Dear Ms Coupe

**REDBANK COPPER LIMITED – VOLUNTARY SUSPENSION EXTENSION REQUEST**

In accordance with ASX Listing Rule 17.2, the Directors of Redbank Copper Limited ('the Company' or 'Redbank', ASX Code: RCP) hereby request an extension of the voluntary suspension of the Company's securities effective from the commencement of trading on Wednesday, 9 September 2020.

Further to the Company's request for an extension to the voluntary suspension on Tuesday, 8 September 2020, the ASX has confirmed that it has completed its review of evidence provided by the Company on Friday, 4 September 2020 to satisfy the conditions required by ASX for reinstatement. The ASX has requested 16 additional items of further information prior to reinstatement. Redbank has addressed each of the additional information requests and are awaiting confirmation from the ASX of reinstatement.

Therefore, Redbank requests that the voluntary suspension remain in place until the release of an announcement regarding reinstatement to quotation, which it expects to make by Thursday, 10 September 2020.

The Company is not aware of any reason why the extension of the voluntary suspension should not be granted. The Company is not aware of any other information necessary to inform the market about the extension of the voluntary suspension.

This request has been authorised and approved for issue by the RCP Executive Chairman.

Yours faithfully

Michael Hannington
