- Valmec Limited and Altrad Australia Pty Ltd have entered into a Scheme Implementation Deed, under which Altrad intends to acquire Valmec by way of a Scheme of Arrangement (Scheme).
- Valmec Shareholders will receive A\$0.413 per share in cash.
- The Scheme implies an equity value for Valmec of ~A\$52.0 million (on a 100% basis)¹.
- Cash consideration of A\$0.413 per share represents a premium of:

 - 29.4% premium to the 1-month VWAP of A\$0.3191 per Valmec share²
 - 29.3% premium to the 3-month VWAP of A\$0.3195 per Valmec share².
- The Valmec Board of Directors unanimously recommends that Valmec Shareholders vote in favour of the Scheme, in the absence of a superior offer and subject to an Independent Expert concluding that the Scheme is in the best interests of Shareholders.
- The Valmec Board of Directors has agreed to vote in favour of the Scheme in respect of Valmec shares they own and control, in each case in the absence of a superior offer and subject to an Independent Expert concluding that the Scheme is in the best interests of Shareholders.
- Altrad has received Statements of Intention from two additional Valmec Shareholders representing 18.8% to vote in favour of the Scheme in respect of Valmec shares they own and control, in the absence of a superior offer and subject to an Independent Expert concluding that the Scheme is in the best interests of Shareholders.

VALMEC BOARD UNANIMOUSLY RECOMMENDS IN FAVOUR OF THE SCHEME

The Valmec Board of Directors believes the Scheme is an attractive proposal for Valmec Shareholders because the Scheme Consideration:

- Implies an equity value for Valmec of approximately A\$52.0 million (on a 100% basis)³;
- Represents a significant premium to Valmec shareholders of:
 - 29.1% premium to the closing price of A\$0.32 per share on 16 July 2021;
 - 29.4% premium to Valmec's 1-month VWAP to 16 July 2021 of A\$0.3191 per share; and
 - 29.3% premium to Valmec's 3-month VWAP to 16 July 2021 of A\$0.3195 per share.
- Values Valmec shares at an all-time high price; and
- Delivers certainty of value. The 100% cash consideration provides Valmec Shareholders with certainty of value and the opportunity to realise their investment in full for cash.

Each Director of the Valmec Board recommends that Shareholders of Valmec vote in favour of the Scheme in the absence of a superior offer and subject to the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Shareholders. Subject to those same qualifications, each Valmec Director intends to vote the Valmec shares held or controlled by them in favour of the Scheme.

Valmec's Managing Director, Steve Dropulich, will retain a small shareholding in Valmec of approximately 2% and will continue as the Managing Director following implementation of the Scheme. Including shares from the vesting of performance rights, Mr Dropulich also controls another 5.3 million (approximately 4%) of the shares in Valmec, which will be subject to, and he intends to vote in favour of, the Scheme.

When considering Mr Dropulich's voting recommendation (as a member of the Valmec Board) and his intention to vote applicable shares in favour of the Scheme, Shareholders should have regard to his ongoing employment arrangements. The Scheme Booklet will set out Mr Dropulich's ongoing employment arrangements and the terms of the put and call option being negotiated for Mr Dropulich's remaining shares noted above.

Valmec Shareholders representing 18.8% of the Company's shares on issue have indicated their support, via Statements of Intention, for the proposed transaction by confirming that they intend to vote in favour of the Scheme in the absence of a superior proposal and subject to the Independent Expert concluding that the Scheme is in the best interests of Shareholders.

DELIVERING THE SCALE AND BACKING TO GROW

Altrad is a global leader in industrial maintenance services, delivering high value-add services to clients in multiple sectors, including Oil & Gas, Energy, Power Generation, Process, Environment and Construction. Privately owned and headquartered in France, Altrad employs around 36,000 people

globally including approximately 1000 across Australia. In the six-month period to 28 February 2021, Altrad reported revenue of €1.24 billion (~A\$1.96b) and EBITDA of €169m (~A\$268m).

Altrad has identified Valmec as a significant value-adding opportunity for Altrad's client base and service offering. Importantly, Altrad has the scale, strength and global experience to invest in and significantly grow the Valmec business in a manner that would be difficult to achieve were the Company to remain a relatively small, ASX-listed company.

Altrad intends to fund the Scheme Consideration from existing cash reserves and the Scheme is not subject to financing or any further due diligence.

