

**Austral Resources Australia Ltd
Annual General Meeting Presentation
Dan Jauncey | Managing Director & CEO**

23 May 2023

DISCLAIMER & COMPETENT PERSONS STATEMENT

Important Notice and Disclaimer

You must read this notice before reading or making any use of this Presentation (defined below) or any information contained in this Presentation. By continuing to read, use or otherwise act on this Presentation, you agree to be bound by the following terms and conditions, including (without limitation) any modifications to them. This Presentation has been prepared by Austral Resources Australia Ltd (ACN142 485 470) (“**Austral**”). This Presentation does not constitute, and is not to be construed as, an offer to issue or sell, or a solicitation of an offer or invitation to subscribe for, buy or sell securities in Austral. The information in this Presentation is general in nature and does not purport to be all inclusive or to contain all information that may be required to evaluate all of the factors that would be relevant to the recipient in considering the Purpose, or otherwise relating to Austral. The information in this Presentation (including any statement of fact or opinion) is subject to change without notice and has not been independently verified by Austral or any third parties (unless otherwise expressly specified). This Presentation has been prepared as of **23 May 2023**. Austral reserves the right in its absolute discretion to alter this Presentation but does not undertake to update this Presentation (except to the extent required by law). To the maximum extent permitted by law, each of Austral and its subsidiaries and controlled affiliates (together, the “**Austral Group**”) and each of their respective directors, officers and employees (together, the “**Representatives**”) expressly exclude and disclaim any obligations or undertaking to release any updates, supplements, corrections or revisions to the information in this Presentation to reflect any matter arising or coming to their notice after the date of this Presentation which may affect any matter referred to in this Presentation.

No Recommendation or Advice

This Presentation is not, and should not be, construed as a recommendation by Austral or its Representatives to you to participate in any transaction. Neither Austral nor its Representatives makes a representation that it has verified the information in this Presentation. The information in this Presentation is of a general nature and does not constitute financial product advice, investment advice or any recommendation to acquire securities nor is it intended to form the basis of any investment decision. Nothing in this Presentation constitutes legal, financial, tax or other advice and should not be relied on by the recipient in considering the merits of any particular transaction. It has been prepared without taking into account the objectives, financial situation, tax situation or needs of individuals. Recipients should consider the appropriateness of the information having regard to their own objectives, financial situation, tax situation and needs and seek legal and taxation advice appropriate for their jurisdiction. Neither this Presentation nor anything contained in it forms the basis of any contract or commitment and it is not intended to induce any person to engage in, or refrain from engaging in, any transaction.

Third Party Information

Certain information in this Presentation has been derived from third parties or publicly available information and the accuracy of that information has not been independently audited or verified by Austral or its Representatives. Accordingly, the accuracy and completeness of that information (and any other information in the Presentation) is not guaranteed. The Presentation Information may contain forward-looking statements with respect to the Austral Group’s businesses and operations, market conditions, results of operations and financial condition, funding requirements and risk management practices. Any forward-looking statements included in this Presentation involve subjective judgment and analysis and are subject to uncertainties, risks and contingencies, many of which are outside the control of, and may be unknown to, Austral or its shareholders or any other person. In particular, they speak only as of the date of this Presentation, they assume the success of Austral’s strategies, and they are subject to significant regulatory, business, competitive and economic uncertainties and risks. Actual future events may vary materially from the forward-looking statements and the assumptions on which the forward-looking statements are based. Recipients of this Presentation (“**Recipients**”) are cautioned to not place undue reliance on such forward-looking statements. Austral makes no representation or warranty as to the accuracy, reliability or completeness of information in this Presentation and does not take responsibility for updating any information or correcting any error or omission which may become apparent after this Presentation has been issued. To the extent permitted by law, Austral and its officers, employees, related bodies corporate and agents (“**Agents**”) disclaim all liability, direct, indirect or consequential (and whether or not arising out of the negligence, default or lack of care of Austral and/or any of its Agents) for any loss or damage suffered by a Recipient or other persons arising out of, or in connection with, any use or reliance on this presentation or information.

Financial Information and Modelling

All amounts in Australian dollars unless stated otherwise. The financial information (and associated modelling and financial analysis) contained in or referred to in this Presentation is current as of the date of this Presentation but is in summary form and indicative only. It has been prepared on the basis of certain assumptions and differs from statutory financial information and does not purport to be the level or type of information that would be required for financial reporting purposes or for any transaction. No representation or warranty (express or implied) is made as to the reasonableness of the assumptions made within, or the accuracy or completeness of, any such financial information, or associated modelling or financial analysis. Any future investor presentation, disclosure document or other material may include more comprehensive financial information (including a comparison between statutory and pro forma financial information).

