## **INTELCARE INCREASES NATIONAL EXPANSION FOLLOWING A COMMERCIAL AGREEMENT WITH SOUTH AUSTRALIAN CARE PROVIDER ECH**

InteliCare Holdings Ltd ("InteliCare" or the "Company") (ASX: ICR), an Australian technology company that has commercialised a subscription-based Internet of Things (IoT) and Artificial Intelligence (AI) product for use in the aged care and health industries, is pleased to announce an agreement with South Australian care services and home care provider, ECH.

- **InteliCare have increased their national expansion** following a commercial agreement with South Australian-based care services and home care package provider, ECH.
- **The \$59,000 plus contract** includes 85 InteliCare hardware kits.

### **Expansion into South Australia**

InteliCare have furthered their national expansion by entering their first commercial agreement in South Australia. The \$59,000 plus agreement is with ECH, an accredited care services, retirement living and home care package provider. With over 15,000 clients, ECH is one of the largest integrated providers of retirement village accommodation and ageing care services in South Australia.

### **The solution of choice**

ECH searched for a commercial solution to provide assistive technology to their clients.

After a market review, InteliCare was selected due to its trend data and analytics reporting, which provides carers with instant access to a senior's 24/7 health and wellbeing data. The technology includes the InteliLiving® mobile app for carers to enable personalised services and preserve seniors' privacy, reduce intrusion and maintaining independence while monitoring their physical and mental health for early signs of deterioration and incident detection.

ECH has committed to an initial roll out of placing InteliCare's smart home technology in 85 homes.

There is future potential for InteliCare technology to support further clients.

**Daniel Pilbrow, Chief Executive Officer, InteliCare, says:** 'We are pleased to see the continued advancement of InteliCare's national expansion. As one of the largest providers in South Australia, ECH further enhances InteliCare's reputation as the solution of choice for leading care providers.'

**ENDS**

**Approved for Release by the Board of Directors.**
