About Rumble Resources Ltd

Rumble Resources Limited is an Australian based ASX Listed exploration company that is firmly focussed on rapidly advancing the major Zn-Pb-Ag discovery at the Earraheedy Project in Western Australia. Since its discovery in April 2021 broad spaced drilling has rapidly uncovered an emerging world class scale base metal system, with interpretative geology and drilling continuing to make new discoveries and highlight multiple large-scale deposit targets.

The Company also has a significant pipeline of advanced exploration base metal, lithium and gold projects located in Tier 1 regions of Western Australia.

Rumble's board and management team has a successful track record in making discoveries and project development.