Competent Persons’ Statement

The information in this announcement that relates to Mineral Assets, Exploration Targets, Exploration Results and Mineral Resources is based on and fairly reflects information compiled and conclusions derived by Mr Ben Coutts, Competent Person who is a Member of the Australasian Institute of Mining and Metallurgy. Mr Coutts is Exploration Manager at Austral, is a geologist and has sufficient experience that is relevant to the style of mineralisation and type of deposit under consideration and to the activity being undertaken to qualify as a Competent Person as defined in the 2012 Edition of the ‘Australasian Code for Reporting of Exploration Results and Ore Reserves (2012 JORC Code)’. Mr Coutts consent to the inclusion in this announcement of the matters based on this information in the form and context in which it appears.

Ore Reserve and Mineral Resource Estimate Statements

Detailed information that relates to Ore Reserves and Mineral Resource Estimates is provided in Austral Resources Prospectus, Section 7, Independent Technical Assessment Report and released as an ASX announcement on 1 November 2021 titled “Prospectus” and further updated on 28 October 2022 as “Lady Colleen Grade Increases by 200%” and in the 2022 Annual Report dated 31 March 2023. The Company confirms that it is not aware of any new information or data that materially affects the estimates of Mineral Resources and Ore Reserves as cross referenced in this release and that all material assumptions and technical parameters underpinning the estimates continue to apply and have not changed. Austral further confirms that all material assumptions underpinning the production target and forecast financial information derived from the production target as announced on 1 November 2021 as “Prospectus” and 15 February 2023 as “Positive Scoping Study for Lady Colleen Copper Project” continue to apply and have not materially changed. Austral confirms that the Company is not aware of any new information or data that materially affects the results cross referenced in this announcement.