A COMPELLING TRANSACTION

Supporting the Scheme, Valmec Chairman Stephen Zurhaar said:

"This is a compelling transaction and I encourage all shareholders to support the Scheme. This provides a great opportunity for shareholders to realise value at a significant premium to the prevailing market price. The quality of this offer is further strengthened in that it comprises 100% cash consideration as opposed to both cash and scrip components which is often the case in transactions of this nature."

Valmec Managing Director Steve Dropulich added:

"The proposed transaction is a testament to the entire Valmec team and the work that has been undertaken to grow this company. To be recognised and attract the interest of a global leader such as Altrad, is a clear recognition of the hard work, dedication and professionalism of our staff and the strong support we have received from our shareholders throughout our journey."

Welcoming the Valmec Board's support, Altrad Group Chief Executive Officer Ran Oren said:

"Australia and the broader Asia-Pacific region are a key pillar in Altrad's global growth strategy, which is why I am delighted we have been able to agree terms with the Board of Valmec to merge this strong business into our existing operations. Our committed investment reflects Altrad's confidence in our Australian team and the growth prospects for our business here."

Altrad Services Chief Executive Officer, Asia Pacific Region, Neil Sadler added:

"The acquisition of Valmec will mark another transformational milestone for our Asia-Pacific business and deliver a value-accretive step change in the scale and diversity for our Company. Once the scheme is implemented, I look forward to working with my leadership team and the Valmec team to identify value-adding opportunities for our combined existing and prospective client bases."

CONDITIONS RELATED TO THE SCHEME

The SID entered into between Valmec and Altrad contains customary terms and conditions on which Valmec and Altrad will implement the Scheme. Altrad has completed confirmatory due diligence that was a precursor to entry into this Scheme. The implementation of the Scheme remains subject to several conditions including requisite regulatory approvals including Australian court approval, approval from Valmec Shareholders, an Independent Expert concluding that the Scheme is in the best interests of Valmec Shareholders, and all other conditions customary for a transaction of this nature.

Full details of the conditions to the Scheme and other agreed terms are set out in the SID, a copy of which is attached to this announcement.

INDICATIVE TIMETABLE AND NEXT STEPS

Valmec Shareholders do not need to take any action at this time.

A Scheme Booklet containing information relating to the Scheme, the reasons for the Board's recommendation, the Independent Expert's report and details pertaining to the Scheme Meeting is anticipated to be distributed to Shareholders in mid-September 2021.

If the Court refuses to make orders convening the Scheme Meeting or approving the Scheme, the parties must appeal the Court's decision to the fullest extent possible except to the extent that:

- (a) the parties agree otherwise; or
- (b) either party obtains the advice of an independent senior counsel of the Western Australian bar who states that, in their opinion, an appeal would have no reasonable prospect of success before the End Date,

in which case either party may terminate this deed in accordance with clause 14.1(d)(ii).

5.9 Performance Rights

The Target must procure that as soon as practicable after the date of this deed, and in any event prior to the First Court Date, 1,076,090 Target Performance Rights held by Steve Dropulich (or his Affiliates) vest and are converted into Target Shares.

6 TARGET BOARD RECOMMENDATION

6.1 Recommendation and Voting Intention

- (a) The Target represents and warrants to the Bidder that each Target Director in office at the date of this deed has confirmed that they each intend:
 - (i) to recommend the Scheme to Target Shareholders in the Scheme Booklet and otherwise; and

- (b) Subject to clause 6.2, the Target must use its best endeavours to procure that the Scheme Booklet includes a statement by the Target that each Target Director intends to recommend (**Recommendation**), and vote in favour of (**Voting Intention**), the Scheme.

6.2 Withdrawal or change of Recommendation or Voting Intention

The Target must use its best endeavours to procure the Target Board collectively, and each Target Director individually, does not withdraw, change, adversely modify or adversely qualify their Recommendation or Voting Intention unless:

- (a) the Independent Expert concludes in the Independent Expert's Report that the Scheme is not in the best interests of Target Shareholders;
- (b) the Target received a Competing Proposal and the Target Directors who are entitled to vote on the resolution unanimously determine, after all of the

Bidder's rights under clause 9.7 have been exhausted, that the Competing Proposal constitutes a Superior Proposal; or

- (c) in the case of a Recommendation by an executive Target Director (but not, for the avoidance of doubt, a Voting Intention), the executive Target Director may withdraw his or her Recommendation so as to not make any recommendation only to the extent that, after first obtaining legal advice from independent counsel, the executive Target Director reasonably determines that he or she has an interest in the Scheme that renders it inappropriate for him or her to make or maintain any such recommendation (**Scheme Interest**), and the Court would be unlikely to grant an order under section 411(1) of the Corporations Act directing the Target to convene the Scheme Meeting or under section 411(4)(b) and 411(6) of the Corporations Act approving the Scheme, in each case solely as a result of the Scheme Interest.

