3. Financial Statements and Reports

Section 317(1) of the Corporations Act requires each of the Financial Report, which includes the Financial Statements, Directors' Declaration, the Directors' Report and the Auditor's Report for the last financial year to be laid before the Meeting. There is no requirement for these reports to be formally approved by Shareholders.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions and comment on these reports and on the business, operations and management of the Company.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Company's auditor about:

- (a) The preparation and the content of the Auditor's Report;
- (b) The conduct of the audit;
- (c) Accounting policies of the Company for the preparation of the financial statements; and
- (d) The independence of the auditor in relation to the conduct of the audit,

may be submitted no later than five Business Days before the Meeting to the Company Secretary at the Company's registered office.

4. Resolution 1 – Adoption of 2023 Remuneration Report

4.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Report and is set out in pages 17 to 23 of the 2023 Annual Report.

The Chair of the Meeting must allow a reasonable opportunity for Shareholders to ask questions about or make comments on the Remuneration Report at the annual general meeting.

4.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the Company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the Directors who were in office when the Directors' Report (as included in the Company's Financial Report for the most recent financial year) was approved, other than the managing director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the Directors.

4.3 Previous voting results

At the 2023 AGM the votes cast against the Remuneration Report were less than 25% and accordingly the Spill Resolution is not relevant for this Meeting.

4.4 Undirected proxies

The Chair intends to exercise all undirected proxies in favour of Resolution 1.

If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, by signing and returning the Proxy Form you are considered to have provided the Chair with an express authorisation to vote your proxy in accordance with the Chair's intention even though Resolution 1 relates to the remuneration of Key Management Personnel.

5. Resolution 2 – Re-election of Director – Chris Bath

5.1 General

Article 7.3 of the Constitution requires that at each AGM one third of the Directors (rounded down to the nearest whole number) must retire.

The Directors to retire at an AGM are those who have held office for the longest period since their last election or appointment to that office, and if two or more Directors have held office for the same period of time determined by lot unless those Directors agree otherwise.

Under Article 7.3 of the Constitution, a Director who retires at an annual general meeting is eligible for re-election. The clauses of the Constitution concerning retirement of Directors do not apply to the managing director of the Company.

5.2 Background and experience

Mr Chris Bath was appointed as an executive Director on 1 December 2021. Resolution 2 provides that he retires from office and seeks re-election as a Director as described above.

Mr Bath is a Chartered Accountant and member of the Australian Institute of Company Directors, with over 25 years of senior management experience in the energy and resources sector both in Australia and south-east Asia. Mr Bath has broad financial and commercial experience including financial reporting, commercial management, M&A, taxation, ASX compliance and governance for companies listed on AIM, ASX and JSX.

Mr Bath is also a Director and the Chief Financial Officer of Earths Energy Limited (ASX:EE1) and Company Secretary of Copper Strike Limited (ASX: CSE).

5.3 Interests in Frontier Energy securities

At the date of this Notice of Meeting, Mr Bath holds 3,121,379 fully paid ordinary shares and the following unquoted Options:

Number	Expiry Date	Exercise Price	Vesting Conditions
2,500,000	24 February 2025	\$0.20	-
1,250,000	24 February 2025	\$0.25	-
1,250,000	24 February 2025	\$0.40	-
537,806	31 December 2024	\$0.00	-
1,108,000	31 December 2026	\$0.00	Long term KPIs
318,550	31 December 2025	\$0.00	Short term KPIs
1,247,000	31 December 2027	\$0.00	Long term KPIs
8,211,356			

5.4 Independence

If elected, the Board considers that Mr Bath will not be an independent director due to his executive role as Chief Financial Officer.

5.5 Board recommendation

The Board (excluding Mr Bath) supports the re-election of Mr Bath and recommends that Shareholders vote in favour of this Resolution. The Chair intends to vote undirected proxies in favour of this Resolution.

6. Resolutions 3 and 4 – Issue of Options to Directors Chris Bath and Grant Davey

6.1 General

Resolutions 3 and 4 seek Shareholder approval in accordance with Listing Rule 10.14 and section 208 of the Corporations Act for the issue of Options to Executive Director Chris Bath and Executive Chairman Grant Davey under the Company's Employee Share Option Plan (**ESOP**) (**Executive Director Options**). The Company is proposing to offer the Executive Director Options as a component of remuneration in order to provide incentives linked to performance of the Company.