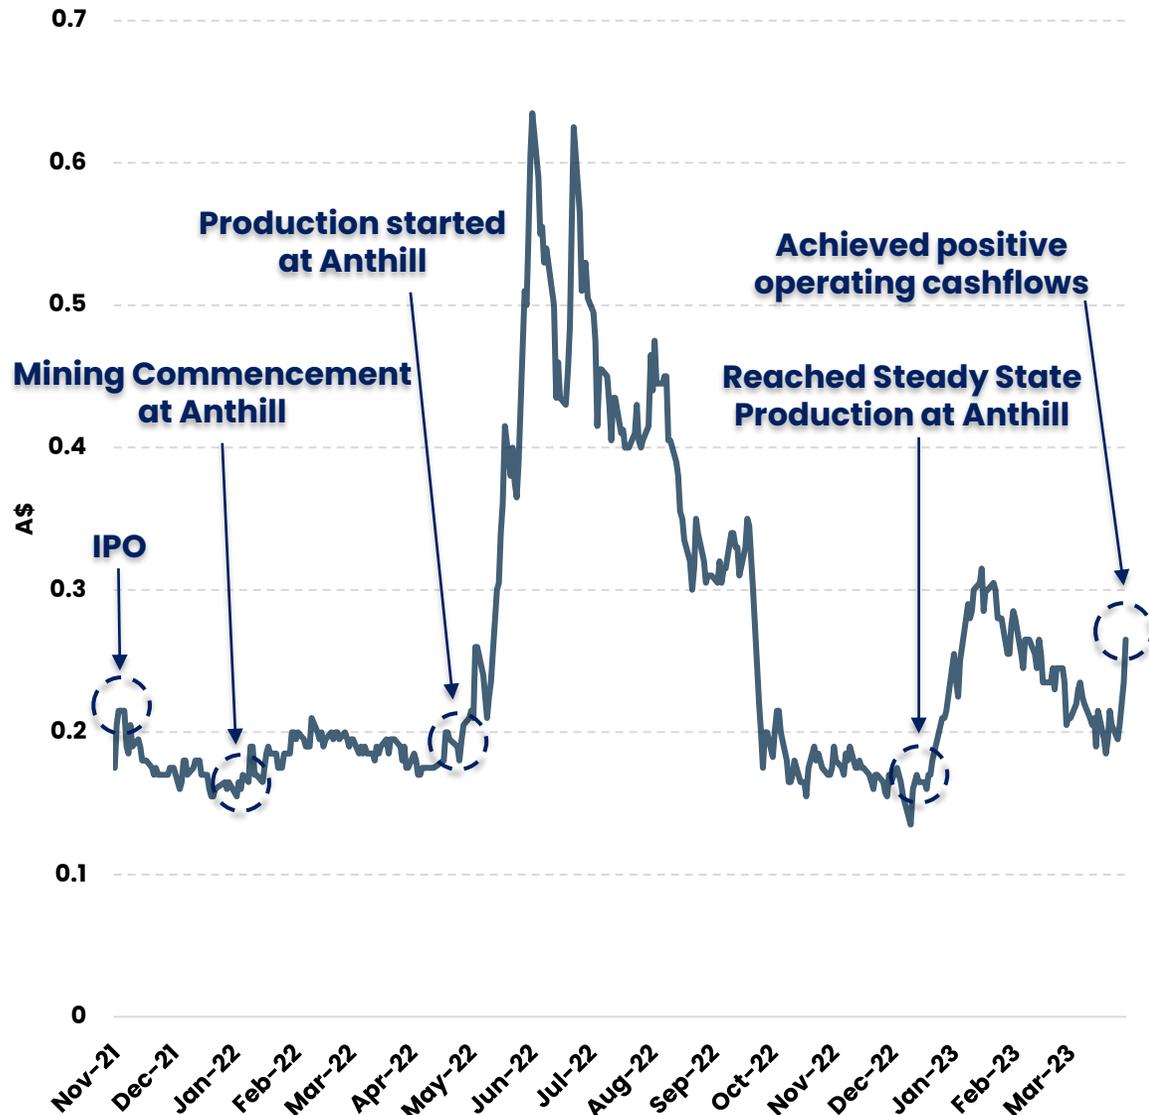

Peer comparisons

The comparative information related to other Australian copper explorers and developers has been sourced from recently published public information on their respective websites.

Approval

This presentation has been approved for release by Managing Director and Chief Executive Officer, Dan Jauncey.

BOARD OF DIRECTORS

Phil Thomas	Chairman
Dan Jauncey	Managing Director and CEO
Michael Hansel	Non-Executive Director

- **Outstanding Sales Revenue of A\$35.5m in Q1-2023**
- **All-in-Costs for Q1-23 were ~US\$2.79 per lb.**
- **Combined EBITDA for Q1-2023 was A\$8.7m.**
- **Average production rate of 30.7 tonnes per day for Q1-23.**
- **Consistent positive operating cashflows achieved every month in 2023, which resulted from optimised mine plan and strong operational management.**
- **No significant safety incidents to report**
- **No serious environmental breaches**

STRATEGIC PARTNERSHIP

THIESS

ANTHILL IS AN OPERATING OPEN-PIT COPPER MINE WHICH HAS SIGNIFICANT INVENTORY AND INFRASTRUCTURE IN PLACE.