- (a) the Bidder meeting its obligations under clause 4.2; and

- (a) expressly required or permitted by this deed or the Scheme;
- (b) required by Law or by an order of a court or Regulatory Authority;

- (a) implement the Scheme;
- (b) understanding the Target Group's financial position (including its cash flow and working capital position), trading performance and management control systems;

other than any information that relates to the contemplation of a Competing Proposal or any information that, if provided to the Bidder, would result in a loss of legal privilege with respect to such information or a breach of any directors' duty at Law.

8.5 Notification of material breach

- (a) If at any time before the Implementation Date, the Target becomes aware of any event, matter or circumstance which gives rise to, or may reasonably be expected to give rise to:
 - (i) a Material Adverse Change;
 - (ii) a breach of a Warranty;
 - (iii) changes to any of the persons holding the positions of the Key Persons; and
 - (iv) any breach of, or default under, any Law, contract (other than this deed), arrangement, permit, licence or authorisation that is binding upon any Target Group Member and which is reasonably likely to result in a material liability on the part of any Target Group Member,

the Target must, and must procure each other Target Group Member to, promptly notify and consult with the Bidder in writing.
- (b) Prior to the Implementation Date, the Bidder must promptly notify the Target in writing of any material breach of this deed by the Bidder (including any breach of a Bidder Warranty) of which the Bidder becomes aware.

9 EXCLUSIVITY

9.1 No existing discussions

The Target represents and warrants that, other than the discussions with the Bidder and its Representatives, it is not currently in negotiations or discussions in respect of any Competing Proposal with any person or, where it was in discussions, it has ceased any such discussions and negotiations to the extent they were on foot prior to the date of this deed.

9.2 No-shop

During the Exclusivity Period, the Target must not, and must ensure that each other Target Group Member and each Representative of a Target Group Member does not, directly or indirectly:

- (a) solicit, invite, encourage or initiate any enquiry, expression of interest, proposal, offer, negotiation or discussion; or
- (b) communicate any intention to do any of these things,

in relation to, or that could reasonably be expected to encourage or lead to, the making of an actual, proposed or potential Competing Proposal.

9.3 No-talk

Subject to clause 9.5, during the Exclusivity Period, the Target must not, and must ensure that each other Target Group Member and each Representative of a Target Group Member does not, directly or indirectly:

- (a) enter into or participate in negotiations or discussions with any other person; or
- (b) communicate any intention to do any of these things,

in relation to, or that could reasonably be expected to encourage or lead to, the making of an actual, proposed or potential Competing Proposal, even if that person's Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by Target or any of its Representatives or the person has publicly announced the Competing Proposal.

9.4 No due diligence

Subject to clause 9.5, during the Exclusivity Period, the Target must not, and must ensure that each other Target Group Member and each Representative of a Target Group Member does not, directly or indirectly:

- (a) enable any other person other than the Bidder to undertake due diligence investigations on any Target Group Member or their businesses or operations; or
- (b) provide or otherwise make available to any other person, or permit any other person to receive or have access to, other than the Bidder any non-public information relating to any Target Group Member or their businesses or operations,

in relation to that person formulating or making, or assisting another person to formulate or make any actual, proposed or potential Competing Proposal.

9.5 Fiduciary carve out

Clause 9.3 and clause 9.4 do not apply to the extent they restrict the Target or any Target Director from taking or refusing to take any action with respect to an actual, proposed or potential Competing Proposal provided that:

- (a) the Target Board considers in good faith that the actual, proposed or potential Competing Proposal is bona fide; and
- (b) the Target Board has determined in good faith after:
 - (i) consultation with Target's financial Advisers in respect of the financial aspects of the Competing Proposal, that the Competing Proposal is or would reasonably be expected to lead to a Superior Proposal; and
 - (ii) consulting with Target's external legal Adviser, that failing to take the action or refusing to take the action (as the case may be) with respect to the Competing Proposal would constitute or would be reasonably likely to constitute a breach of the fiduciary or statutory obligations of any Target Director.