Shareholder approval is required by virtue of the proposed recipients of the Executive Director Options being Directors.

The terms of the ESOP were approved at the Company's 2022 AGM. The full terms can be found in the notice for that meeting (<https://www.asx.com.au/asxpdf/20220502/pdf/458lhb4zw1n0qz.pdf> at page 21). A summary of the option terms is contained in Schedule 2.

The number of Executive Director Options proposed to be issued is:

Director	Total No. Executive Director Options	Breakdown
Chris Bath	505,000	202,000 Short-term incentive Options 303,000 Long-term incentive Options
Grant Davey	757,000	303,000 Short-term incentive Options 454,000 Long-term incentive Options

Where:

- Short-term incentive options that expire on 31 December 2026 and vest on 1 January 2025, subject to performance against KPIs that have been approved by the non-interested Directors.
- Long-term incentive options that expire on 31 December 2028 and vest on 1 January 2027, subject to performance against KPIs that have been approved by the non-interested Directors.

The vesting criteria that apply to the Executive Director Options are based on KPIs linked to key aspects of the Company's business related to safety, environment and various corporate and commercial objectives, which are set out in more detail in Schedule 2. The Company's non-executive Directors will assess performance against the KPIs applicable to both Category A and Category B Executive Director Options to determine the number of Executive Options that shall vest.

The Board considers that the issue of the Executive Director Options to Mr Bath and Mr Davey is consistent with the purposes of the ESOP and the number of Executive Director Options is proportionate and consistent with the allocation policy applicable to other eligible participants under the ESOP.

The Board recognises the importance of retaining key personnel and providing appropriate incentives to deliver the Company's objectives. Options are viewed as a cost effective and efficient reward and incentive as opposed to incentives such as additional cash compensation.

6.2 Information required by Listing Rule 14.1A

If Resolutions 3 and 4 are passed, the Company will be able to proceed with the issue of the Executive Director Options, which will be undertaken pursuant to Listing Rule 7.2 exception 14. As a consequence, the Company will not be required to obtain separate approval under Listing Rule 7.1 and therefore any Executive Director Options issued up to the total approved number under Resolutions 3 and 4 are not included in the Company's 15% placement capacity under Listing Rule 7.1.

If Resolutions 3 and 4 are not passed, the Company will not be able to proceed with the issue of the Executive Director Options and will need to determine alternative measures to appropriately incentivise performance.

6.3 Section 208 of the Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

Mr Bath and Mr Davey are, as Directors, related parties of the Company for the purposes of section 208 of the Corporations Act. The issue of the Executive Director Options to each of them (and/or their respective nominees) constitutes the giving of a financial benefit for the purposes of section 208 of the Corporations Act and the Board has determined that Shareholder approval be sought for the purposes of section 208.

6.4 Information required by section 219 of the Corporations Act

Information provided for the purposes of obtaining Shareholder approval for Resolutions 4 and 5 is as follows:

- (a) The Executive Director Options proposed to be issued to Mr Bath and Mr Davey are on the terms set out in 7.1 above, with the total numbers as follows:

Director	Short-term incentive Executive Director Options	Long-term incentive Executive Director Options
Chris Bath	202,000	303,000
Grant Davey	303,000	454,000
TOTAL	505,000	757,000

- (b) The Executive Director Options will be issued pursuant to the ESOP, a summary of the key terms of which is set out in Schedule 2. The same terms and conditions apply for all Eligible Participants.
- (c) The Executive Director Options are being issued in accordance with the ESOP as short-term and long-term incentives. The number of Executive Director Options to be issued to Mr Bath and Mr Davey is proportionate to their remuneration as at the date the number of Executive Director Options proposed to be issued was determined. A benefit will be received from the Executive Director Options only when relevant vesting criteria have been satisfied.
- (d) Owing to their interest in Resolutions 3 and 4, both Mr Bath and Mr Davey abstain from making a recommendation on Resolutions 3 and 4.

The value of the Executive Director Options has been determined at 8 April 2024. A technical valuation is not possible on the basis that the Executive Director Options are

subject only to non-market vesting conditions. As a result, the value of the Executive Director Options is based on the price of Shares on the valuation date.

