### About DXN Limited

DXN is Asia Pacific's only vertically integrated manufacturer and operator of modular data centres. DXN's core business is designing, engineering, manufacturing, maintaining and operating data centres.

The Company has two core divisions that provide a complete symbiotic relationship that better captures what we do, how we do it and why we do it.

These divisions are:

1. **Modular Division** – designs, engineers, manufactures, and deploys EDGE facilities and critical DC infrastructure; and
2. **Data Centre Operations** - operates, maintains and markets data centres and critical infrastructure for our own DXN data centres as well as our modular customers. For more <https://dxn.solutions>