9.6 Notice of approach

- (a) During the Exclusivity Period, the Target must promptly (and in any event within 2 Business Days of becoming aware of such matter) notify the Bidder in writing of:
 - (i) any approach, inquiry, request, or attempt to initiate any negotiations or discussions, or any intention to initiate any negotiations or discussions, in connection with or in respect of any actual, proposed or potential Competing Proposal which is received in writing;
 - (ii) any request for information relating to the Target Group or any of their businesses or operations or any request for access to the books or Records of the Target Group (or any of them), which the Target has (or any person would have) reasonable grounds to suspect may relate to a current or future Competing Proposal; or
 - (iii) any written proposal (whether or not made to the Target or any Target Group Member or Representative of a Target Group Member) in connection with or in respect of any actual, proposed or potential Competing Proposal.
- (b) A notification under clause 9.6(a) must, subject to clause 9.6(c), give details of the relevant matter, fact or circumstance, including the identity of the relevant person (and who they represent, if applicable) (**Approaching Party**) making the relevant approach, inquiry, request, or attempt or proposing the relevant actual, proposed or potential Competing Proposal, together with all material terms and conditions of the actual, proposed or potential Competing Proposal, and details of any discussions with respect to the same. The Target must also notify the Bidder in writing as soon as reasonably practicable after becoming aware of any material developments in relation to such actual, proposed or potential Competing Proposal.
- (c) The Target must ask the Approaching Party for their consent to their identity being disclosed by the Target to the Bidder on a confidential basis. If consent is refused, the Target is not required to notify the Bidder of the identity of the Approaching Party if the Target Board has determined in good faith after consulting with the Target's external legal adviser, that disclosing the identity of the Approaching Party to the Bidder constitutes or would be reasonably

likely to constitute a breach of the fiduciary or statutory obligations of any Target Director.

- (d) The Bidder agrees that:
 - (i) any information received under clause 9.6(a) shall be confidential information and subject to the terms of the Confidentiality Agreement; and
 - (ii) it shall not, and shall ensure that its Representatives shall not, contact the Approaching Party for any purpose relating to the Scheme, the Competing Proposal or any similar transaction.

9.7 Matching right

- (a) During the Exclusivity Period, the Target must notify the Bidder promptly (but in any event within one Business Day) if a Competing Proposal is or becomes a Superior Proposal.
- (b) Unless required any applicable law or the Listing Rules, the Target must not enter into or publicly announce an intention to enter into an agreement in relation to a Competing Proposal and the Target must not make, and must procure that no member of Target Board makes, any public announcement recommending that Superior Proposal, in each case without having given the Bidder five clear Business Days' notice (such notice to be in writing) of such intention, and having provided to the Bidder the identity of the person who made the Superior Proposal and all material terms of the Superior Proposal, including details of the proposed price (and details of the consideration if not simply cash), conditions, timing and fees (if any).
- (c) During the period of five clear Business Days referred to in clause 9.7(b), the Bidder will have the right to propose an amendment to the terms or any part of the Transaction or propose any other transaction (**Matching Offer**) so that the Matching Offer would provide at least the same value to the Scheme Shareholders as the Superior Proposal.
- (d) If a Matching Offer is made which complies with clause 9.7(c), the Target must procure that the Target Board considers the Matching Offer and if the Target Board, acting reasonably and in good faith, determines that the Matching Offer would provide an outcome which is not less favourable than the Superior Proposal, the Target and the Bidder must use its best endeavours to agree the amendments to the terms of any aspect of the Transaction to reflect the Matching Offer, and enter into the appropriate amended agreement or agreements to give effect to those amendments and to implement the Matching Offer, in each case as soon as reasonably practicable.
- (e) Clauses 9.7(b) and 9.7(c) have repeat application so that if any further proposal is made after the Bidder has made a Matching Offer, the Bidder will each time again have the right to match the further proposal on the basis that any further offer is a Competing Proposal.
- (f) If any part of the consideration proposed under the Competing Proposal is non-cash, then that consideration proposed will be valued for the purposes of

this clause 9.7 in such manner, after taking advice from an Adviser, as the Target determines.

9.8 Normal provision of information

Nothing in this clause 9 prevents a Target Group Member from:

- (a) providing information to its Representatives;
- (b) providing information to any Regulatory Authority or as required by Law;
- (c) providing information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (d) engaging with its shareholders (in their capacity as a shareholder), in the ordinary course and consistent with past practice; or
- (e) making presentations to brokers, portfolio investors, analysts and other third parties in the ordinary course of business.

