

First Graphene to present at Emerging Growth Conference on 26 May 2021

First Graphene Limited (ASX:FGR; "First Graphene" or "the Company") is pleased to announce that it has been invited to present at the Emerging Growth Conference on May 26, 2021

The Emerging Growth Conference is a live, interactive online event that will give existing shareholders and the investment community the opportunity to interact with the Company's Chairman, Warwick Grigor, in real time.

Mr. Grigor will be presenting at 9:30 AM Eastern US time (11:30 PM Sydney time) for 30 minutes and may subsequently open the floor for questions. Please ask your questions during the event and Mr. Grigor will do his best to get through as many of them as possible.

Please register here to ensure you can attend the conference and receive any updates that are released.

https://goto.webcasts.com/starthere.jsp?ei=1465229&tp_key=acb55f1b36&sti=fgphf

If attendees are not able to join the event live on the day of the conference, an archived webcast will also be made available on EmergingGrowth.com.

About the Emerging Growth Conference:

The Emerging Growth conference is an effective way for public companies to present and communicate their new products, services and other major announcements to the investment community from the convenience of their office, in a time efficient manner. The conference is hosted by EmergingGrowth.com, a company based out of Miami, FL, USA.
