Dear Sean,

Request for Trading Halt

Pursuant to ASX Listing Rule 17.1, the directors of Linus Technologies Limited (ASX: LNU) request an immediate trading halt over the Company's securities, pending the release of an announcement to the market.

This request is made because the Company is finalising a capital raising initiative.

The trading halt is requested from the commencement of trading on Friday, 18 November 2022 until the commencement of trading on Tuesday, 22 November 2022 or upon the release by the Company of an announcement to the market regarding the capital raising and the issue of securities.

The Directors are not aware of any reason why a trading halt should not be granted.

Yours faithfully

Giuseppe Rinarelli
Company Secretary
