CARBON CAPTURE AND STORAGE 101 INVESTOR WEBINAR

Pilot Energy Limited (**ASX: PGY**) (**Pilot** or the **Company**) is pleased to announce it will host an 'Introduction to Carbon Capture and Storage (CCS)' webinar on Wednesday 21st September 2022 at 2pm AEST.

The CCS webinar will consist of presentations from industry leading energy consultants Genesis and CO2Tech, who will focus on the key elements required for successful CCS operations with reference to a range of projects operating globally. Following the presentations there will be a Q&A session for participants hosted by Pilot Chairman, Brad Lingo, along with a panel of representatives from Genesis and CO2Tech.

Webinar details:

Date: Wednesday 21st September 2022

Time: 2:00pm (Sydney/Melbourne) / 12:00pm (Perth)

To register: https://us02web.zoom.us/webinar/register/WN_HoRDfqnFR-2xB_Co6SSNSq

Dial in details: You will receive your personal dial in details upon registration

Participants will be able to submit questions during the webinar via a 'submit question' facility displayed within the webinar.

Genesis is a market-leading consulting company focused on providing high-value services for the energy industry. Genesis has extensive global experience in developing innovative solutions across hydrocarbon, renewables and alternative energy sectors.

CO2Tech is the commercial arm of CO2CRC and provides technical solutions for a low emissions future. CO2Tech offers multi disciplinary technical consultation, advisory and project management services on a global basis across the CCUS value chain.

ENDS

This announcement has been authorised for release to ASX by the Chairman, Brad Lingo and Managing Director, Tony Strasser.