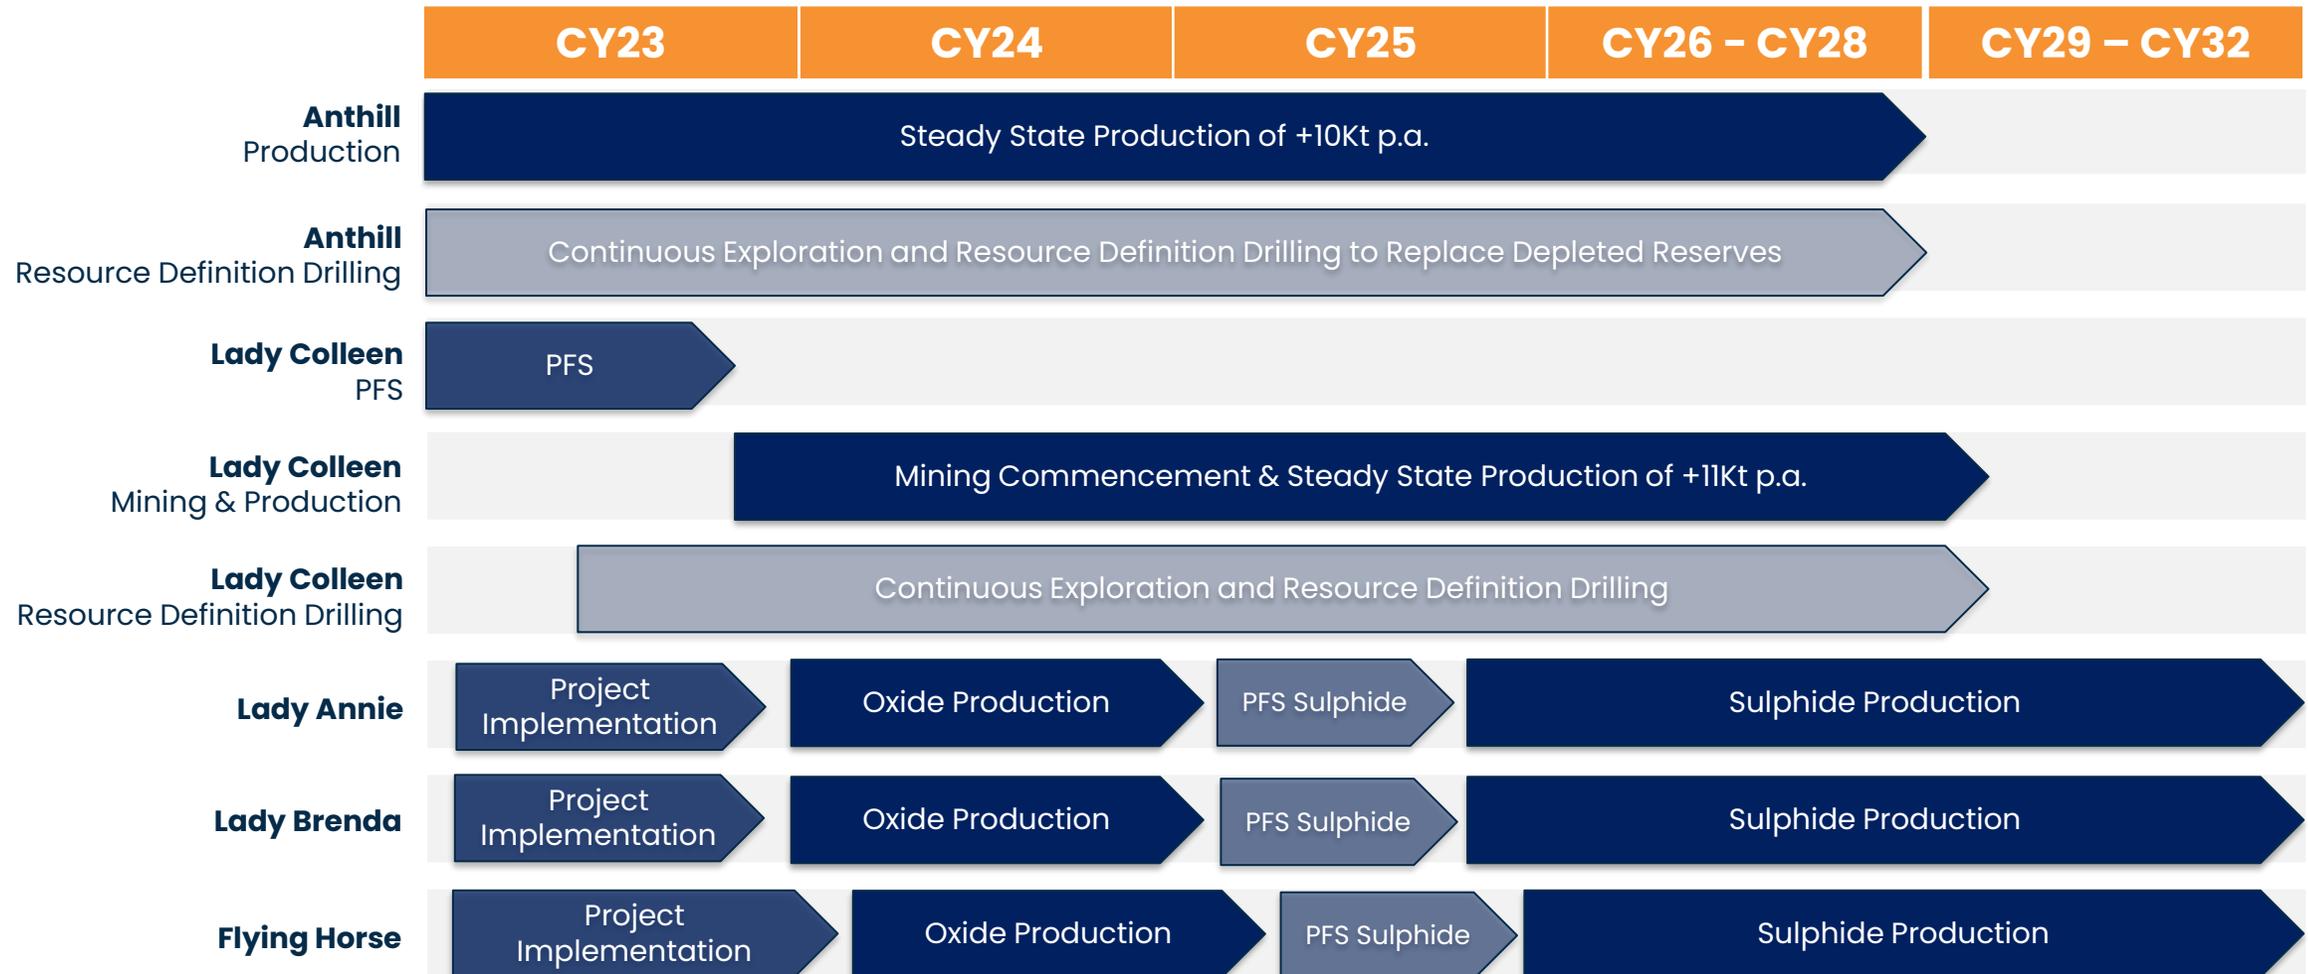

- **Currently producing +10Kt p.a. of LME Grade-A Copper Cathode.**
- **Anthill Resources⁽¹⁾ of 12.5MT grading 0.66% Cu (Contained Copper: 82.7Kt).**
- **Anthill Reserves⁽²⁾ of 4.4Mt grading 0.85% Cu (Contained Copper: 37.5Kt).**
- **Continuous exploration and resource definition drilling being undertaken to replace depleted reserves.**
- **Existing infrastructure at Mt. Clarke includes:**
 - **Solvent Extraction (SX) – Electrowinning (EW) Plant**
 - **Heap-Leach**
 - **Power Station & Storage & Warehouse**
 - **Crushing Circuit**
 - **General Areas (Offices, Workshops, Camp/Village, Yards)**

MINE EXPANSION AND GROWTH TIMELINE

LADY ANNIE MINE COMPRISES A MULTITUDE OF COPPER DEPOSITS WITH ALREADY GRANTED MINING & ENVIRONMENTAL PERMITS. AUSTRAL AIMS TO ACHIEVE PRODUCTION GROWTH AND EXTENSION OF MINE LIFE BEYOND +10 YEARS ORGANICALLY⁽¹⁾.

