EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the Annual General Meeting to be held at **2:00pm (WST) on Wednesday, 22 November 2023** at the Celtic Club, 48 Ord Street, West Perth, Western Australia.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on all the Resolutions in the accompanying Notice of Annual General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting.

Capitalised terms in this Explanatory Statement are defined in the Glossary or otherwise in the Explanatory Statement.

1. ANNUAL REPORT

Section 317 of the Corporations Act requires the reports of the directors and of the auditors and the Annual Report, including the financial statements, to be put before the Annual General Meeting and the Constitution provides for those reports and statements to be received and considered at the Annual General Meeting.

Neither the Corporations Act nor the Constitution requires a vote of Shareholders at the Annual General Meeting on the reports or statements. However, Shareholders will be given the opportunity to raise questions on the reports and the statements at the Annual General Meeting.

The Company's 2023 Annual Report is available at www.triangleenergy.com.au. Those shareholders that elected to receive a printed copy of the Annual Report will have received a copy with this Notice of Annual General Meeting.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report;
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- (a) the preparation and the content of the Auditor's Report;
- (b) the conduct of the audit;
- (c) accounting policies of the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than five business days before the Meeting to the Company Secretary at the Company's registered office.

2. RESOLUTION 1 – ADOPTION OF THE REMUNERATION REPORT

2.1 General

The Remuneration Report is in the Directors' Report section of the Annual Report.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out remuneration details for each Director and each of the Company's executives named in the Remuneration Report for the financial year ended 30 June 2023.

Section 250R(2) of the Corporations Act requires companies to put a resolution to their members that the Remuneration Report be adopted. The vote on this resolution is advisory only and does not bind the Board or the Company. The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

The Chairperson will give Shareholders a reasonable opportunity to ask questions about or to make comments on the Remuneration Report.

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution that a further meeting is held at which all of the Company's Directors (other than the Managing Director) must stand for re-election (**Spill Resolution**). Voting on this resolution will be determined by a poll at the meeting.

Shareholders voted in favour (94.35%) of the Remuneration Report at the 2022 Annual General Meeting. Accordingly, a Spill Resolution will not under any circumstances be required for this year's Annual General Meeting.

2.2 Board Recommendation

The Directors decline to make a recommendation as to how Shareholders should vote on Resolution 1 as they each have an interest in the outcome of the Resolution.

A voting prohibition statement applies to this Resolution.

2.3 Undirected Proxies

The Chairperson intends to exercise all undirected proxies in favour of Resolution 1. If the Chairperson of the Meeting is appointed as your proxy and you have not specified the way the Chairperson is to vote on Resolution 1, by signing and returning the Proxy Form, the Shareholder is considered to have provided the Chairperson with an express authorisation to vote the proxy in accordance with the Chairperson's intention.

Any undirected proxies held by any other Key Management Personnel or any of their closely related parties will not be voted on this resolution.

3. RESOLUTION 2 – RE-ELECTION OF MR GREG HANCOCK AS A DIRECTOR

3.1 General

Resolution 2 is an ordinary resolution to approve the re-election of Mr Greg Hancock as Director.

ASX Listing Rule 14.4 and clause 7.2(a) of the Company's Constitution provide that a re-election of Directors must be held at each annual general meeting. The Directors (excluding the Managing Director) must not hold office without re-election past the third annual general meeting following that Director's appointment, or three years, whichever is longer.

Clause 7.3 of the Company's Constitution also provides that a Director who retires in accordance with clause 7.2(a) and ASX Listing Rule 14.4 (as applicable) is eligible for re-election. Mr Greg Hancock was elected at the Annual General Meeting held on 24 November 2022 and accordingly, retires and being eligible, seeks re-election pursuant to Resolution 2.

If Resolution 2 is passed, Mr Greg Hancock will be re-elected as a Director.

If Resolution 2 is not passed, Mr Hancock will not be re-elected as a Director and the Company may have less than three Directors on the Board, in which case the Company will immediately appoint a new Director to the Board as a casual vacancy in accordance with the Constitution to ensure the Company has the requisite number of directors required by the Corporations Act.

