Recapitalisation Progress Update

Carnegie Clean Energy Limited (subject to deed of company arrangement (DOCA)) (ASX: CCE) (Carnegie or the Company) would like to provide the market with an update in relation to the progress of the recapitalisation proposal and reinstatement of its securities to the official quotation on the ASX.

As outlined at section 2.6 of the Prospectus dated 31 July 2019, there are various conditions required to be met by Carnegie in order for ASX to approve reinstatement of Carnegie's securities to trading on the ASX. The Company is currently working through these conditions including, but not limited to, procuring completion of the audited financial accounts for the year ended 30 June 2019 and effectuation of the DOCA.

The issue of new shares pursuant to the entitlement offer and shortfall offer, together with the new securities under the recapitalisation proposal are anticipated to occur on or around 17 October 2019. Carnegie will continue to advise shareholders on the progress by way of further ASX announcements.