PHASE 1

- Further Drilling to extend mine life at Anthill.
- Lady Colleen – Progress recent positive scoping study on large, sulphide open-pit operation.

PHASE 2

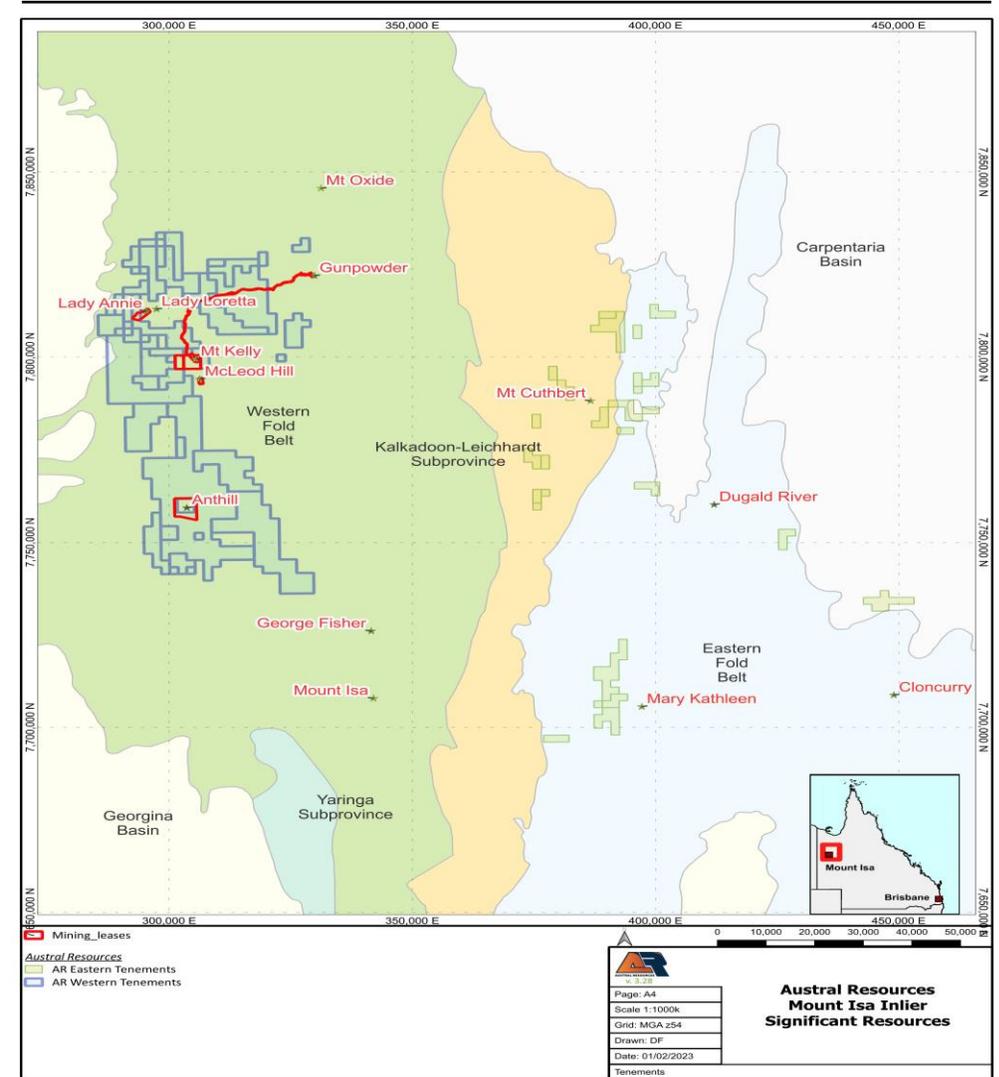

- Exploration to expand existing Oxide Resources (~84Kt of Contained Copper⁽¹⁾).
- Exploration to expand existing Sulphide Resources (~222Kt of Contained Copper⁽¹⁾).

PHASE 3

- Earn-in-Agreements with Glencore to spend A\$6.3m over 4 years – Significant resource extension opportunities.
- Actively seeking for the Joint Venture opportunities to evaluate highly prospective exploration potential.