Assuming all of the Executive Director Options vest, and based on a share price of \$0.35 being the closing price on 16 April 2024, the valuation of the Executive Director Options is as follows:

Director	Short-term incentive Executive Director Options			Long-term incentive Executive Director Options		
	No. of Executive Director Options	Value per Executive Director Option	Total Value (\$)	No. of Executive Director Options	Value per Executive Director Option	Total Value (\$)
Chris Bath	202,000	\$0.35	70,700	303,000	\$0.35	106,050
Grant Davey	303,000	\$0.35	106,050	454,000	\$0.35	158,900
Total	505,000		176,750	757,000		264,950

These values may increase or decrease after the date of valuation subject to future changes in the price of Shares.

- (e) The total remuneration packages for Mr Bath and Mr Davey as at the date of this Notice are as follows:

Other than the information set out in this Notice, there is no other information known to the Company that would reasonably be required by Shareholders to pass Resolution 3 or Resolution 4.

6.5 Listing Rule 10.14

Listing Rule 10.14 provides a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme without shareholder approval:

10.14.1 a director of the listed entity;

10.14.2 an associate of a person referred to in 10.14.1;

- 10.14.3 a person whose relationship with the company or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

The issue of the Executive Director Options to Mr Bath and Mr Davey (and/or their respective nominees) falls within Listing Rule 10.14.1 as they are both Directors, and therefore requires approval of Shareholders under Listing Rule 10.14.

6.6 Information required by Listing Rule 10.15

The following information on the Executive Director Options is provided pursuant to Listing Rule 10.15:

- (a) The Executive Director Options, to which Resolutions 3 and 4 relate, are to be issued to Mr Bath and Mr Davey (or their nominee/s) respectively;
- (b) Mr Bath and Mr Davey fall within Listing Rule 10.14.1 as they are Directors;

- (f) The Executive Director Options have a zero-exercise price. Other terms and conditions are described in the summary of the ESOP contained in Schedule 2.
- (g) The value of the Executive Director Options has been determined as at 17 April 2024. A technical valuation is not possible on the basis that the Executive Director Options are subject only to non-market vesting conditions. On that basis the value of the Executive Director Options is treated as being the share price on the issue date. Assuming all of the Executive Director Options vest and based on a share price of \$0.35 (being the closing price on 16 April 2024), a valuation of the Executive Director Options is shown in the table in section 6.3(d) above.
- (h) Subject to obtaining approval of Shareholders, the Executive Director Options will be issued as soon as possible following the Meeting and, in any event, not later than three years after the date of the Meeting.

- (k) No loans will be provided in relation to the acquisition of the Executive Director Options under the ESOP.
- (l) The Company notes that:
 - (i) Details of any securities issued under the ESOP will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that Listing Rule 10.14 approval was obtained; and
 - (ii) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the ESOP after Resolutions 3 and 4 are approved and who were not named in this Notice will not participate until approval is obtained under that Rule.

(m) A voting exclusion statement is included in the Notice for Resolutions 3 and 4.

6.7 Board Recommendation

Mr Bath has an interest in Resolution 3 and Mr Davey has an interest in Resolution 4 and accordingly, neither Mr Bath nor Mr Davey makes a recommendation with respect to Resolutions 3 and 4. The non-interested Directors recommend that Shareholders vote in favour of Resolutions 3 and 4. The Chair intends to vote undirected proxies in favour of Resolutions 3 and 4.

7. Resolution 5 – Approval of Additional 10% Placement Capacity

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without shareholder approval over any 12 month period, to 15% of the fully paid ordinary securities it had on issue at the start of that period.

ASX Listing Rule 7.1A provides that an Eligible Entity (see below) may seek shareholder approval by special resolution passed at an AGM to have the capacity to issue up to that number of Equity Securities (see also below) equal to 10% of its issued capital (**10% Placement Capacity**) without using the 15% annual placement capacity available under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant AGM:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation equal to or less than \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$156,187,837, based on the number of Shares on issue and the closing price of Shares on the ASX on 16 April 2024.

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security or any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities. As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being fully paid ordinary shares in the capital of the Company (Shares) (ASX Code: FHE).

If Shareholders approve this Resolution, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2. The Company will be able to issue Equity Securities up to the combined 25% limit provided for in Listing Rules 7.1 and 7.1A.

If Shareholders do not approve this Resolution, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

This Resolution is a special resolution. Accordingly, at least 75% of votes cast by Shareholders eligible to vote must be in favour of this Resolution for it to be passed.

