Dear Sandra,

**MetalsTech Limited - Request for Voluntary Suspension**

Pursuant to Listing Rule 17.2, MetalsTech Limited (“MetalsTech” or the “Company”) hereby requests that a voluntary suspension of the entity’s securities be granted by the Australian Securities Exchange (“ASX”) in respect of MetalsTech’s securities (ASX: MTC):

In accordance with Listing Rule 17.2, the Company advises:

- That it is seeking a voluntary suspension pending the lodgement of an announcement by the Company in relation to the 100% acquisition of a significant package of exploration licenses prospective for hard-rock lithium, located just 3 km from the Ridge Zone, Main Zone (Jamar) and Far East Zone that form the Adina Lithium Project being developed by Winsome Resources Limited and along the same greenstone belt hosting the recent spodumene discovery on the Galinee Lithium Project (Rio Tinto / Midland Exploration) and the Trieste Lithium Project (Loyal Lithium Limited), in the James Bay region of Quebec, Canada;
- It anticipates that the voluntary suspension end on the earlier of the commencement of normal trading on Wednesday 27 September 2023 or when an announcement is released to the market; and
- MetalsTech is not aware of any reason why the voluntary suspension should not be granted or of any other information necessary to inform the market about the voluntary suspension.

Should you have any further queries, please do not hesitate to contact the undersigned.

Regards,

Gino D’Anna  
Director
