ASX ANNOUNCEMENT
ASX: ASN, ASNOC, ASNOD
OTC: ANSNF

Anson Resources Investor Webinar Presentation

10.30AM (AET) 8.30AM (WST), Tuesday 31 May 2022

Anson Resources Limited (Anson, the Company) (ASX: ASN) is pleased to announce that it will host an investor webinar presentation with Executive Chairman and CEO Bruce Richardson on the Company's exploration and development plans for its flagship 100%-owned Paradox Lithium-Brine Project in Utah, in the USA.

The Company is pleased to invite shareholders, and other interested parties to attend the webinar presentation, which will commence at 10.30am (AET) / 8.30am (WST) on Tuesday 31 May 2022.

Investors can attend the webinar via the below link;

<https://zoom.us/j/5887242119?pwd=MGdjZmZqZkpWOXpBTXBWZIRGSHdBQT09>

Passcode: 4R0A8A (if required).

Anson is focused on exploring and developing the Paradox Project in Utah. It is currently undertaking a major JORC resource expansion drilling program at Paradox, which will support a Detailed Feasibility Study (DFS) and the development of the Project into a substantial lithium producing asset. Leading global engineering solutions firm Worley is undertaking the DFS.

This announcement has been authorised for release by the Executive Chairman and CEO.

About Anson Resources Ltd

Anson Resources (ASX: ASN) is an ASX-listed junior mineral resources company, with a portfolio of minerals projects in key demand-driven commodities. Its core asset is the Paradox Lithium-Brine Project in Utah, in the USA. Anson is focused on developing the Paradox Project into a significant lithium producing operation. The Company's goal is to create long-term shareholder value through the discovery, acquisition and development of natural resources that meet the demand of tomorrow's new energy and technology markets.
