EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://vr8.global/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR JURIE WESSELS

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Jurie Wessels, who has served as a Director since 26 July 2019 and was last re-elected on 29 November 2021, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Mr Jurie Wessels has over 27 years' experience in the exploration industry and co-founded a number of exploration and mining companies, including Bauba Resources Ltd (BAU.J – now unlisted), GoldStone Resources Ltd (GRL.L), Arcadia Minerals Ltd (AM7.ASX) and Vanadium Resources Ltd (VR8.ASX). Mr Wessels has significant experience in the sourcing and assessment of exploration and exploitation projects and in the governance, funding and management of resource companies. Mr Wessels explored for various minerals in Africa, South America, the Indian sub-continent and Europe, and explored and developed several mining projects to successful conclusion. Mr Wessels practised as a minerals lawyer up to 2003 but still is admitted as an attorney (non-practising) and a notary of the High Court of South Africa. During the past three years, Mr Wessels has the following directorships in other ASX listed companies: Arcadia Minerals Limited (current).

3.3 Independence

If re-elected the Board does not consider Mr Wessels will be an independent Director.

3.4 Board recommendation

The Board has reviewed Mr Wessels's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Wessels and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTIONS 3 AND 4 – RATIFICATION OF PRIOR ISSUE OF SHARES - LISTING RULES 7.1 AND 7.1A

4.1 General

The Company entered into a subscription agreement on 2 May 2023 (as varied on 30 June 2023) with Matrix Resources (Zhejiang) Co. Ltd (**Matrix**), a wholly owned subsidiary of Zhejiang Lygend Investment Co. Ltd whereby the Company agreed to issue Matrix 53,763,800 Shares at an issue price of \$0.11 per Share (**Matrix Shares**) to raise \$5,910,000 (which represented a 9.99% stake in the Company) (**Subscription Agreement**).

A summary of the material terms and conditions of the Subscription Agreement is set out in Schedule 1.

5,322,563 Matrix Shares were issued pursuant to the Company's capacity under Listing Rule 7.1 (being, the subject of Resolution 3) and 48,441,237 Matrix Shares were issued pursuant to the Company's 7.1A mandate which was approved by Shareholders at the annual general meeting held on 29 November 2023 (being the subject of Resolution 4).

The issue of the Matrix Shares did not breach Listing Rule 7.1 at the time of the issue.

4.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 5 being passed by the requisite majority at this Meeting.

The issue of the Matrix Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of issue of the Matrix Shares.

4.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Matrix Shares.

Resolutions 3 and 4 seek Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Matrix Shares.

4.4 Technical information required by Listing Rule 14.1A

If Resolutions 3 and 4 are passed, the Matrix Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Matrix Shares.

If Resolutions 3 and 4 are not passed, the Matrix Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue

without Shareholder approval over the 12 month period following the date of issue of the Matrix Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 5 being passed at this Meeting.

4.5 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolutions 3 and 4:

- (a) the Matrix Shares were issued to Matrix Resources (Zhejiang) Co. Ltd;
- (b) 53,763,800 Matrix Shares were issued on the following basis:
 - (i) 5,322,563 Shares issued pursuant to Listing Rule 7.1 (ratification of which is sought under Resolution 3); and
 - (ii) 48,441,237 Shares issued pursuant to Listing Rule 7.1A (ratification of which is sought under Resolution 4);
- (c) the Matrix Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Matrix Shares were issued on 26 May 2023;
- (e) the issue price was \$0.11 per Matrix Share under both the issue of Shares pursuant to Listing Rule 7.1 and Listing Rule 7.1A. The Company has not and will not receive any other consideration for the issue of the Matrix Shares;
- (f) the purpose of the issue of the Matrix Shares was to raise \$5,910,000, which is being applied towards progressing FEED, complete additional technical work & critical pathways to construction and grow the operations team as the Company moves towards FID; and
- (g) the Matrix Shares were issued to Matrix under the Subscription Agreement. A summary of the material terms of the Subscription Agreement is set out in above at Section 4.1.

5. RESOLUTION 5 – APPROVAL OF 7.1A MANDATE

5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$32,290,570 (based on the number of Shares on issue and the closing price of Shares on the ASX on 27 September 2023).

Resolution 5 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 5 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

5.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 5:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 5.2(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for continued development of the Steelpoortdrift Vanadium Project to the stage where a final investment decision can be made on the construction of a mine and concentrator facility at Steelpoortdrift and a salt roast leach facility at Tweefontein and/or general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 27 September 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.030	\$0.060	\$0.09
			50% decrease	Issue Price	50% increase
Funds Raised					
Current	538,176,174	53,817,617	\$1,614,528	\$3,229,057	\$4,843,585
50% increase	807,264,261	80,726,426	\$2,421,792	\$4,843,585	\$7,265,378
100% increase	1,076,352,348	107,635,234	\$3,229,057	\$6,458,114	\$9,687,171

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 538,176,174 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 27 September 2023 (being \$0.06).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.

5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 29 November 2022 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 14 November 2022, the Company issued 48,441,237 Shares pursuant to the Previous Approval (**Previous Issue**), which represent approximately 9.95% of the total diluted number of Equity Securities on issue in the Company on 14 November 2022, which was 486,737,374.

Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting are set out below.

The following information is provided in accordance with Listing Rule 7.3A.6(b) in respect of the Previous Issue:
