About Aquirian

Aquirian is an emerging specialist mining services company providing people, equipment and innovative products that support mining clients across their operations.

The Company has a strong national and international presence with reputable, in-house capabilities and, through its extensive, in-depth relationships built up over many years of working in mining services locally and globally, it has attracted and maintained a long-term, tier-one client base. It provides specialised People Services (training, labour, recruitment) under the **Modular Training, TBS Workforce** and **Primed Professionals** brands, and Mining Services (equipment leasing, maintenance & repair, engineering services, drill and blast products and onsite field services) under the **Collar Keeper®**, **Cybem Services, TBS Mining Solutions** and **MagLok** brands to the mining and resources, and civil and defence sectors in Australia and internationally.
