Investor Presentation

November 2021

Disclaimer

Information in this presentation is for general purposes only and is not an offer, recommendation or invitation for investment in or purchase of Company securities; includes statements relating to past performance which should not be regarded as a reliable indicator of future performance and may contain certain information from third parties believed to be reliable however no representation or warranties are made as to the accuracy of completeness of such information. All currency amounts are in AUD unless otherwise specified.

Future performance and forward-looking statements

Except as required by law and then only to the extent required by law, neither the Company nor any other person warrants the future performance of the Company, then Shares or any return on any investment made by an investor under this presentation.

This presentation may contain forward-looking statements. Any such statements are based on an assessment of present economic and operating conditions, and on a number of assumptions regarding future events and actions that, at the date of this presentation, are expected to take place.

Such forward looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions, many of which are outside the control of the Company and the Board. These known and unknown risks, uncertainties and assumptions, could cause actual results, performance achievements to differ materially from future results, performance or achievements expressed or implied by forward looking statements. Forward looking statements include those containing words such as “anticipate”, “estimate”, “forecast”, “expect”, “opportunity”, “plan”, “intend”, “aim”, “seek”, “believe”, “should”, “will”, “may” or similar expressions.

The Company and its Directors cannot, and do not, give any assurance that the results, performance or achievements expressed or implied by any forward-looking statements contained in this presentation will actually occur and investors are cautioned not to place undue reliance on these forward-looking statements. The Company has no intention to update or revise any forward-looking statements, or to publish prospective financial information in the future, regardless of whether new information, future events or any other factors affect the information contained in this Presentation except where required by law.

It is important that investors seek professional advice where necessary. Any investment in Share is speculative.

Schrole Events enables regionalised online recruitment events

International Education's **most advanced** online hiring events

- Direct integration with Schrole Connect.
- Allows schools to search for attendees and decide who to speak with in advance.
- Schools spend less time screening candidates and more time making meaningful connections through live chat, interview scheduling and in-app video interviews.

Region-based 4-hour events for maximum relevance

- Forget three-day recruitment marathons: 4-hour events are designed to put schools in the driver's seat and get to the point fast.
- Targeted at candidates who actually want to work in a specific region, extensive marketing campaigns in the lead-up to each event drive candidate registrations and ensure a high number of relevant, motivated attendees.
- With 14 events across hiring season, and attendance included in Schrole ConnectPlus subscription, Schrole Connect is the best way for schools to fill their vacancies, accessing pool of qualified and experienced candidates.

Upgrade from Schrole Connect to ConnectPlus

Revenue upgrades

- All candidates must upgrade from free Schrole Connect to Premium.
- All schools must upgrade from SchroleConnect to SchroleConnectPlus, which is the highest subscription tier with base fees from USD9,000.

Over 1,700 participants in inaugural event

South-East Asian Events: a great success

- Held on 27 and 31 October 2021
- 1,700 parties registered
- 1,460 candidates
- 30 school participants
- 90 schools (21% total 417 Schrole Connect schools)

Seamless technology

What's New?

1. **Effortless video chat:** Schedule interviews, chat one-on-one with potential candidates, use breakout rooms to host multiple users in a single video chat.
2. **Seamless Schrole Connect integration:** View a candidate's Schrole profile and references and invite them to apply to a vacancy.
3. **Proactive candidates:** Schrole Events attract the most driven and motivated candidates in the community, eager to teach in the particular region.
4. **Fast, simple, user friendly:** An entirely new user experience that allows for simpler navigation and effortless communication.

Schrole Events - connects Schools and Candidates

Schools Marketplace

Global Schools Marketplace effortlessly presented for employee candidates, including virtual tours, event feeds, breakout rooms and 1 to 1 direct chat.

Candidate Marketplace

Candidate Marketplace enables employers to connect with hundreds of potential candidates globally and efficiently search, filter and communicate, saving time and cost.

14 recruitment events scheduled through to April 2022
