

ASX Announcement

26 OCTOBER 2022

CLARIFICATION OF AMENDED APPENDIX 3Bs

Delorean Corporation Limited (“Delorean” or “Company”) advises that it has today lodged two amended Appendix 3Bs to correct those announced to market on 19 October 2022.

The appendices lodged on that date identified an inaccurate number of convertible notes, being the underlying securities the notes are able to be converted into, and the amended appendices correctly identify each tranche of convertible note issuance as one note, with separate identification of the underlying securities.

Authorised on behalf of the Delorean Corporation Board of Directors by the Company Secretary, David McArthur.
