If you are in any doubt about what to do in relation to the Resolutions contemplated in the Notice of Meeting and this Explanatory Statement, it is recommended that you seek advice from an accountant, solicitor or other professional advisor.

Full details of the business to be considered at the Extraordinary General Meeting are set out below.

Resolutions

Resolution 1 and 2 – Approval of the appointment of Mr Arik Shor in the combined role as an active Chairman of the Board of Directors and Chief Executive Officer and approval of his Terms of Compensation

On 30 July 2020, following the approval of the Board of Directors, Shareholders approved the appointment of Mr Arik Shor, by simple majority, (the "**Previous Meeting**") as an Executive Director of the Company.

On 31 July 2020, the Board of Directors appointed Mr Shor as an active Chairman of the Board of Directors and Chief Executive Officer of the Company.

However, pursuant to Section 121(c) of the Companies Law, the appointment of a person to the combined role of Chairman of the Board of Directors and Chief Executive Officer of the Company, is required to be approved by the Company's Shareholders by a Special Majority, and can be made for periods of up to three years each. Therefore, and further to the resolutions adopted at the Previous Meeting, it is proposed that Shareholders approve the appointment of Mr Shor to hold such combined role, for a period of up to three years, with effect from 1 August 2020.

Pursuant to Section 272(c1) of the Companies Law, the compensation arrangements of the Chief Executive Officer of the Company (including an arrangement which deviates from the Company's compensation policy (the "**Compensation Policy**")), is required to be approved by the Company's Shareholders by a Special Majority. The Company's Compensation Committee (the "**Committee**") and the Board of Directors have approved the Company's entry into a service agreement (the "**Service Agreement**") with Mr Shor. Under the Service Agreement, Mr Shor shall personally provide the services of an active Chairman of the Board of Directors and Chief Executive Officer of the Company (the "**Shor Services**"). The Shor Services will include such duties as are customarily associated with such positions and as may otherwise be assigned and/or designated to such positions by the Board of Directors and/or any applicable law from time to time.

Shareholders are requested to approve, effective as of 1 August 2020, the following terms of compensation of Mr Shor, in his combined position as an active Chairman of the Company's Board of Directors and Chief Executive Officer of the Company, all as set forth in the Service Agreement (the "**Terms of Compensation**"):

1. **Services Fee:** In consideration for the Shor Services, Mr Shor will be entitled to a monthly payment in the amount of thirty thousand Israeli shekels (**NIS**) (NIS 30,000) plus VAT, if applicable.
2. **Cash Bonus:** Mr Shor will be also eligible for a cash bonus in the amount equal to 1% of the amount

of the funds received by the Company pursuant to a Qualified Transaction (as defined below) (the "**Bonus**").

For the purpose hereof the term "**Qualified Transaction**" shall refer to any of the following:

- a. sale of the Company (in which case the Bonus to Mr Shor shall be paid by the Company as a transaction expense) or a major portion of its assets or a major portion of its activities;
 - b. consummation of an equity financing round in the Company in an amount not less than 10 million NIS (Mr Shor will not participate in such equity financing); or
 - c. raising of debt by the Company from third parties which are not banking institutions, provided (with regard to items b. and c.) that Mr Shor took an active role in leading the discussions and negotiations that resulted in the consummation of such third-party debt.
3. Reimbursement of expenses: Mr Shor will be eligible for reimbursement of reasonable out-of-pocket expenses directly related to the Shor Services, provided that such expenses: (i) were specifically approved in advance and in writing by the Company, and (ii) were invoiced to the Company in a timely fashion and by the end of each calendar quarter.
4. In addition, Mr Shor shall be entitled to the same insurance, indemnification and exculpation arrangements, as are currently in effect for the Company's officers and directors; all of which are in accordance with the Company's Articles of Association and Compensation Policy.

The Terms of Compensation are comprehensive and inclusive of any per-meeting or annual payments payable to Mr Shor in his capacity as an Executive Director of the Company. In making its recommendation to the Company's Shareholders, the Board of Directors each considered various factors, including, among others, (a) Mr Shor's compensation reflects a fair and reasonable value for his services and is considered customary for such positions in companies of similar scopes of activities; and (b) Mr Shor's position and responsibilities.

The Committee and Board of Directors found the Terms of Compensation reasonable under the circumstances, and that the approval thereof is in the best interests of the Company.

The Terms of Compensation, save for the Bonus, are in accordance with the Company's Compensation Policy. The Company's Compensation Policy caps the maximum annual bonus payable to its officers by five months base salary. Therefore, the Bonus payable to Mr Shor under a Qualified Transaction(s) may be in excess of such maximum amount and is a deviation from the Company's Compensation Policy.