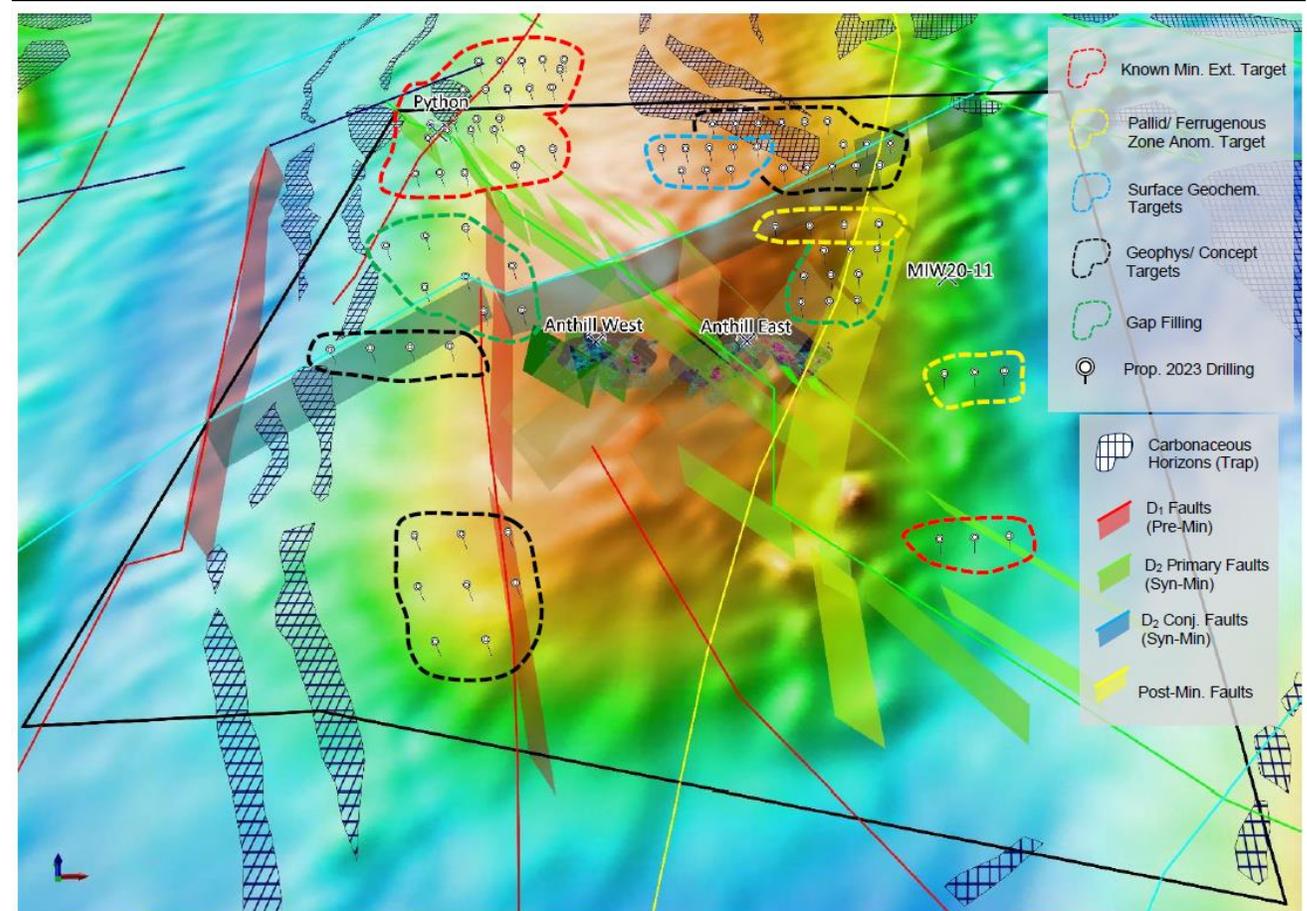

AUSTRAL'S TENURE LOCATION IN QLD

CONSISTENT RESOURCE DEFINITION DRILLING WORK HAS BEEN CONDUCTED TO REPLACE DEPLETED RESERVES, UNDERPINNED BY A SUBSTANTIAL AMOUNT OF HISTORICAL EXPLORATION WORK.

- **Austral’s exploration strategy for Anthill is targeting extensions to the known resource areas, with newer and more sophisticated technology by¹:**
 - **Evaluating prior exploration works.**
 - **Integrating all available geology, geophysics, geochemistry, structural and remote sensing data.**
 - **Integrating mine-scale geological knowledge obtained from the current mining operation into the exploration design, highlighting critical controls on mineralisation.**
 - **Identifying prospective yet untested ground.**
 - **2023 drilling program for a total of at least 2,000m.**