3.2 Biography

Mr Greg Hancock has over 25 years' experience in capital markets practising in the area of Corporate Finance. He has extensive experience in both Australia and the United Kingdom. In this time, he has specialised in mining and natural resources and has a background in the finance and management of small, listed companies. He was the founding shareholder and first Chairman of Cooper Energy Ltd (ASX: COE), an Australian oil and gas producer with operations in the Cooper, Otway and Gippsland basins.

In addition, Mr Hancock is the Non-Executive Chairman of ASX listed companies Ausquest Ltd, BMG Resources Ltd and LSE Listed Cobra Resources plc. He is also a Non-Executive Director of Golden State Mining Ltd and Group 6 Metals Ltd (formerly King Island Scheelite Ltd).

Mr Hancock continues his close association with the capital markets in Australia and the United Kingdom through his private company Hancock Corporate Investments Pty Ltd and has been involved in the transition of Strata X Energy Ltd to Pure Hydrogen Ltd and the ongoing reformation of Zeta Petroleum plc.

Mr Hancock is also a member of the Company's Remuneration and Nomination Committee and the Audit and Risk Management Committee.

The Company confirms that it took appropriate checks into Mr Hancock's background and experience and that these checks did not identify any information of concern. Mr Hancock has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

If re-elected, Mr Greg Hancock is considered to be an independent Director and is not considered by the Board to hold any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the entity as a whole rather than in the interests of an individual security holder or other party.

3.3 Board Recommendation

The Board (other than Mr Hancock who has a personal interest in the outcome of this Resolution) supports the election of Mr Hancock and recommends that Shareholders vote in favour of Resolution 2.

The Chairperson intends to exercise all available proxies in favour of Resolution 2.

4. RESOLUTION 3 – RATIFICATION OF SHARES ISSUED TO KEY PETROLEUM LTD

4.1 General

On 21 September 2022, the Company announced the completion of the purchase of the remaining 50% interest in Permit L7 and the purchase of the remaining 86.942% interest in Permit EP437 from Key Petroleum Limited (ASX: KEY). The purchase, in addition to the previously announced acquisition of a 13.058% interest from Pilot Energy Ltd (ASX: PYG) in EP437, resulted in Triangle now owning a 100% interest in both Permits.

The acquisitions were a strategic step forward for the Company which enhanced the value of these blocks to Triangle and coincided with the interpretation of the Bookara 3D seismic survey shot earlier in 2022 and completed an agreement which was originally signed in 2021.

Triangle effectively purchased the Key Petroleum subsidiaries which held interests in the L7 and EP437 permits. By way of background, Key Petroleum (Australia) Pty Ltd held a 50% interest in the L7 permit and a 43.471% interest in Permit EP 437, and Key Midwest Pty Ltd held a 43.471% interest in Permit EP 437.

Further to the acquisition of the subsidiary companies, Triangle Energy purchased the 5% Petroleum Production Royalty from Key Petroleum, which increased the value of the permits to both Triangle and potential future partners.

The transaction costs for both purchases included the payment of the final \$100,000 due on the purchase of the interests, a further \$500,000 cash payment on completion and the issue of \$500,000 worth of Triangle Energy shares on or before 30 June 2023.

On 21 March 2023 the Company issued a total of 31,378,015 fully paid ordinary shares (**Shares**) to Key Petroleum, comprising:

- (a) 19,067,318 Shares issued at \$0.01311 per Share based on the 10-day VWAP to the completion date of 30 September 2022 (for a total of \$250,000); and
- (b) 12,310,697 Shares issued at \$0.02031 per Share based on the 10-day VWAP to 31 December 2022 (for a total of \$250,000).

The average issue price of these Shares was \$0.015935 per Share (calculated as \$500,000 divided by 31,378,015 Shares).

4.2 Requirement for Shareholder Approval

As described in section 4.1 above, the Company issued a total of 31,378,015 Shares using its issuing capacity under Listing Rule 7.1.

Approval for the ratification of the issue of the Shares pursuant to Resolution 3 is sought for the purpose of Listing Rule 7.4, and for all other purposes.

If Resolution 3 is approved, the issue under the Resolution will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, it will not restore the Company's discretionary power to issue further shares up to 15% of the issued capital of the Company under Listing Rule 7.1. This could have negative impacts on the Company's ability to raise funds utilising its available placement capacity.

