**Notes to the preliminary financial statements
for the financial year ended 30 June 2023**

Note 1. Basis of Preparation

This preliminary final report has been prepared in accordance with ASX Listing Rule 4.3A and the disclosure requirements of ASX Appendix 4E. This report is to be read in conjunction with any public announcements made by SportsHero Limited during the reporting period in accordance with the continuous disclosure obligations arising under the Corporations Act 2001 and Australian Securities Exchange Listing Rules.

The Preliminary Financial Statements of SportsHero Limited and its controlled entities (the **Group**), comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

New and Revised Accounting Standards and Interpretations

In the current year, the Consolidated Entity has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and effective for the current annual reporting period. The adoption of these new and revised Standards and Interpretations has not resulted in a significant or material change to the Consolidated Entity's accounting policies.

Functional and presentation currency

The preliminary financial report is presented in US dollars, which is the Group's functional currency.

Note 2. Segment reporting

For management purposes the Group is organised into three strategic units:

- Corporate head office in Australia
- Technology development based in Singapore – operations
- Operations based in Indonesia and China

Such structural organisation is determined by the nature of risks and returns associated with each business segment and define the management structure as well as the internal reporting system. It represents the basis on which the Group reports its primary segment information to the Board.

The operating segment analysis presented in these preliminary financial statements reflects operations analysis by business. It best describes the way the Group is managed and provides a meaningful insight into the business activities of the Group.

The following table presents details of revenue and operating loss by business segment as well as reconciliation between the information disclosed for reportable segments and the aggregated information in the preliminary financial statements. The information disclosed in the table below is derived directly from the internal financial reporting system used by the Board of Directors to monitor and evaluate the performance of our operating segments separately.