7.2 ASX Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Capacity is subject to Shareholder approval by way of a special resolution at an AGM.

(b) **Equity Securities**

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one quoted class of Equity Securities, being ordinary Shares.

(c) **Formula for calculating 10% Placement Capacity**

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of Shares on issue at the commencement of the relevant period:

- (A) plus the number of Shares issued in the relevant period under an exception in Listing Rule 7.2 other than exceptions 9, 16 and 17;
- (B) plus the number of Shares issued in the relevant period on the conversion of securities within Listing Rule 7.2 exception 9 where:
 - (I) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (II) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- (C) plus the number of Shares issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (I) the agreement was entered into before the commencement of the relevant period; or
 - (II) the agreement was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4
- (D) plus the number of any other Shares issued in the relevant period with approval under Listing Rule 7.1 or 7.4;
- (E) plus the number of partly paid ordinary shares that became fully paid in the relevant period;
- (F) less the number of Shares cancelled in the relevant period.

Note that A is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%; and

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with Shareholder approval under Listing Rule 7.4.

(d) **Listing Rule 7.1 and 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of the Notice, the Company has 446,250,963 shares on issue and has capacity to issue:

- (i) 66,937,644 Equity Securities under Listing Rule 7.1; and
- (ii) subject to the approval being sought under this Resolution, 44,625,096 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 9.2(c)).

(e) **Minimum Issue Price**

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

Shareholder approval of the 10% Placement Capacity under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (ii) the time and date of the entity's next annual general meeting; or
- (iii) the time and date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking)

(the **10% Placement Period**).

7.3 Specific information required by Listing Rule 7.3A

In accordance with Listing Rule 7.3A, information is provided as follows:

- (a) The Company will only issue the Equity Securities during the 10% Placement Period. The approval under this Resolution for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or

- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) Funds raised from the issue of Equity Securities under Listing Rule 7.1A may be used for the purposes of acquiring new assets or investments (including expenses associated with such acquisition), feasibility studies, project evaluations, expenditure on the Company's current assets and/or general working capital.
- (d) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Capacity, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of their issue than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the total funds raised by the issue of the Equity Securities.

The table below shows the dilution to Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of the Notice. The table also shows:

- (i) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable A in Listing Rule 7.1A.2		Dilution		
		0.175	0.350	0.525
		50% decrease in Issue Price	Issue Price	50% increase in Issue Price
Shares currently on issue (Variable A)	10% Voting Dilution	44,625,096 Shares	44,625,096 Shares	44,625,096 Shares
446,250,963	Funds raised (\$)	7,809,392	15,618,784	23,428,176
50% increase in number of shares on issue	10% Voting Dilution	66,937,644 Shares	66,937,644 Shares	66,937,644 Shares
669,376,445	Funds raised (\$)	11,714,088	23,428,176	35,142,263
100% increase in number of shares on issue	10% Voting Dilution	89,250,193 Shares	89,250,193 Shares	89,250,193 Shares
892,501,926	Funds raised (\$)	15,618,784	31,237,567	46,856,351

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Capacity.
- (ii) No Options (including any Options issued under Listing Rule 7.1A) are exercised into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate % dilution against the issued share capital at the time of issue which is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) Issues of Equity Securities under the 10% Placement Capacity consist only of Shares.
- (vii) The issue price is \$0.35, being the closing price of the Shares on ASX as at the close of business on 16 April 2024.

Shareholders should note that there is a risk that:

- the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
 - the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of the subscribers of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the methods of raising funds that are available at that time, for example rights issue or other issue in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).
- (f) The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its AGM held on 26 May 2023. In the 12 months preceding the date of the Meeting, the Company has not issued, or agreed to issue, any Equity Securities pursuant to Listing Rule 7.1A.2 not covered by an exception set out in Listing Rule 7.2.
- (g) A voting exclusion statement is included in the Notice for this Resolution. However, at the date of the Notice, the Company has not approached any existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

7.4 Board recommendation

The Directors consider it prudent for the Company to have the opportunity to take advantage of the flexibility to be able to issue additional securities, as provided for under Listing Rule 7.1A.

No decision has been made by the Board to undertake any issue of Equity Securities if Shareholders approve this Resolution. The Directors believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

The Chair intends to vote undirected proxies in favour of this Resolution.