9.9 Legal advice

The Target represents and warrants that it has received legal advice on this deed and the operation of this clause 9.

10 BREAK FEE

10.1 Preface

This clause 10 has been agreed in circumstances where:

- (a) the parties believe that the Scheme will provide significant benefits to the Bidder, the Target and their respective shareholders, and the parties acknowledge that, if they enter into this deed and the Scheme is subsequently not implemented, the Bidder will incur significant costs, including those set out in clause 10.1(d);
- (b) the Bidder requested that provision be made for the Break Fee, and has entered into this deed in reliance on the Break Fee, without which, the Bidder would not have entered into this deed;
- (c) both the Bidder and Target Board believe that it is reasonable and appropriate for the Target to agree to the payment referred to in this clause 10 to secure the Bidder's entry into this deed and participation in the Scheme;
- (d) the amount of the Break Fee is an amount to compensate the Bidder for the following:
 - (i) reasonable advisory costs (including Advisers) relating to the Scheme;
 - (ii) cost of management and directors' time;
 - (iii) reasonable out-of-pocket expenses relating to the Scheme;

- (iv) reasonable opportunity costs incurred by Bidder in pursuing the Scheme or in not pursuing alternative acquisitions or strategic initiatives which the Bidder could have developed to further its business and objectives; and
- (v) damage to the Bidder's reputation associated with a failed transaction and the implications of that damage to Bidder's business.

The parties agree that the costs incurred are of a nature that they cannot be accurately quantified and that a genuine pre-estimate of the costs would equal or exceed the amount of the Break Fee; and

- (e) both parties have received legal advice on this deed and the operation of this clause 10.

10.2 Payment of Break Fee

Subject to clause 10.3, the Target agrees to pay the Break Fee to the Bidder without withholding, set off or deduction, if:

- (a) **(Competing Proposal):** a Competing Proposal is publicly announced prior to the Delivery Time (whether or not such proposal is stated to be subject to any conditions) and the proponent of that Competing Proposal (either alone or together with any Associates of the proponent of that Competing Proposal) completes, or enters into formal transaction documents for the completion of, the Competing Proposal;
- (b) **(Recommendation):** at any time prior to the Delivery Time, any Target Director:
 - (i) fails to make the Recommendation or Voting Intention statements in the manner described in clause 6;
 - (ii) withdraws, changes, adversely modifies or adversely qualifies his or her Recommendation, Voting Intention or support for the Scheme, or takes any other action that is inconsistent with his or her initial recommendation of the Scheme;
 - (iii) makes any public statement to the effect that the Scheme is not, or is no longer, recommended or supported by that Target Director;
 - (iv) makes any public statement to the effect that the Target Director recommends a Competing Proposal; or
 - (v) or announces an intention to do any of those things,

except:

- (vi) where the Independent Expert concludes in the Independent Expert's Report that the Scheme is not in the best interest of Target Shareholders (except where that conclusion is due wholly or partly to the existence, announcement or publication of a Competing Proposal);
- (vii) in circumstances contemplated in clauses 6.1 or 6.2(c); or

- (viii) as a result of any matter or thing giving the Target the right to terminate this deed under clause 14.1(a);
- (c) **(Material Breach)**: the Target is in material breach of a term of this deed, and Bidder terminates this deed in respect of that breach in accordance with clause 14.1(a) or clause 3.6(b).

For the avoidance of doubt, no Break Fee is payable under this clause 10.2 if the Scheme is not implemented by reason only of the failure of the Target Shareholders to approve the Scheme at the Scheme Meetings.

10.3 No amount payable if Scheme becomes Effective

Notwithstanding the occurrence of any event in clause 10.2, if the Scheme becomes Effective:

- (a) no amount is payable by the Target under clause 10.2; and
- (b) if any amount has already been paid under clause 10.2 it must be refunded by the Bidder.

10.4 Payment

- (a) The payment of the Break Fee must be made within 5 Business Days after the receipt of a written demand from the Bidder for payment, such demand only being able to be made after the occurrence of an event referred to in clause 10.2.
- (b) A demand by the Bidder for payment of the Break Fee under clause 10.2 must:
 - (i) be in writing;
 - (ii) state the circumstances which give rise to the demand; and
 - (iii) nominate an account in the name of the Bidder into which the Target must pay the Break Fee.

The demand may only be made after the occurrence of an event referred to in clause 10.2.

- (c) The obligation to pay the Break Fee cannot be triggered more than once under any circumstances.

