Pty Ltd (“Pinnacle”) to raise \$200,000 via the placement of 5 million fully paid ordinary shares (“Shares”) at \$0.04 per Share to existing shareholders and sophisticated investors pursuant to s708 of the Corporations Act (Cth) 2001, together with one free attaching NOROA option for every one share subscribed for (“Placement”) under its existing ASX Listing Rule 7.1 and 7.1A capacity. Settlement of the Placement is anticipated to occur on 14 February 2020 .

Net proceeds from the Placement will provide Norwood the ability to further mobilise resources towards delivery and execution of the recent additional contract work with Spark New Zealand Trading Limited as the Company pursues near term revenue opportunities (refer ASX Announcement “*Agreement to Provide Additional World Voicemail Services to Spark*” 30 January 2020).

The successfully completed Placement, funds received in relation to an R&D tax offset rebate for FY2019 in the December quarter and an existing R&D Loan Facility provide sufficient working capital for Norwood’s short-term requirements.

Authorised for release by Paul Ostergaard, Managing Director and CEO of Norwood.

An Appendix 3B will be lodged shortly.
