Dear Stephanie,

REQUEST FOR EXTENSION TO VOLUNTARY SUSPENSION

AVZ Minerals Limited (ASX: AVZ, OTCQX: AZZVF) ("AVZ" or "Company") refers to the Company's request for an extension to its voluntary suspension dated 15 September 2022, in relation to the finalisation and release of an announcement with respect to its mining and exploration rights for the Manono Lithium and Tin Project (Manono Project).

The Company advises that the subject of the initial trading halt request remains incomplete and requests a further extension to the voluntary suspension until the commencement of trade on 1 November 2022 or an earlier announcement to the market regarding its mining and exploration rights for the Manono Project.

The Company will provide an update to the market on the status of its activities in the DRC ahead of its planned roadshows and AGM which are scheduled to be held next month.

The Company is not aware of any reason why the voluntary suspension should not be granted, nor of any other information necessary to inform the market about the voluntary suspension.

This request has been authorised for release to ASX by the Company's Board of Directors.

Yours sincerely,

Ben Cohen
Joint Company Secretary
