## SRG Global Secures ~\$30m Specialist Civil Water Infrastructure Projects with Water Corporation

### Highlights

- **Two projects secured with Water Corporation valued at ~\$30m**
- Scope of works includes the **specialist design and construction of two water tanks in Western Australia**
- Contract works are expected to commence in July 2020 with a duration of approximately 18 months

### Overview

SRG Global Ltd ('SRG Global' or 'the Company') (ASX: SRG) is pleased to announce that it has secured two contracts valued at ~\$30m with Water Corporation. SRG Global will design and construct two water tanks in Western Australia - a 42ML tank at Merredin in the Central Wheatbelt and a 32ML tank at Dedari in the Goldfields. Contract works are expected to commence in July 2020 with a duration of approximately 18 months.

SRG Global Managing Director, David Macgeorge, commented: "This is a significant contract win for SRG Global and we are pleased to again be working with Water Corporation, where we have a 20-plus-year relationship. These projects will allow us to showcase our specialist skillsets to deliver important water infrastructure in regional Western Australia."
