

## **Update to Nexus Vita engages Advanced Human Imaging to complete application integration for USD\$500,000.**

**Advanced Human Imaging Limited (ASX: AHI) (AHI or the company)** would like to provide further clarity to shareholders in regard to this morning's announcement.

The agreement entered into for the completion of the Nexus-Vita application is a separate agreement and no changes have been made to the initial binding term sheet entered into with Nexus-Vita and announced to the ASX dated 6<sup>th</sup> October 2020.

The parties have agreed to complete the formal agreement on or before the 31<sup>st</sup> of August 2020 in line with the application integration completion.

\*This announcement has been approved by the board of AHI Limited.