4.3 ASX Listing Rule 7.4 Information Requirements

Listing Rule 7.1 provides that a company must not issue or agree to issue during any 12-month period any equity securities, or other securities with rights to conversion to equity, if the number of those securities exceeds 15% of the number of securities in the same class on issue at the commencement of that 12-month period without shareholder approval.

Listing Rule 7.4 provides that where an issue of securities made without Shareholder approval under Listing Rule 7.1 is subsequently approved by Shareholders (and the issue did not breach Listing Rule 7.1), the issue of securities will be treated as having been made with approval for the purpose of Listing Rule 7.1.

By ratifying the issue of equity securities, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity under Listing Rule 7.1 without the requirement to obtain prior Shareholder approval. If the issue of equity securities is not ratified, the Company will not have this flexibility until 12 months from the date of issue has passed, being 21 March 2024.

4.4 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the ratification:

(a) Name of recipient

The recipient of the Shares was Key Petroleum Ltd (ASX: KEY).

(b) Number and class of securities issued

The Company issued 31,378,015 fully paid ordinary shares (**Shares**).

- (ii) 12,310,697 Shares at \$0.02031 per Share, based on the 10-day VWAP to 31 December 2022.

The 31,378,015 Shares issued (equivalent to the value of \$500,000) was part of the consideration for the purchase of the remaining 50% interest in Permit L7, the purchase of the remaining 86.942% interest in Permit EP437 as well as for the purchased of the 5% Petroleum Production Royalty from Key Petroleum Ltd.

(f) Summary of material terms of the agreement

The Shares were issued pursuant to a share sale agreement between the Company and Key Petroleum Ltd dated 21 September 2022 (**SSA**). The material terms of the SSA were as follows:

- (i) The Company agreed to purchase the remaining interests in Permits L7 and EP437 for total purchase consideration of \$1,600,000, consisting of:
 - a. 800,000 cash consideration and a total of 31,378,015 Shares issued (equivalent to the value of \$500,000) payable before 30 June 2023 for the remaining shares in Key Petroleum Australia Pty Ltd;

The SSA otherwise contained representations and warranties on terms considered customary and

not unusual for agreements of that nature.

A voting exclusion statement is included in the Notice.

4.5 Directors' Recommendation

Resolution 3 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 3.

The Board unanimously recommend that Shareholders vote in favour of Resolution 3 as this will restore the Company's discretionary power to issue further shares up to 15% of the issued capital of the Company under Listing Rule 7.1.

5. RESOLUTIONS 4(A) & 4(B) – APPROVAL TO GRANT PERFORMANCE RIGHTS TO MESSRS CONRAD TODD & MICHAEL COLLINS

5.1 General

The Company is proposing, subject to obtaining Shareholder approval, to issue the following Performance Rights as short term and long term incentives to:

- (a) Managing Director Mr Conrad Todd (or his nominee) – up to 42,000,000 Performance Rights; and
- (b) Non-executive Director Mr Michael Collins (or his nominee) – up to 11,000,000 Performance Rights.

The Board considers that the issue of Performance Rights is an effective way to align the efforts of Messrs Todd and Collins in seeking to create value for Shareholders. The Board also believes that incentivising with Performance Rights is a prudent means of conserving the Company's available cash reserves, while allowing the Company to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

The Performance Rights are to be issued on the same terms and conditions under the Company's Rights Plan (**Plan**), which was approved by Shareholders at the November 2022 AGM and which is summarised in Schedule 1 to this Explanatory Statement.

The Performance Rights will each convert into a Share for no consideration on exercise once the vesting conditions have been satisfied. The Performance Rights expire 5 years from the date of grant.

If Resolutions 4(a) and 4(b) are passed, the Company will be able to proceed with the issue of the Performance Rights to Messrs Todd and Collins (or their respective nominees).

If Resolutions 4(a) and 4(b) are not passed, the Company will not be able to proceed with the issue of the Performance Rights to Messrs Todd and Collins (or their respective nominees), and the Company will have to consider other forms of performance-based remuneration, which may include the payment of cash.

5.2 Vesting Conditions

The vesting of the Performance Rights is subject to the satisfaction of the following performance conditions.

The Board will have the unfettered and absolute right to determine and confirm whether vesting conditions have been met in respect of each and all Tranches. In making its determination, the Board will recognise the relevant Tranche objective at the end of the applicable vesting period and have regard to the implementation of the business plan, as well as other proposals endorsed by the Board as part of its ongoing review of strategy.

