MCP™ Patent Granted in USA

Aurora Labs Limited ("A3D" or "the Company") (ASX:A3D) is pleased to announce that our primary MCP™ patent has been granted in the USAⁱ.

This completes A3D's Large Format Multi-layer Printer patent coverage for its MCP™ technology across major global jurisdictions including Australia, China, Japan, Germany, France and Great Britain. This formalises the outcome of the acceptance process originally advised by the US patent office in December 2022ⁱⁱ.

A3D is pleased to have secured protection of the MCP™ technology, as this feeds into current negotiations regarding development of MCP™ application into large scale bespoke production applications.

Aurora Labs is listed on the Australian Securities Exchange (ASX: A3D)

FORWARD LOOKING STATEMENTS

This announcement contains forward-looking statements which incorporate an element of uncertainty or risk, such as 'intends', 'may', 'could', 'believes', 'estimates', 'targets' or 'expects'. These statements are based on an evaluation of current economic and operating conditions, as well as assumptions regarding future events.

These events are, as at the date of this announcement, expected to take place, but there cannot be any guarantee that such events will occur as anticipated or at all given that many of the events are outside Aurora's control.

Accordingly, Aurora and the directors cannot and do not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained in this announcement will actually occur.

For further information, please contact: enquiries@auroralabs3d.com