Any issue of equity securities in the Company to Mr Shor will be subject to prior Shareholder approval.

As indicated in the explanatory statement for the Previous Meeting, Mr Shor is an experienced senior executive with a successful track record of increasing revenue, profit and business growth objectives within large and complex growing organisations. Mr Shor has extensive experience with highly intricate operations and logistics systems.

Mr Shor serves as an independent Director at Paz Oil Company Ltd, which is a publicly listed company on the Tel-Aviv stock exchange. Mr Shor also serves as a Chairman of the Board of Tadbik, a global leader in packaging solutions and Afimilk, a global leader in developing, manufacturing, and marketing advanced computerized systems for the modern dairy farm and herd management.

Mr Shor previously served as Chief Executive Officer of Tnuva Group from 2009 to 2016, which is the largest food conglomerate in Israel. Prior to this Mr Shor served as the Chief Executive Officer of Hogla Kimberly (a subsidiary of Kimberly Clarke).

Mr Shor holds a Bachelor of Arts in Computer Science and a Bachelor of Science in Civil Engineering from Technion, Israel Institute of Technology.

This resolution requirement is a requisite under Israeli Companies Law and is not required under the ASX Listing Rules.

Directors' recommendation

The Directors (with Mr Shor abstaining) recommend that Shareholders vote in favour of Resolution 1.

The Directors (with Mr Shor abstaining) recommend that Shareholders vote in favour of Resolution 2.

Resolution 3 – Approval of the Company's Amended Share Incentive Plan and the issue of securities thereunder

Under the Company's existing Share Incentive Plan, the Company may grant, to certain employees, officers, directors, service providers and consultants of the Company and its affiliates, who are expected to contribute to the Company's future growth and success, Options, restricted shares and restricted share units ("**RSUs**") of the Company.

The Company now proposes to amend its existing Share Incentive Plan to provide for the ability to issue performance rights ("**Performance Rights**").

Accordingly, the Company is now requesting that Shareholders approve the proposed amendments to the Share Incentive Plan ("**Amended Share Incentive Plan**") at the Extraordinary General Meeting. If Shareholder approval is obtained for this Resolution 3, it is the Board's intention to assign existing Performance Rights (including those held by related parties) which have been granted by the Company such that they fall under the governance of the Amended Share Incentive Plan.

Set out below is a high level overview of the securities which may be issued by the Company under the Amended Share Incentive Plan.

Options

Options are certain rights to receive Shares of the Company upon satisfaction of the vesting conditions attaching to the Options and payment of the exercise price set for the Option. Unless and until an Option is exercised (and the Company has issued a Share to the holder of the Option), an Option shall not grant its holder any rights which are attached to the Company's Shares (such as voting rights, participation in any distribution, etc.).

RSUs

RSUs are certain rights to receive Shares of the Company (unless explicitly stated otherwise – without paying any exercise price), that are subject to a vesting schedule (i.e. the RSUs shall vest periodically) and/or to certain share price levels set in the respective awards (e.g. – a certain portion of the RSUs shall vest only if the Company's Share price meets a target share price). Unless and until such RSUs are converted into Shares of the Company, such RSUs shall not grant their holders any rights which are attached to the Company's Shares (such as voting rights, participation in any distribution, etc.).

Performance Rights

Performance Rights are rights to receive Shares in the Company upon satisfaction of certain vesting conditions. Previously, the Company has granted Performance Rights to certain employees and consultants including related parties of the Company, which vest (and entitle the holder to Shares) subject to meeting minimum sales targets (on a regional/territorial basis) of the Company's Innovendi Kit products. An "Innovendi Kit" is a product of the Company which consists of the following hardware: (a) four load cells for every shelf on the customer product; (b) an electronic weighing board for every shelf in the customer product; (c) a central control board, and (d) a computer unit, and the following software: (a) operating software, (b) algorithm control; and (c) data analysis.

All other terms and conditions that apply to the Options, RSUs and Performance Rights which may be issued under the Amended Share Incentive Plan are described in detail in the Amended Share Incentive Plan which is attached at Annexure A to this Notice of Meeting.

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity

securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) excludes from the restriction in Listing Rule 7.1, an issue of securities which is made under an employee incentive scheme if within 3 years before the issue date of the relevant securities, the holders of the listed company's ordinary securities have approved the issue of securities under the employee incentive scheme as an exception to Listing Rule 7.2. If this Resolution 3 is approved by Shareholders for the purpose of ASX Listing Rule 7.2 (Exception 13(b)), it will have the effect of enabling any future securities issued by the Company under the Amended Share Incentive Plan to be automatically excluded from the formula to calculate the number of securities which the Company may issue in any 12-month period using Listing Rule 7.1 (15% capacity) during the next three-year period.