Vesting conditions will be a Shareholder aligned measure (**Total Shareholder Return – TSR**).

The vesting of each Tranche will be measured in absolute terms and relative terms against a defined peer group approved by the Board which is reflective of companies in the same industry with similar issues in respect of organisational size, market capitalisation, geography, life cycle and project complexity as shown in the table below.

5.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of Performance Rights constitutes giving a financial benefit as Messrs Todd and Collins are related parties of the Company by virtue of them being Directors. As such, the Directors consider themselves unable to form a quorum to consider whether one of the exceptions set out in section 210 to 216 of the Corporation Act applies to the issue of Performance Rights, the subject of Resolutions 4(a) and 4(b).

Accordingly, Shareholder approval for the issue of the Performance Rights to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act, specifically:

- (a) Resolution 4(a) – Mr Conrad Todd; and
- (b) Resolution 4(b) – Mr Michael Collins.

5.4 Listing Rule 10.14

Listing Rule 10.14 requires Shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to:

- (a) a director of the entity;
- (b) an associate of the director; or

- (c) a person whose relationship with the entity, director or associate of the director is, in

ASX's opinion, such that approval should be obtained.

As Shareholder approval is being sought under Listing Rule 10.14, approval under Listing Rules 7.1 or 10.11 is not required. Accordingly, the issue of the Performance Rights will not be included in the use of the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

5.5 Specific information required by Listing Rule 10.15 and section 219 of the Corporations Act

Pursuant to and in accordance with Listing Rule 10.15 and section 219 of the Corporations Act, the following information is provided in relation to the proposed issue of the Performance Rights:

- (a) The Performance Rights will be issued to Messrs Todd and Collins (or their respective nominees) under Resolutions 4(a) and 4(b) respectively.
- (b) Mr Todd is the Managing Director and Mr Collins is a Non-executive Director of the Company. Accordingly, all two Directors fall into the category stipulated by Listing Rule 10.14.1. In the event the Performance Rights are issued to a nominee of a Director, that person will fall into the category stipulated by Listing Rule 10.14.2.
- (c) Under Resolution 4(a) – up to 42,000,000 Performance Rights are proposed to be issued to Mr Conrad Todd (or his nominee), comprising up to 20,000,000 Short Term Incentive Performance Rights and up to 22,000,000 Long Term Incentive Performance Rights.
- (d) Under Resolution 4(b) – up to 11,000,000 Performance Rights are proposed to be issued to Mr Michael Collins (or his nominee), comprising up to 5,000,000 Short Term Incentive Performance Rights and up to 6,000,000 Long Term Incentive Performance Rights.
- (e) The total remuneration package for Messrs Todd and Collins for the previous financial year and the proposed total remuneration package for the current financial year are set out below:

Related Party	Salaries / Directors Fees	Cash benefits	Perf. Rights / Options ²	Current Financial Year FY2024 (Estimate) ⁴	Salaries / Directors Fees	Cash benefits ³	Perf. Rights / Options ²	Year Ended 30 June 2023 (Actual) ¹
Mr Conrad Todd	368,500	-	-	368,500	335,000	80,000	88,581	503,581
Mr Michael Collins	52,800	-	-	52,800	48,000	40,000	23,892	111,892

1. Actual numbers for the previous financial year, that ended on 30 June 2023, are taken from the Company's audited Remuneration Report included within the Company's 2023 Annual Report. Excludes Superannuation as legislated.
2. Performance Rights (Messrs Todd and Collins) are subject to vesting conditions. Options (Mr Hancock) are subject to exercise price. Performance Rights and Options are valued in accordance with AASB 2 Share-Based Payments.
3. Bonus to directors linked to L7 and EP437 farmout and new ventures accomplishments.
4. Excludes any share-based payments which remain subject to shareholders' approval.