10.5 Compliance with law

- (a) If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a court that the agreement between the parties under clause 10 (or any part of it):
 - (i) is unlawful or would if performed be unlawful;
 - (ii) involves a breach of the duties of the Target Board; or

- (iii) constitutes 'unacceptable circumstances' within the meaning of the Corporations Act,

then the Target will not be obliged to comply with that provision of clause 10 to that extent (and only to that extent) and if the Bidder has received any part of the payment of the Break Fee, it must refund it within 5 Business Days of such final determination (to the extent contemplated under such determination).

(b) The parties must:

- (i) not make, cause or permit to be made, any application to a court, arbitral tribunal or the Takeovers Panel for or in relation to a determination referred to in this clause 10.5; and
- (ii) use their best endeavours to defend the enforceability of the obligations of the parties to pay the applicable amount or part of the amount payable under clause 10.2 in any application to a court, arbitral tribunal or the appeal any determination referred to in clause 10.5(a), to the fullest extent possible except to the extent that:
 - (A) the parties otherwise agree in writing; or
 - (B) Queen's Counsel or Senior Counsel representing that party in relation to the Scheme indicates in writing that, in their opinion, defending those obligations or restrictions, or appealing such determination, would likely have less than a reasonable prospect of success.

10.6 Limitation of Liability

Save for in relation to fraud, negligence or wilful or deliberate material breach, the parties acknowledge and agree that, despite any other provision of this deed, if the Target pays the Break Fee in accordance with this deed, it will have no further liability for any breach of this deed.

11 TARGET WARRANTIES

11.1 Warranties

The Target represents and warrants to the Bidder (on its own behalf and separately as trustee or nominee for each of the Bidder Indemnified Parties) that each of the Warranties is true and correct and not misleading (whether by omission or otherwise).

11.2 When Warranties given

Each Warranty is given as at the date of this deed and until the Implementation Date, except that each Warranty that is expressed to be given at a particular time, is only taken to be given at that time.

11.3 Independent warranties

Each of the Warranties is a separate representation and warranty and is to be construed independently of the other Warranties and is not limited by reference to or interference from any other Warranty.

11.4 Reliance

11.5 Target indemnity

- (b) The liability of the Target in respect of any Claim for breach of a Warranty or any Claim pursuant to a Target Indemnity is reduced or extinguished (as the case may be) to the extent that:

 - (ii) the relevant Claim is as a result of or in respect of, or where the relevant Claim arises from, any increase in the rate of Tax liable to be paid or any imposition of Tax not in effect at the date of this deed;

- (iii) the relevant Claim arises or is increased as a result of any change in Accounting Standards, or the application of Accounting Standards or policies to the Target (other than to change any of Target's accounting policies that were not in accordance with the measurement and recognition requirements of the Accounting Standards or policies at the relevant time), after the Implementation Date; or

4.2 Provision of Scheme Consideration

The Bidder must provide the Scheme Consideration under this Scheme and the Deed Poll by no later than the Business Day before the Implementation Date, by depositing (or procuring the deposit) in cleared funds, the aggregate amount of the Scheme Consideration payable to all Scheme Shareholders into the Trust Account (except that the amount of any interest on the amount deposited, less bank fees and other charges, will be credited to the Bidder's account), and with such amount to be held by Valmec on trust for the purpose of paying the Scheme Consideration to Scheme Shareholders who are entitled to receive it pursuant to clause 4.3(a).

4.3 Payment to Scheme Shareholders

- (a) On the Implementation Date, and subject to receipt of the Scheme Consideration from the Bidder in accordance with clause 4.2, Valmec must pay (or procure payment) from the Trust Account to each Scheme Shareholder the applicable amount of Scheme Consideration that the Scheme Shareholder is entitled for each Scheme Share transferred to the Bidder on the Implementation Date by that Scheme Shareholder.
- (b) Valmec's obligation under clause 4.3(a) will be satisfied by Valmec paying the relevant amount in Australian currency by either (at its absolute discretion):
 - (i) where the Scheme Shareholder has nominated a bank account to the Company before the Implementation Date, by paying, or procuring the payment of, the relevant amount in electronic funds transfer to the bank account nominated by the Scheme Shareholder; or

- (ii) otherwise, whether or not the Scheme Shareholder has made a nomination of a bank account referred to in clause 4.3(b)(i), by dispatching, or procuring the dispatch of, a cheque for the relevant amount to the Scheme Shareholder by prepaid post to their Registered Address (as at the Record Date), with such cheque being drawn in the name of the Scheme Shareholder (or in the case of joint holders, in accordance with the procedures set out in clause 4.4).

