**Concept “3P”
Framework**

A person stands on a dark, silhouetted mountain peak, looking out over a vast, hazy valley at sunset. The sun is low on the horizon, casting a warm, golden glow across the sky and the distant mountains. The sky transitions from a deep blue at the top to a bright orange near the horizon. The valley below is filled with rolling hills and mountains, their details softened by the distance and the low light. The overall mood is one of tranquility and achievement.