OBLIQUE PLAN VIEW OF GEOLOGY AND 2023 DRILLING ACROSS THE ANTHILL ML

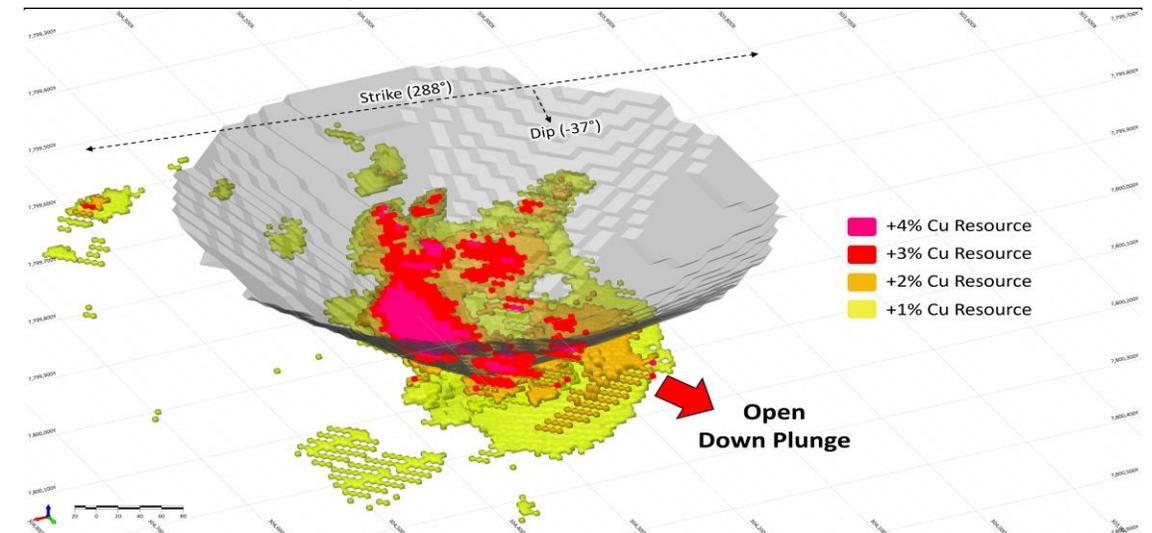

THE SCOPING STUDY PREPARED BY CSA GLOBAL ESTIMATES A SUBSTANTIAL NPV_{7.5%} OF ~A\$60.5M (PRE-TAX) OVER THE LIFE OF MINE – WITH MATERIAL UPSIDE BASED ON CURRENT COPPER PRICE.

- **The scoping study delivered robust project economics for the Lady Colleen project⁽¹⁾;**
 - Total recovered Cu of ~44Kt from both leach and flotation methods.
 - CI costs of ~US\$2.78⁽²⁾ per lb.
 - Total operating cashflows of ~A\$91.1m
 - IRR (pre-tax) of 38.9%
 - Average payback period of 2.6 years
- **CY2023 Lady Colleen Development Program consists of:**
 - Metallurgical test work (in-progress) for floatation and recovery.
 - Explore high-grade mineralisation along strike and down plunge.
 - Geotechnical and Waste Rock characterisation drilling.
 - Hydrological evaluation.
 - Optimise critical operational metrics like sink rate.

LADY COLLEEN DRILLHOLE MTKD011 @ APPROX. 259M⁽²⁾

LADY COLLEEN OBLIQUE PLAN VIEW OF RESOURCE MODEL AND PIT SHELL

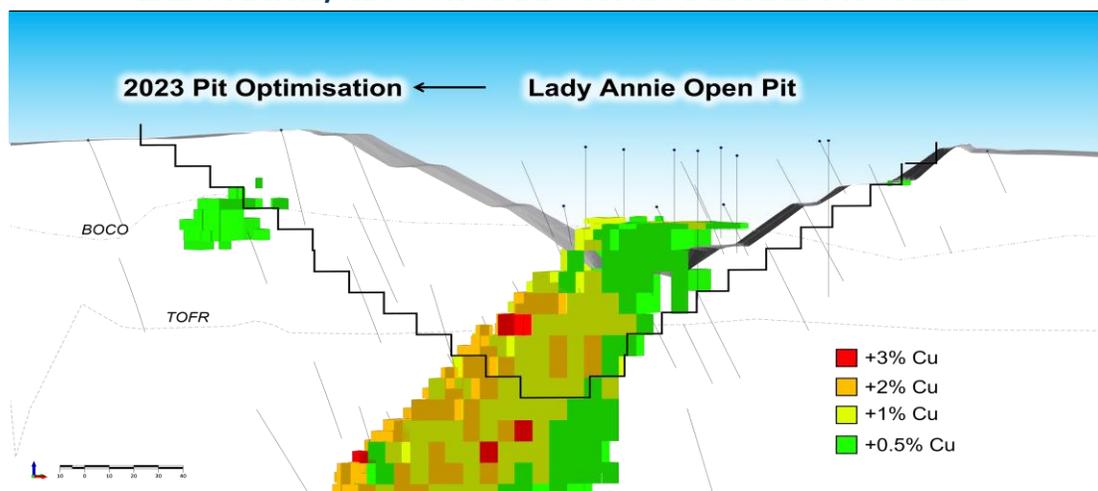

AUSTRAL AIMS TO CONVERT ~84KT OF OXIDE AND ~222.0KT OF SULPHIDE JORC-COMPLIANT MINERAL RESOURCES INTO RESERVES AS WELL AS TO EXPAND EXISTING RESOURCES TO LEVERAGE EXISTING INFRASTRUCTURE.