4.4 Joint holders

In the case of Scheme Shares held in joint names:

- (a) any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to the holder whose name appears first in the Share Register as at the Record Date; and

- (a) Valmec may cancel a cheque issued under this clause 4 if the cheque:
 - (i) is returned to Valmec or the Share Registry; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of one year commencing on the Implementation Date, upon request in writing from a Scheme Shareholder to Valmec or the Share Registry (which request may not be made until the date which is 5 Business Days after the Implementation Date), a cheque that was previously cancelled under clause 4.5(a) must be reissued.

4.6 Unclaimed monies

- (a) The Unclaimed Money Act will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 3 of the Unclaimed Money Act).
- (b) In the event that a Scheme Shareholder does not have a Registered Address and no account has been notified in accordance with clause 4.3(b) or a deposit into such an account is rejected or refunded, Valmec as the trustee for the Scheme Shareholders may credit the amount payable to the relevant Scheme Shareholder to a separate bank account of Valmec (**Separate Account**) to be held until the Scheme Shareholder claims the amount or the amount is dealt with in accordance with the Unclaimed Money Act. To avoid doubt, if the amount is not credited to a Separate Account, the amount will continue to be held in the Trust Account until the Scheme Shareholder claims the amount or the amount is dealt with in accordance with the Unclaimed Money Act.

- (c) Any interest or other benefit accruing from unclaimed Scheme Consideration will be to the benefit of the Bidder. Until such time as the amount is dealt with in accordance with the Unclaimed Money Act, Valmec must hold the amount on trust for the relevant Scheme Shareholder. An amount credited to the Separate Account or Trust Account (as applicable) is to be treated as having been paid to the Scheme Shareholder when credited to the Separate Account or Trust Account (as applicable). Valmec must maintain records of the amounts paid, the people who are entitled to the amounts and any transfers of the amounts.
- (d) To the extent that there is a surplus in the amount held by Valmec as the trustee for the Scheme Shareholders in the Trust Account, that surplus may be paid by Valmec as the trustee for the Scheme Shareholders to the Bidder following the satisfaction of Valmec's obligations as the trustee for the Scheme Shareholders under this clause 4.6.

4.7 Orders of a court

If written notice is given to Valmec or the Share Registry, of an order or direction made by a court of competent jurisdiction or by another Regulatory Authority that:

- (a) requires payment to a third party of a sum in respect of Scheme Shares held by a particular Scheme Shareholder, which sum would otherwise be payable to that Scheme Shareholder by Valmec in accordance with this clause 4, then Valmec will be entitled to make that payment (or procure that it is made) in accordance with that order or direction; or
- (b) prevents Valmec from making a payment to a particular Scheme Shareholder in accordance with this clause 4, or such payment is otherwise prohibited by applicable law, Valmec will be entitled to retain an amount, in Australian dollars, equal to the amount of the relevant payment until such time as payment in accordance with this clause 4 is permitted by that order or otherwise by law.

4.8 Fractional entitlements

Where the calculation of the Scheme Consideration to be paid to a Scheme Shareholder would result in the Scheme Shareholder being entitled to a fraction of a cent, then the fractional entitlement will be rounded up to the nearest whole cent.

5 DEALINGS IN VALMEC SHARES

5.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Valmec Shares or other alterations to the Share Register will only be recognised if:

- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of other alterations, are received at or before the Record Date at the place where the Share Register is kept,

and Valmec must not accept for registration, nor recognise for any purpose (except a transfer to the Bidder pursuant to this Scheme, any Valmec Shares retained by Steve Dropulich or any subsequent transfer by either of them or their successors in title), any transfer or transmission application or other request received on or after the Record Date, or received prior to the Record Date but not in registrable or actionable form.