Since the Share Incentive Plan was last approved by Shareholders on 7 February 2018, the Company advises that it has issued 19,427,064 Options under the Share Incentive Plan. The Company has not:

- [issued any other securities under the Share Incentive Plan since it was last approved by Shareholders for the purposes of ASX Listing Rule 7.2 (Exception 13); and]
- issued any securities under the Amended Share Incentive Plan.

If this Resolution 3 is approved by Shareholders, the Company proposes to issue up to a maximum of 25,000,000 RSUs, under the Amended Share Incentive Plan during the three year period following approval (for the purposes of Exception 13 to Listing Rule 7.1).

Directors Recommendation

The Board of Directors recommend that Shareholders vote in favour of Resolution 3.

Resolution 4 – Ratification of prior issue of Shares issued under ASX Listing Rule 7.1

On 18 January 2021, the Company announced that it had received firm commitments from institutional, professional and sophisticated investors ("**Placement**") to subscribe for 13,125,000 new Shares ("**Placement Shares**") at an issue price of \$0.16 per Placement Share ("**Placement Shares**"), raising A\$2.10 million (before costs) for the Company.

As part of the Placement, each Placement Share attaches a 1-for-2 entitlement to Options (being 1 Option for every 2 Placement Shares subscribed for in the Placement), exercisable at A\$0.32 per Option with an expiry date of twelve (12) months from the date of issue of the Option.

On 25 January 2021, the Company issued 13,125,000 Placement Shares utilising its available placement capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

This Resolution 4 proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 13,125,000 Placement Shares, which were issued by the Company on 25 January 2021 ("**Placement Issue Date**").

All of the Placement Shares were issued by utilising the Company's available placement capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.4 provides an exception to Listing Rule 7.1 by broadly providing that where a listed company, in general meeting, ratifies a previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach the listed company's available placement capacity under Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1. The issue of the Placement Shares did not fall within any of the

exceptions to Listing Rule 7.1 and, as the issue of the Placement Shares has not yet been approved by the Company's Shareholders, it effectively uses up part of the Company's 15% placement capacity in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Placement Issue Date.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, this Resolution 4 seeks Shareholder approval to ratify the prior issue of the Placement Shares for the purposes of Listing Rule 7.4.

If this Resolution 4 is approved by Shareholders, the issue of the Placement Shares will be excluded from the calculation of the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Placement Issue Date.

If this Resolution 4 is not approved by Shareholder, the issue of Placement Shares will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Placement Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) *The names of the persons to whom the Company issued or agreed to issue the Placement Shares or the basis on which those persons were identified or selected*

The Placement Shares were issued in the Placement to a range of sophisticated, professional and institutional investors introduced to the Company by the lead manager to the Placement, EverBlu.

- (b) *The number and class of securities the Company issued or agreed to issue*

The Company issued 13,125,000 Placement Shares utilising its available placement capacity under Listing Rule 7.1.

- (c) *If the securities are not fully paid ordinary securities, a summary of the material terms of the securities*

The Placement Shares are fully paid ordinary shares and rank equally in all aspects with all existing fully paid ordinary shares previously issued by the Company with effect from their date of issue. The Placement Shares were issued on 25 January 2021.

- (d) *The price or other consideration the Company has received or will receive for the issue of the Placement Shares*

Each Placement Share was issued at an issue price of A\$0.16 per Placement Share, which raised a total of A\$2.1 million (before costs) for the Company.

Directors' recommendation

Resolution 5 – Ratification of prior issue of Placement Options issued under ASX Listing Rule 7.1

On 18 January 2021, the Company announced that as part of the Placement each Placement Share subscribed for would also have attached a 1-for-2 entitlement to Options, exercisable at A\$0.32 per Option with an expiry date of twelve (12) months from the date of issue of the Option ("**Placement Options**").

On 25 January 2021, the Company issued 6,562,500 Placement Options utilising its available placement capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

This Resolution 5 proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 6,562,500 Placement Options, which were issued by the Company on 25 January 2021 ("**Placement Option Issue Date**").

All of the Placement Options were issued by utilising the Company's available placement capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.4 provides an exception to Listing Rule 7.1 by broadly providing that where a listed company, in general meeting, ratifies a previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach the listed company's available placement capacity under Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The issue of the Placement Options did not fall within any of the exceptions to Listing Rule 7.1 and, as the issue of the Placement Options has not yet been approved by the Company's Shareholders, it effectively uses up part of the Company's 15% placement capacity in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the Placement Option Issue Date.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, this Resolution 5 seeks Shareholder approval to ratify the prior issue of the Placement Options for the purposes of Listing Rule 7.4.

If this Resolution 5 is approved by Shareholders, the issue of the Placement Options will be excluded from the calculation of the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Placement Option Issue Date.