Notes:

1. This includes consulting services in excess of normal agreed required days.

- (g) At the Annual General Meeting held on 24 November 2022, Shareholders approved the following issue of Performance Rights which were issued on 30 November 2022:
- (i) 33,771,930 Performance Rights comprising of 13,157,895 Short Term Incentive Performance Rights and 20,614,035 Long Term Incentive Performance Rights issued to Mr Conrad Todd (or his nominee); and
 - (ii) 9,000,000 Performance Rights comprising of 4,000,000 Short Term Incentive Performance Rights and 5,000,000 Long Term Incentive Performance Rights issued to Mr Michael Collins (or his nominee).
- (h) The proposed Performance Rights will be issued on the terms and conditions of the Plan – set out in Schedule 1, with the key terms of the proposed Performance Rights summarised in Schedule 2 to this Explanatory Statement.
- (i) In addition to the reasons set out in section 5.1 above, the Company has agreed to issue the Performance Rights to Messrs Todd (Resolution 4(a)) and Collins (Resolution 4(b)) subject to Shareholder approval for the following reasons:
- (i) the Performance Rights are unquoted; therefore, the issue of the Performance Rights has no immediate dilutionary impact on Shareholders;
 - (ii) the deferred taxation benefit which is available to Messrs Todd and Collins in respect of an issue of Performance Rights is also beneficial to the Company as it means the related party is not required to immediately sell the Performance Rights to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.
- (j) The value attributed by the Company to the Performance Rights proposed to be issued is as follows:

	Conrad Todd	Michael Collins
Short Term Incentive Performance Rights	\$410,000	\$102,500
Long Term Incentive Performance Rights	\$451,000	\$123,000
Total	\$861,000	\$225,500

These valuations are calculated based on the assumptions that all the target vesting conditions are satisfied, and based on the Share price of \$0.0205 being the 10-day VWAP to 2 October 2023.

- (k) If the Performance Rights issued to Messrs Todd (42 million Performance Rights) and Collins (11 million Performance Rights) are exercised, a total of 53 million Shares would be issued. This will increase the number of Shares on issue from 1,375,917,720 (being the total number of Shares on issue as at the date of this Notice) to 1,428,917,720 (assuming that no Shares are issued and no convertible securities vest or are exercised) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 3.71%.
- (l) If any of the vesting conditions are met and the Performance Rights are converted into Shares, the issue of such Shares may be a perceived cost to the Company.
- (m) The trading history of the Shares' closing prices on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	\$0.027	27 January 2023
Lowest	\$0.013	4, 18, 19, 28, 31 October 2022 and 1 November 2022
Last	\$0.018	2 October 2023

- (n) As the Performance Rights proposed to be issued to Messrs Todd (Resolution 4(a)) and Collins (Resolution 4(b)) effects these two Directors, each Director has a material personal interest in the outcome of these Resolutions respectively on the basis that these two Directors (or their nominees) are to be issued Performance Rights should Resolutions 4(a) and 4(b) be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on any of Resolutions 4(a) and 4(b) of this Notice.
- (o) The relevant interests of Messrs Todd and Collins in securities of the Company as at the date of this Notice are set out below:

Holder	Shares	Options	Performance Rights
Conrad Todd	11,662,820	1,923,077 ¹	13,157,895 Short-term 20,614,035 Long-term
Michael Collins	4,345,156	1,923,077 ¹	4,000,000 Short-term 5,000,000 Long-term

Notes:

1. Unquoted Options exercisable at \$0.025 each, expiring 30 June 2025.

- (p) The Performance Rights are intended to be issued as soon as practicable following the receipt of approval at the Meeting and in any event, will be issued no later than three years after the date of the Meeting if the required approval is received.
- (q) The Performance Rights will be issued for nil cash consideration as they will be issued as part of Messrs Todd and Collins' remuneration incentive packages.
- (r) A summary of terms of the Rights Plan is set out in Schedule 1 to this Explanatory Statement and a summary of the terms and conditions of Performance Rights is set out in Schedule 2 to this Explanatory Statement.
- (s) No loan will be provided to either Messrs Todd and Collins in relation to the issue of the Performance Rights.
- (t) Details of any Securities issued under the Rights Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.
- (u) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after this Resolution is approved and who were not named in the Notice will not participate until approval is obtained under that rule.
- (v) The Board is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass Resolution 4(a) (Mr Todd) or Resolution 4(b) (Mr Collins).
- (w) A voting exclusion statement is included in the Notice.

6. RESOLUTION 5 – APPROVAL OF 10% PLACEMENT FACILITY

6.1 General

ASX Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. Accordingly, the Company is an eligible entity for the purposes of Listing Rule 7.1A.

