Unmarketable Parcel Share Sale Facility

Aurora Energy Metals Limited (**Aurora** or **Company**) (ASX:1AE) is pleased to announce the establishment of a share sale facility (**Facility**) for shareholders of fully paid ordinary shares in the Company (**Shares**) valued at less than \$500 (**Unmarketable Parcel**). Based on the price of Shares at the close of trading on 2 September 2022 (**Record Date**) of 26.5 cents, a holding of 1,886 Shares or less constitutes an Unmarketable Parcel.

The Company is offering the Facility to enable shareholders who hold an Unmarketable Parcel to sell their Shares without having to act through a broker or pay brokerage or handling fees. The Company will pay all costs associated with the sale and transfer of Shares through the Facility (excluding any tax consequences of the sale, which will be the responsibility of relevant shareholders).

The sale of Unmarketable Parcels through the Facility will also benefit the Company, as it is expected to significantly reduce the administrative costs associated with maintaining a large number of small shareholdings on the Company's share register.

In accordance with the Company's Constitution and ASX Listing Rules, the attached letter and Share Retention Form (**Retention Form**) will be sent to all shareholders holding an Unmarketable Parcel of Shares as at the Record Date.

Shareholders who hold an Unmarketable Parcel and wish to retain their Shares must "opt-out" of the Facility by returning their duly completed Retention Form to the Company's share registry (Link Market Services Limited) in accordance with the instructions on the Retention Form, by no later than 5:00pm (WST) on 19 October 2022 (**Closing Date**), or acquire additional shares prior to that time such that their holdings comprise a marketable parcel. Any shareholder who holds an Unmarketable Parcel and does not return a duly completed Retention Form by the Closing Date will have their Shares sold through the Facility.

Shareholders wishing to take advantage of the Facility and have their shares sold by the Company do not need to take any action. A summary of key dates in relation to the Facility are as follows:

Event	Date
Record Date for establishing holders of Unmarketable Parcels	5:00pm WST 2 September 2022
ASX announcement regarding Unmarketable Parcels Sale Facility	5 September 2022
Despatch of Letter (Elimination Notice) and Retention Form to shareholders holding an Unmarketable Parcel	7 September 2022
Closing Date for receipt of Retention Forms	19 October 2022
Estimated Remittance of Sale Proceeds of Unmarketable Parcels	Prior to 30 November 2022

The Company reserves the right to change any of the dates referred to in this announcement or the enclosed letter and Retention Form, or to vary, cancel or delay the Facility or the sale of Shares at any time before Shares are sold, by making an announcement to ASX.

The Company does not provide any recommendation or advice as to whether shareholders holding an Unmarketable Parcel should sell or retain their Shares. If you have any questions about the operation of the Facility, please contact the Company on +61 8 6465 5500.

Aurora Energy Metals Limited
UNMARKETABLE PARCEL SHARE SALE FACILITY
(Elimination Notice)

Dear Shareholder,

Aurora Energy Metals Limited (**Aurora** or **Company**) (ASX:1AE) recognises that there are a large number of shareholders with small parcels of shares for whom it may not be cost effective to sell those shares on the Australian Securities Exchange (**ASX**).

Aurora has established a share sale facility (**Facility**) for shareholders on the register who have fully paid ordinary shares in the Company with a market value of less than A\$500 (**Unmarketable Parcel**).

Your shares have been included in the Facility because our share register shows that, as at 5pm WST on 2 September 2022, the number of shares held by you was an Unmarketable Parcel (i.e less than A\$500). If the market value of your holding remains below A\$500 at 5pm (WST) on 19 October 2022 (**Closing Date**), your shares will be sold and the proceeds sent to you unless you notify us that you do not want them sold.

If you wish to retain your shares, please notify us prior to 19 October 2022 (**Facility Closing Date**) by completing and returning the share retention form (**Retention Form**) enclosed with this letter.

WHY HAS AURORA ESTABLISHED THE FACILITY?

Aurora is offering shareholders with Unmarketable Parcels an opportunity to sell their shares through the Facility at a market price, without incurring any brokerage or transfer fees. Shareholders can choose to opt out of the Facility by completing and returning the Retention Form included.

The Facility will also reduce Aurora's administrative and registry costs associated with small parcels of shares.

HOW DOES THE FACILITY WORK?

Shares included in the Facility will be sold following the Facility Closing Date, unless Aurora is notified otherwise or the holding is no longer less than A\$500.

Shareholders will not pay any brokerage or handling fees for the sale of their Aurora shares under the Facility. The price that you receive for your shares under the Facility will be determined by when and how the shares are sold.

Aurora directors may sell your shares on market or in any other way they consider fair and reasonable in the circumstances. You will not have control over the time at which your shares are sold, the price you receive may be different from the price quoted by ASX on any day, may not be the best price on the day that your shares are sold and may be an average price per share based on the price obtained for all the shares under the Facility.

WHAT DO I NEED TO DO?

You can choose whether or not to participate in the Facility prior to the Facility Closing Date at 5pm (WST) on 19 October 2022.

Option 1: No further action is required to participate in the Facility. If you have not submitted a Retention Form by the Facility Closing Date, your shares will be sold through the Facility if your holding is still less than A\$500.

If your shares are sold through the Facility, you will receive the sale proceeds as soon as practicable following the Facility Closing Date. You must take action before the Facility Closing Date if you do not want to sell your shares through the Facility.

Option 2: To Retain Your Shares, You Must Either:

- (a) Complete and submit the attached Retention Form to Link Market Services (**Link Market Services**) prior to the Facility Closing Date or
- (b) Top up your shareholding to be more than an Unmarketable Parcel prior to the Facility Closing Date (for example, by acquiring additional shares on the ASX). If you submit a Retention Form, please allow a reasonable time for it to be received by Link Market Services.

A summary of key dates in relation to the Facility are as follows:

Event	Date
Record Date for establishing holders of Unmarketable Parcels	5:00pm WST 2 September 2022
ASX announcement regarding Unmarketable Parcels Sale Facility	5 September 2022
Despatch of Letter (Elimination Notice) and Retention Form to shareholders holding an Unmarketable Parcel	7 September 2022
Closing Date for receipt of Retention Forms	19 October 2022
Estimated Remittance of Sale Proceeds of Unmarketable Parcels	Prior to 30 November 2022

If you hold shares in multiple shareholdings, some of which are Unmarketable Parcels, then Aurora will sell those Unmarketable Parcels, unless a Retention Form is received for each shareholding or you merge the holdings by contacting Link Market Services on +61 1300 554 474 (within Australia).

IMPORTANT NOTES

The attached Information Sheet with Frequently Asked Questions, which form part of this document, set out further details on the Facility. Please read the Frequently Asked Questions before making any decision.

Aurora and Link Market Services do not make any recommendation or give any advice to you as to whether you should participate in the Facility. Aurora may modify the Facility Closing Date, or may terminate or suspend the Facility. Any such modification, termination or suspension will be notified by way of a market announcement on the ASX.

Information on the market price of Aurora shares is available from the ASX website (www.asx.com.au) under ASX Code "1AE". If you require further information, please contact the Company on (08) 6465 5500.

Yours sincerely

Steven Jackson
Company Secretary
