Emerald Strengthens Board with Highly Experienced Appointments

Emerald Resources NL (ASX: EMR) ("Emerald") is pleased to announce the appointment of Mr Michael Bowen and Mr Jay Hughes as Non-executive directors of the Company effective immediately.

Mr Bowen is a partner of the national law firm Thomson Geer. He practices primarily corporate, commercial and securities law with an emphasis on mergers, acquisitions, capital raisings and resources. Mr Bowen advises both bidders and targets in various hostile and friendly takeovers and advises on schemes of arrangements for reconstructions and mergers and also has extensive experience in negotiating the terms of joint venture arrangements for major projects.

Mr Bowen holds a Bachelor of Laws, Jurisprudence and Commerce from the University of Western Australia. He has been admitted as a barrister and solicitor of the Supreme Court of Western Australia since 1979 and is also admitted as a solicitor of the High Court of Australia. He is a Certified Public Accountant and member of the Australian Society of Accountants. Mr Bowen is also Non-executive Chairman of Lotus Resources Limited (ASX:LOT) and Non-executive director of Genesis Minerals Limited (ASX:GMD) and Omni Bridgeway Limited (ASX:OBL).

Mr Hughes started his career on the Perth Stock Exchange trading floor in 1986. In 2000 he was one of the founders of Euroz Limited and he is currently an Executive Director of Euroz Hartleys Group Limited (ASX:EZL) and Non-Executive Chairman of Westoz Funds Management Pty Ltd. He was the Non-Executive Chairman of Westoz Investment Company Limited and Ozgrowth Limited until the successful completion of their takeover schemes in April 2022. He was recognised as an Affiliate of the ASX in December 2000 and was admitted in May 2004 as a Master Practitioner Member (MSAFAA) of the SAFAA. Mr Hughes holds a Graduate Diploma in Applied Finance and Investment from the Financial Services Institute of Australasia (FINSIA).

Emerald's Chairman, Simon Lee AO, commented:

"I am delighted that we have secured the skills of two highly experienced and highly regarded directors to our Board as we head into the second year of production at our 100% owned Okvau Gold Mine with the potential to create significant shareholder value at our 100% owned Memot Project in Cambodia and ~60% owned Dingo Range greenstone belt in Western Australia in the coming 12 months.

"Both Michael and Jay's professionalism complements the trusted and respected development credentials of the Emerald team whilst enhancing the independence of our Board and sub-committees as our multi-asset gold production strategy continues to attract global institutional investors to our register."

This ASX release was authorised on behalf of the Emerald Board by: Morgan Hart, Managing Director.

About Emerald Resources NL

Overview

Emerald is a developer and explorer of gold projects. In particular, Emerald has been focused on the development and commissioning of its most advanced project, the Okvau Gold Mine in Cambodia which saw first production in June 2021. Since first gold pour in June 2021 and commercial production achieved in September 2021, Emerald has now poured over 3,000kgs of gold bullion from its operations.

Emerald also hold a number of other projects in Cambodia which are made up of a combination of granted mining licences (100% owned by Emerald), and interests joint venture agreements. Together, Emerald's interest in its Cambodian Projects covers a combined area of 1,239km².

Emerald has a controlling interest in Bullseye Mining Limited (59.32%), an unlisted Australian public company with three Western Australian gold projects totalling in excess of 1,200km² of highly prospective gold tenure including the North Laverton Gold Project which covers in excess of 800km² of the entire Dingo Range greenstone belt.

Forward Looking Statement

This document contains certain forward looking statements. These forward-looking statements are not historical facts but rather are based on the Company's current expectations, estimates and projections about the industry in which Emerald Resources operates, and beliefs and assumptions regarding the Company's future performance. Words such as "anticipates", "expects", "intends", "plans", "believes", "seeks", "estimates", "potential" and similar expressions are intended to identify forward-looking statements. These statements are not guarantees of future performance and are subject to known or unknown risks, uncertainties and other factors, some of which are beyond the control of the Company, are difficult to predict and could cause actual results to differ materially from those expressed or forecasted in the forward looking statements, which reflect the view of Emerald Resources only as of the date of this announcement. The forward looking statements made in this release relate only to events as of the date on which the statements are made. Emerald Resources will not undertake any obligation to release publicly any revisions or updates to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date of this announcement except as required by law or by any appropriate regulatory authority. This document has been prepared in compliance with the current JORC Code 2012 Edition and the ASX listing Rules.

The Company believes that it has a reasonable basis for making the forward-looking statements in this announcement, including with respect to any production targets and financial estimates, based on the information contained in this announcement. Reference is made to ASX Announcements dated 1 May 2017 and 26 November 2019. All material assumptions underpinning the production target, or the forecast financial information continue to apply and have not materially changed. 100% of the production target referred to in this announcement is based on Probable Ore Reserves.

Emerald has a highly experienced management team, undoubtedly one of the best credentialed gold development teams in Australia with a proven history of developing projects successfully, quickly and cost effectively. They are a team of highly competent mining engineers and geologists who have overseen the successful development of gold projects in developing countries such as the Bonikro Gold Project in Cote d'Ivoire for Equigold NL and more recently, Regis Resources Ltd.

Competent Persons Statements

The information in this report that relates to Mineral Resources for the Okvau Gold Deposit was prepared by EGRM Consulting Pty Ltd, Mr Brett Gossage, who is a consultant to the Company, who is a Member of the Australasian Institute of Mining & Metallurgy (AIG), and has sufficient experience relevant to the style of mineralisation and type of deposit under consideration and to the activity which he is undertaking to qualify as a Competent Person as defined by the 2012 edition of the "Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves". Mr Gossage has reviewed the contents of this news release and consents to the inclusion in this announcement of all technical statements based on his information in the form and context in which it appears. Information in this announcement that relates to Ore Reserves for the Okvau Gold Deposit is based on, and fairly represents, information and supporting documentation prepared by Mr Glenn Williamson, an independent specialist mining consultant. Mr Williamson is a Member of the Australasian Institute of Mining & Metallurgy. Mr Williamson has sufficient experience which is relevant to the style of mineralisation and type of deposit under consideration and to the activity which he is undertaking to qualify as a Competent Person (or 'CP') as defined in the 2012 edition of the "Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves". Mr Williamson has reviewed the contents of this news release and consents to the inclusion in this announcement of all technical statements based on his information in the form and context in which it appears.

No New Information

To the extent that announcement contains references to prior exploration results and Mineral Resource estimates, which have been cross referenced to previous market announcements made by the Company, unless explicitly stated, no new material information is contained. The Company confirms that it is not aware of any new information or data that materially affects the information included in the relevant market announcements and, in the case of estimates of Mineral Resources that all material assumptions and technical parameters underpinning the estimates in the relevant market announcement continue to apply and have not materially changed.
