Other significant information

The Company's goal is to become one of world's most dynamic, engaging and largest sporting communities.

Our vision is to deploy our white label digital solutions across multiple sports to sporting groups and other partners globally.

On 21 April 2021, SportsHero announced its intention to develop a world first proprietary esports prediction platform utilising the latest advancements in deep learning to predict the outcomes of esports competitions prior to the match, as well as during live competition.

Over one year of research, development and endeavour culminated in the launch in Australia on 23 August 2022 of SportsHero's first ever tier 1 professional esports prediction tournament (**mobile site: esportshero.com**).

The launch of this Australian tournament showcases, for the first time, SportsHero's world first proprietary esports artificial intelligence predictor, that will add value to our users and help drive user engagement and usage to our platforms.

Importantly, we have also significantly progressed our Chinese strategy in the largest esports market in the world. In that regard, on 31 August 2022 SportsHero soft launched its co-branded initial esports tournament in partnership with Wuhan Esports Association (the 2nd largest esports association in China).

SportsHero is positioning itself to be a world leader in the rapidly expanding esports market by introducing our artificial intelligence predictor and delivering unique esports prediction competitions. Furthermore, SportsHero is planning to apply its proprietary deep learning-based predictor across multiple sports and/or sporting events globally.

SportsHero Limited
Notes to the preliminary financial statements
for the financial year ended 30 June 2022

Note 1. Basis of Preparation

This preliminary final report has been prepared in accordance with ASX Listing Rule 4.3A and the disclosure requirements of ASX Appendix 4E. This report is to be read in conjunction with any public announcements made by SportsHero Limited during the reporting period in accordance with the continuous disclosure obligations arising under the Corporations Act 2001 and Australian Securities Exchange Listing Rules.

The Preliminary Financial Statements of SportsHero Limited and its controlled entities (the **Group**), comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

New and Revised Accounting Standards and Interpretations

In the current year, the Group has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and effective for the current annual reporting period. The adoption of these new and revised Standards and Interpretations has not resulted in a significant or material change to the Group's accounting policies.

Functional and presentation currency

The preliminary financial report is presented in US dollars, which is the Group's functional currency.

Note 2. Segment reporting

For management purposes the Group is organised into three strategic units:

- Corporate head office in Australia
- Technology development based in Singapore – operations
- Operations based in Indonesia and China

Such structural organisation is determined by the nature of risks and returns associated with each business segment and define the management structure as well as the internal reporting system. It represents the basis on which the Group reports its primary segment information to the Board.

The operating segment analysis presented in these preliminary financial statements reflects operations analysis by business. It best describes the way the Group is managed and provides a meaningful insight into the business activities of the Group.

The following table presents details of revenue and operating loss by business segment as well as reconciliation between the information disclosed for reportable segments and the aggregated information in the preliminary financial statements. The information disclosed in the table below is derived directly from the internal financial reporting system used by the Board of Directors to monitor and evaluate the performance of our operating segments separately.
