MetalsTech Limited (ASX: MTC) – Reinstatement to Quotation

Description

The suspension of trading in the securities of MetalsTech Limited ('MTC') will be lifted immediately following the release by MTC of an announcement regarding the 100% acquisition of a significant package of exploration licenses prospective for hard-rock lithium, located just 3 km from the Ridge Zone, Main Zone (Jamar) and Far East Zone that form the Adina Lithium Project being developed by Winsome Resources Limited and along the same greenstone belt hosting the recent spodumene discovery on the Galinee Lithium Project (Rio Tinto / Midland Exploration) and the Trieste Lithium Project (Loyal Lithium Limited), in the James Bay region of Quebec, Canada.
