

29 January 2024

## **INVESTOR WEBINAR PRESENTATION**

Jupiter Energy Limited (ASX: "JPR") is pleased to invite shareholders to attend an investor webinar, scheduled to be held on Wednesday 31<sup>st</sup> January 2024, commencing at 10am AWST / 1pm AEDT.

Chairman and CEO Geoff Gander will provide an update on the Company's activities, with Jupiter having recently reported an increase in oil reserves across its three oilfields located in Kazakhstan. The Company will also be discussing its plans to significantly increase its oil production during CY 2024.

Following the presentation, shareholders and other webinar attendees will have the opportunity to ask questions directly to Geoff via a moderated Q & A session.

The webinar will be viewed via Zoom, with registration through the following link:

## **About the Company:**

Jupiter Energy Limited is an oil exploration and production company, quoted on the ASX. The Company is focused on developing its onshore assets in Western Kazakhstan. The Company holds 100 per cent of the Block 31 permit, located in the oil-rich Mangistau Basin, close to the port city of Aktau.

The Company is operating two of its fields under a Full Commercial Licence and the third under a Preparatory Period Licence. Oil produced from the three fields can now be sold through a variety of sales channels, including both the domestic and export oil markets.

Jupiter has a proven in-country management team, led by an experienced, international Board, together possessing the skills, knowledge, network and attention to detail needed to operate successfully in Kazakhstan.
