Metagenics USA launches MetaSleep™ powered by Kavaton®

29 November 2023 Brisbane, Australia: The Calmer Co. International Limited (ASX:CCO), a health and wellness company focussing on natural products that promote calmness, support mind & muscle relaxation and improve sleep informs shareholders that leading US practitioner supplements brand, Metagenics, has launched MetaSleep™ utilising the Kavaton® extract produced by The Calmer Co and distributed in partnership with Network Nutrition.

Key Highlights

- MetaSleep™ is a proprietary formula including Kavaton® and Melatonin
- Metagenics is the leading practitioner brand in the USA marketing personalised lifestyle medicines and professional-grade supplements intended to support good health.
- The USA practitioner nutraceutical market represents more than 4bn USD¹ in sales and is one of the fastest growing segments in the natural products industry².
- Metagenics has the exclusive rights to Kavaton® in the practitioner channel in the USA.

CEO Anthony Noble said, "This launch has been the culmination of more than a year of business development work with the Network Nutrition team. Having Kavaton® presented in a blue-chip brand portfolio such as Metagenics a huge win for the partnership and will open"

Network Nutrition Brand Director Ryan Gorman said "Metagenics' new launch is a positive step forward and we're encouraged by the support of such a prominent and well-established global brand, throwing their weight behind the virtues of Kavaton®."

This announcement has been approved by the board of directors.
