

## TOUBANI RESOURCES REGISTERED AS AN AUSTRALIAN COMPANY

Toubani Resources Limited (formerly Toubani Resources Inc.) (**Company**) (ASX: TRE) advises that it has been registered as an Australian company effective from 8 January 2024 (**Australian Continuance**). Pursuant to the Australian Continuance, the Company's name has also changed to Toubani Resources Limited.

The continuance from Canada to Australia was previously approved by the Company's shareholders at the Company's Annual General Meeting held on 1 September 2023. The Board considers that the administration and efficiency of the Company will be improved following the Australian Continuance, which may realise cost savings for the Company.

### ASX Timetable

As part of the Australian Continuance, the Company's common shares will become fully paid ordinary shares (Shares) on a 1:1 basis. All shareholders will then hold Shares directly in the Company rather than through CHESS Depository Interests (CDIs) and those Shares will be tradeable on ASX. Accordingly, all existing CDIs will be cancelled and new holding statements will be issued in support of the uncertificated shareholdings (in replacement for the existing CDI statements).

The below table details the outstanding events in relation to the Australian Continuance.