The Company is seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 6.2(c) below).

If Resolution 5 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A, without any further shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

The Directors of the Company believe that Resolution 5 is in the best interests of the Company because if exploration success is achieved at its Western Australian projects, or if additional capital is needed for new acquisitions and/or for other company related matters (including general working capital purposes), in particular over the next 12 months, this resolution provides the ability for the Company to raise additional funds quickly.

6.2 Description of ASX Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting. Accordingly, at least 75% of votes cast by Shareholders present (in person, or by proxy or representative) and eligible to vote at the Meeting must be in favour of Resolution 5 for it to be passed.

(b) Equity securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue three classes of Equity Securities, namely quoted Shares, unquoted Options and Performance Rights.

(c) Formula for calculating 10% Placement

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

where

A = The number of fully paid ordinary shares on issue at the commencement of the 12 months immediately preceding the date of issue or agreement to issue:

- plus the number of fully paid ordinary securities issued in the 12 months under an exception to Listing Rule 7.2 other than exception 9, 16 or 17;
- plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue the convertible securities was approved or taken under these rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the relevant period; and
- less the number of fully paid ordinary securities cancelled in the last 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D = 10%

E = the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the last 12 months immediately preceding the date of issue of the securities where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1. At the date of this Notice, the Company has on issue 1,375,917,720 Shares, meaning the Company has the capacity to issue:

- (i) 206,387,658 Equity Securities under Listing Rule 7.1; and
- (ii) if approval under this Resolution 5 is obtained, 137,591,772 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 6.2(c) above).

(e) 10% Placement period

The 10% Placement Period is defined in section 6.3(a) below.

6.3 Listing Rule 7.3A Information Requirements

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

(a) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;

- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of the approval by shareholders of ordinary securities of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) (**10% Placement Period**).

(b) Minimum Issue Price

The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(c) Purpose for which the 10% Placement Facility may be implemented

The Company may seek to issue the Equity Securities for cash consideration in which case the Company intends to use the funds raised towards an acquisition of new resource assets or investments (including expenses associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or for general working capital.

The Company will comply with the disclosure obligations under Listing Rule 7.1A(4) upon issue of any Equity Securities.

(d) Risk of economic and voting dilution

If Resolution 5 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Unlisted Options, only if the Unlisted Options are exercised). There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2	Dilution			
		\$0.011 50% decrease in Issue Price	\$0.022 Issue Price	\$0.033 50% increase in Issue Price
Current Variable A 1,375,917,720 Shares	10% Voting Dilution Funds raised	137,591,772 Shares \$1,513,509	137,591,772 Shares \$3,027,019	137,591,772 Shares \$4,540,528
50% increase in current Variable A 2,063,876,580 Shares	10% Voting Dilution Funds raised	206,387,658 Shares \$2,270,264	206,387,658 Shares \$4,540,528	206,387,658 Shares \$6,810,793
100% increase in current Variable A 2,751,835,440 Shares	10% Voting Dilution Funds raised	275,183,544 Shares \$3,027,019	275,183,544 Shares \$6,054,038	275,183,544 Shares \$9,081,057

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (ii) No options or performance rights are exercised into Shares before the date of the issue of the Equity Securities.
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
 - (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes options, it is assumed that those options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - (vii) The issue price is \$0.022, being the closing price of the Shares on ASX on 2 October 2023.
- (e) **Allocation policy when the 10% Placement Facility may be implemented**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice. However, the recipients of Equity Securities could consist of current Shareholders and/or

new Shareholders (or both), none of whom will be related parties or associates of a related party of the Company.

(f) Prior Approvals under Listing Rule 7.1A

The Company has previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 24 November 2022. However, the Company has not issued or agreed to issue Equity Securities under ASX Listing Rule 7.1A2 in the 12 months preceding the date of this Notice of Meeting.

(g) Voting Exclusion

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities utilising this 10% Placement Facility. No existing Shareholder's votes will therefore be excluded under the voting.

6.4 Board Recommendation

Resolution 5 is a special resolution, which requires a minimum of 75% of the votes cast. The Board unanimously recommend that Shareholders vote in favour of Resolution 5 as this will enable the Company to conserve its cash, and provide the Board the ability to issue Equity Securities in the event of a capital raise in excess of the Company's 15% placement capacity. The Chairperson intends to exercise all available proxies in favour of Resolution 5.

