

## **Passing of Mark Mirolli**

**KALiNA Power Limited ("KALiNA" or the "Company") (ASX: KPO)** reports with deep sorrow and profound sadness the unexpected loss of its Chief Technology Officer Mark Mirolli, who passed away at his home in Florida.

Mark led the commercialization of the Kalina Cycle technology over the past 25 years, overseeing deployments in numerous countries around the world. His efforts have laid the foundation under which the Kalina Cycle technology is now being standardized for deployment at an industrial scale, incorporating many of his long-held designs and ideas.

He left an indelible mark not only upon our Company but an entire industry itself. As a co-worker, mentor, industry leader and friend to many, he will be missed by all.