- **The primary focus for exploration in 2023:**

- Discovery of +40Kt Cu on existing MLs within 50km of the SX-EX plant as oxide (planned 4,600m of drill holes on 4 MLs) and sulphide (planned 2,800m of drill holes on 2 MLs)
- Regional exploration (planned 13,400m of drill holes) across 2,100km² of exploration tenure over 13 highest priorities - including the Busy Bee prospect where recent surface rock samples of copper oxide returned assays of ~+16.1% Cu.

REGIONAL INTERPRETATION OF STRUCTURAL LINKAGE BETWEEN MT ISA AND AUSTRAL WESTERN TENEMENTS

AUSTRAL SEEKS FOR THE VALUE-ACCRETIVE JV OPPORTUNITIES TO EVALUATE HIGHLY PROSPECTIVE EXPLORATION POTENTIAL.

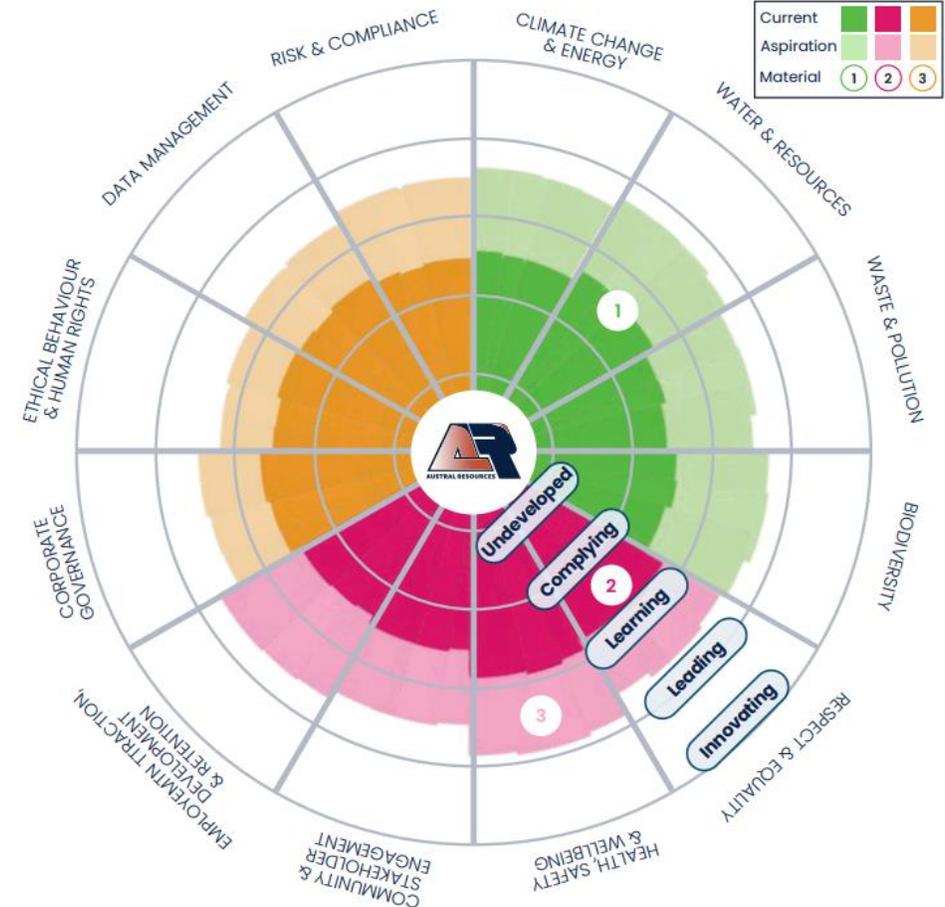

- In Sep-22, Austral entered into binding earn-in agreements with MIM (a subsidiary of Glencore):
 - To explore for copper oxide over its neighbouring Russell Fault tenement and
 - For MIM to explore Austral tenements surrounding MIM's Lady Loretta and Austral's Lady Annie mine.
- Under the earn-in agreements, Austral obtains up to a 65% interest in the Russell Fault Exploration Area by spending A\$2M over 4 years, while MIM acquires up to a 65% interest in Austral's tenements by spending A\$6.3m over 4 years.
- Austral has evaluated all pertinent exploration data from MIM for the Russell Fault tenement and has identified copper prospects for follow-up in 2023.

STRONG ALIGNMENT WITH ESG FUNDAMENTALS

SUSTAINABLE DEVELOPMENT GOALS (SDG) ALIGNMENT
