## ASX ANNOUNCEMENT

### Delay of release of the FY2023 Annual Report

**Tombador Iron Limited (T11.ASX, the “Company”)** wishes to advise that the Annual Report ending 31 December 2023 will not be released by the ASX reporting deadline 28 March 2024.

Due to the sale of the Brazilian subsidiary, Tombador Iron Mineracao Ltda, prior to the end of December 2023, the Company handed over control of the accounting systems and finance function of Tombador Iron Mineracao Ltda in Brazil to the purchasers.

The purchasers of the Brazilian subsidiary have experienced significant delays with their accounting provider in finalising the accounting and taxation information relating to the financial year ended 31 December 2023. This in turn has led to a delay for the auditor of the Brazilian subsidiary being able to provide their Tombador Iron Mineracao Ltda year-end report to our Australian auditors.

Tombador Iron Limited and our Australian auditors are working to release the Annual Report as quickly as possible.

Yours sincerely,

Abby Macnish Niven  
CFO & Company Secretary
