ASX ANNOUNCEMENT

Appointment of highly experienced mining executive as Chief Financial Officer

Rumble Resources Limited (ASX: RTR) ("Rumble" or "the Company") is pleased to announce the appointment of highly experienced mining executive, Mr Trevor Hart, CPA, CSA, BBus, as Chief Financial Officer of the Company.

Mr. Hart is a Certified Practicing Accountant and Chartered Secretary with a Bachelor of Business in Accounting and has over 25 years in the resources and mining services industry. He has been involved in the financial management of mineral and resources focused ASX public listed companies serving on the board and in the executive management team focused on advancing and developing mineral resource assets and business development.

Prior to joining Rumble, Trevor held senior financial positions in ASX listed companies with the most recent being with Develop Global Limited (ASX: DVP) as CFO and Company Secretary, where he was instrumental in Develop's transformation and recapitalisation, including the acquisition of the Woodlawn Zinc/Copper mine and the commencement of an underground mining services contracting business.

Rumble's Managing Director Shane Sikora said "We are delighted to have attracted such a highly regarded mining executive like Trevor to the management team. Trevor's recent experience with Develop on the Sulphur Springs Copper-Zinc Deposit and his key dealings on the recent Woodlawn Zinc-Copper project transaction, along with over 25 years' experience as a CFO in the mining industry with ASX listed companies from early-stage exploration through to development, will be invaluable as we progress the emerging world class Earahedy Zinc-Lead Project in Western Australia."

Mr Trevor Hart said "What attracted me to Rumble was the potential to develop a Project that could become significant to the state of Western Australia. I am excited to be joining the management team at this pivotal time in the Company's development and look forward to actively contributing my knowledge and experience as we progress the Earahedy Zinc-Lead Project further in the months and years ahead."
