InteliCare Holdings Ltd ("ICR" or the "Company") (ASX: ICR), an Australian Software-as-a-Service (SaaS) technology company commercialising its proprietary AI driven InteliCare platform (InteliCare) in the aged care, disability and health sectors announces it has terminated the Reseller Agreement with JNC Technologies Group Holdings Limited ("JNC") that was announced on 11 December 2023 due to JNC being unable to meet a number of commitments under the agreement.

InteliCare utilises smart sensors and artificial intelligence (AI), to empower care providers to tailor care solutions for their customers, delivering improved outcomes and increasing client independence.

**Daniel Pilbrow, Chief Executive Officer commented,** "Whilst unfortunate, the Company has determined the best course of action was to terminate the Reseller Agreement with JNC.

InteliCare continues to progress a number of near term opportunities, including furthering its relationship with Bolton Clarke. We anticipate executing new commercial agreements in the very near term."