SCHEDULE 1 – SUMMARY OF RIGHTS PLAN

Summary of the Triangle Energy (Global) Limited Rights Plan (**Plan**):

- (i) Rights may not be disposed of or transferred or otherwise dealt with (including for purposes of this Rule, encumbered or made subject to any interest in favour of any other person) and will lapse immediately on purported disposal, transfer or dealing unless the transfer is effected by operation of law on death or legal incapacity to the Participant’s legal personal representative.
- (j) The “**Measurement Period**” applicable to Rights (or a tranche of Rights), being the period in relation to vesting conditions are to be met, will be specified in an Invitation.
- (k) The Rights granted under the Plan will be subject to vesting conditions determined by the Board from time to time and expressed in a written offer made by the Company to the Eligible Employee which is subject to acceptance by the Eligible Person within a specified period. The vesting conditions of Rights may relate to:
 - (i) performance of the Company or an aspect of the Company’s operations or the performance of the Participant; or
 - (ii) continued service of the Participant with the Group; or
 - (iii) any combination of the foregoing determined by the Board.The Board determines whether vesting conditions have been met.

- (m) All Shares acquired by Participants as a consequence of the exercise of Rights are initially “Restricted Shares” and shall be subject to a disposal restriction, being that such Shares may not be sold or disposed of in any way until their sale would not breach either the Company’s share trading policy or Division 3 of Part 7.10 of the Corporations Act, following expiry of the Specified Disposal Restriction (as defined), if any, applicable to the Shares.
- (n) In the event that the Board forms the opinion that a Participant has committed an act of fraud, defalcation or gross misconduct in relation to the Group Company, the Participant will forfeit all unvested Rights.
- (o) The Board has sole discretion to determine that some or all unvested Rights held by a Participant lapse on a specified date if allowing the Rights to vest would, in the opinion of the Board, result in an inappropriate benefit to the Participant.
- (p) In cases of bonus share issues by the Company the number of Rights held by a Participant shall be increased by the same number as the number of bonus shares that would have been received by the Participants had the Rights been fully paid ordinary shares in the Company, except in the case that the bonus share issue is in lieu of a dividend payment, in which case no adjustment will apply.
- (q) In the case of other capital reconstructions the Board may make such adjustments to the Rights as it considers appropriate with a view to ensuring that holders of Rights are neither advantaged nor disadvantaged.
- (r) In the case of general rights issues to Shareholders there will be no adjustment to the Rights.
- (s) If a Participant ceases to be an employee of a Group Company and is not immediately re-employed by another Group Company then unvested Performance Rights in respect of which the first year of the Measurement Period has not elapsed will be forfeited in the same proportion as the remainder of the first year of the Measurement Period bears to the full year, unless otherwise determined by the Board.
- (t) Performance Rights that do not lapse at the termination of employment will continue to be held by Participants with a view to testing for vesting at the end of the Measurement Period. - (u) If a Participant ceases to be an employee of a Group Company and is not immediately re-employed by another Group Company then Service Rights will be forfeited in the same proportion as the remainder of the Measurement Period bears to the full Measurement Period, unless otherwise determined by the Board and specified in the Invitation. The Board has discretion to determine that any service conditions have been fulfilled at the end of the Measurement Period, regardless of whether or not a Participant remains employed by a Group Company.
- (v) Notwithstanding any other provision in these Rules, the Company is not required to provide or procure the provision of any benefit which would result in a breach by the Company of Division 2 of Part 2D.2 of the Corporations Act relating to termination benefits to any Participants who are the holder of an managerial or executive office unless any prior approval required from the Shareholders for the provision of such a benefit has been sought and obtained by the Company.
- (w) In the event that the Board forms the view that: (i) a Change of Control (as defined), including the case of a takeover, will occur; (ii) a major part of the Company’s assets or operations will imminently cease to be owned by a Group Company due to an intention to sell or separately list those assets or operations; or (iii) a major return of capital to Shareholders will imminently occur; then each tranche of unvested Performance Rights will automatically vest in accordance with the application of a formula as set out in the Plan rules at a date determined by the Board.
