### About Scout Security Limited

Scout Security Limited (ASX: SCT) is a white label security-as-a-service platform and product suite powering recurring revenue for some of the largest security, internet service and telecommunications providers in the world. Scout’s simple and affordable DIY approach puts security within reach for millions of residential homes, small-to-medium businesses and multi-tenant buildings.

Scout was recognised as one of Forbes’ “Best Home Security Companies of 2022” and was named the “Best DIY Security System Provider of 2023” by CBS Essentials. Scout’s design-centric offering gives users complete flexibility around connected home security, allowing the system to integrate with other best-in-class IoT devices and offering flexible monitoring options.

Scout is an official partner of Amazon Alexa and Google's Assistant. Scout is also an Amazon Alexa Fund portfolio company.