5.2 Share Register

- (a) Valmec must register registrable transmission applications or transfers of Valmec Shares in accordance with clause 5.1(b) at or before the Record Date, provided that nothing in this clause 5.2(a) requires Valmec to register a transfer that would result in a Valmec Shareholder holding a parcel of Valmec Shares that is less than a 'marketable parcel' (as defined in the operating rules of ASX).
- (b) If this Scheme becomes Effective, a Scheme Shareholder (and any person claiming through that holder) must not dispose of, or purport or agree to dispose of, any Scheme Shares or any interest in them after the Record Date otherwise than pursuant to this Scheme, and any attempt to do so will have no effect and Valmec will be entitled to disregard any such disposal, purported disposal or agreement.
- (c) For the purpose of determining entitlements to the Scheme Consideration, Valmec must maintain the Share Register in accordance with the provisions of this clause 5.2 until the Scheme Consideration has been paid to the Scheme Shareholders. The Share Register in this form will solely determine entitlements to the Scheme Consideration.
- (d) All statements of holding for Valmec Shares (other than statements of holding in favour of the Bidder) will cease to have effect after the Record Date as documents of title in respect of those shares and, as from that date, each entry current at that date on the Share Register (other than entries in respect of the Bidder) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Valmec Shares relating to that entry.
- (e) As soon as possible after the Record Date, and in any event within one Business Day after the Record Date, Valmec will ensure that details of the names, Registered Addresses and holdings of Valmec Shares for each Scheme Shareholder as shown in the Share Register as at the Record Date are available to the Bidder in the form the Bidder reasonably requires.

6 QUOTATION OF VALMEC SHARES

- (a) Provided that the Scheme has been fully implemented in accordance with its terms, Valmec will apply to ASX to suspend trading in Valmec Shares with effect from the close of trading on the Effective Date.
- (b) Valmec will apply:
 - (i) for termination of the official quotation of Valmec Shares on the ASX;
 - and

- (ii) to have itself removed from the official list of ASX,

in each case with effect on and from the close of trading on the trading day immediately following, or shortly after, the Implementation Date.

- (c) Valmec must use its best endeavours to ensure that such termination of official quotation and removal from the official list of ASX does not occur before the Implementation Date.

7 GENERAL SCHEME PROVISIONS

Scheme will, at the time of transfer of them to Bidder, vest in the Bidder, be fully paid and be free from all:

- (A) mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Properties Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise; and
- (B) restrictions on transfer of any kind; and
- (ii) they have full power and capacity to transfer their Scheme Shares to the Bidder together with any rights attaching to those Scheme Shares; and
- (iii) except as otherwise provided for or contemplated in the Scheme Implementation Deed, they have no existing right to be issued any Valmec Shares, or any other Valmec securities.

7.3 Title to and rights in Scheme Shares

Upon the Scheme becoming Effective, the Bidder will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme pending registration by Valmec of the Bidder in the Share Register as the holder of the Scheme Shares. The Bidder's entitlement to be registered in the Share Register as the holder of the Scheme Shares arises on the Implementation Date in accordance with clause 3.2.

7.4 Appointment of sole proxy

Upon the Scheme becoming Effective and until Valmec registers the Bidder as the holder of all Scheme Shares in the Share Register:

- (a) each Scheme Shareholder is deemed to have irrevocably appointed the Bidder as its proxy to (and irrevocably appoints the Bidder as its attorney and agent (and directed the Bidder in each such capacity) to appoint any director, officer, secretary or agent nominated by the Bidder as that Scheme Shareholder's sole proxy and, where applicable or appropriate, corporate representative to):

 - (ii) exercise the votes attaching to the Scheme Shares registered in their name; and
 - (iii) sign any shareholders' resolution;

- (c) each Scheme Shareholder must take all other actions in the capacity of a registered holder of Scheme Shares as the Bidder reasonably directs; and

- (d) each Scheme Shareholder acknowledges and agrees that in exercising the powers conferred by clause 7.4(a), the Bidder and any director, officer, secretary or agent nominated by the Bidder under that clause may act in the best interests of the Bidder as the intended registered holder of the Scheme Shares.

7.5 Authority given to Valmec

On the Effective Date, each Scheme Shareholder, without the need for any further act, irrevocably appoints Valmec as its attorney and agent for the purpose of:

- (a) enforcing the Deed Poll against the Bidder; and
- (b) executing any document, or doing or taking any other act, necessary, desirable or expedient to give full effect to this Scheme and the transactions contemplated by it, including executing and delivering the Scheme Transfer,

and Valmec accepts such appointment. Valmec, as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this clause 7.5 to all or any of its directors, officers or employees (jointly, severally or jointly and severally).

7.6 Binding effect of this Scheme

This Scheme binds Valmec and all of the Scheme Shareholders (including those who did not attend the Scheme Meetings and those who did not vote, or voted against this Scheme, at the Scheme Meetings) and, to the extent of any inconsistency, overrides the constitution of Valmec.