If this Resolution 5 is not approved by Shareholders, the Placement Options will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Placement Option Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) *The names of the persons to whom the Company issued or agreed to issue the Placement Options or the basis on which those persons were identified or selected*

The Placement Options were issued in the Placement to a range of sophisticated, professional and institutional investors introduced to the Company by the lead manager to the Placement, EverBlu.

- (b) *The number and class of securities the Company issued or agreed to issue*

The Company issued 6,562,500 Placement Options utilising its available placement capacity under

Listing Rule 7.1. The Placement Options were issued on 25 January 2021.

- (c) *If the securities are not fully paid ordinary securities, a summary of the material terms of the securities*

As part of the Placement each Placement Share subscribed for will also have attached a 1-for-2 entitlement to Placement Options, exercisable at A\$0.32 per Option with an expiry date of twelve (12) months from the date of issue of the Placement Options. Shares issued on conversion of the Placement Options will rank equally in all aspects with all existing fully paid ordinary shares previously issued by the Company. The material terms of the Placement Options are set out in Annexure B of this Notice.

- (d) *The price or other consideration the Company has received or will receive for the issue of the Placement Options*

The Placement Options were issued for nil consideration. However, each Placement Option is exercisable at \$0.32 per Placement Option and has an expiry date of twelve (12) months from the Placement Option Issue Date. Shares issued on exercise of the Placement Options will rank equally in all aspects with all existing Shares previously issued by the Company with effect from their date of issue.

The Placement Options will be offered for nil cash consideration.

- (e) *The purpose of the issue, including the use or intended use of any funds raised by the issue*

Funds will not be raised from the issue of the Placement Options as the issue forms part of the Placement offer, of which each Placement Share will also have attached a 1-for-2 entitlement to the Placement Options. However, the proceeds received by the Company upon exercise of the Placement Options will be used by the Company to continue product development in the company's Retail Innovation and Shekel Scales divisions, and advancing the Go To Market strategy of its autonomous micro store and micro market coolers.

- (f) *If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement*

As part of the Placement each Placement Share subscribed for will also have attached a 1-for-2 entitlement to Placement Options, exercisable at A\$0.32 per Option with an expiry date of twelve (12) months from the date of issue of the Placement Options.

- (g) *A voting exclusion statement*

A voting exclusion statement for Resolution 5 is included in this Notice.

Directors' recommendation

The Board of Directors recommend that Shareholders vote in favour of Resolution 5.

Resolution 6 – Ratification of prior issue of Broker Shares issued under ASX Listing Rule 7.1

As announced by the Company on 18 January 2021, the Company signed a capital raising mandate with EverBlu to lead manage and arrange the Placement announced by the Company on 18 January 2021 ("**Lead Manager Mandate**").

For acting as lead manager to the Placement and offering management services, the Company agreed to:

- (a) pay EverBlu a fee of 6% of the proceeds received under the Placement (being A\$126,000 (plus GST)) of A\$2,100,000;
- (b) issue to EverBlu one Share for every A\$2 raised in the Placement (being 1,050,000 Shares ("**Broker Shares**")); and

- (c) subject to Shareholder approval, issue to EverBlu 15,000,000 Options ("**Broker Options**") each exercisable at \$0.32 per Option with an expiry date of 24 months from the date of issue of the Broker Options.

On 25 January 2021, the Company issued 1,050,000 Broker Shares to EverBlu and entities related to, or nominees of, EverBlu utilising its available placement capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

This Resolution 6 proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 1,050,000 Broker Shares to EverBlu and entities related to, or nominees of, EverBlu, which were issued by the Company on 25 January 2021 ("**Broker Share Issue Date**").

All of the Broker Shares were issued by utilising the Company's available placement capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.4 provides an exception to Listing Rule 7.1, by broadly providing that where a listed company, in general meeting, ratifies a previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach the listed company's available placement capacity under Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The issue of the Broker Shares did not fall within any of the exceptions to Listing Rule 7.1 and, as the issue of the Broker Shares has not yet been approved by the Company's Shareholders, it effectively uses up part of the Company's 15% placement capacity in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Broker Share Issue Date.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, this Resolution 6 seeks Shareholder approval to subsequently ratify the prior issue of the Broker Shares for the purposes of Listing Rule 7.4.

If this Resolution 6 is approved by Shareholders, the issue of the Broker Shares will be excluded from calculation of the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Broker Share Issue Date.

If this Resolution 6 is not approved by Shareholders, the Broker Shares will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Broker Share Issue Date.

- (b) *The number and class of securities the Company issued or agreed to issue*

The Company issued 1,050,000 Broker Shares utilising its available placement capacity under Listing Rule 7.1.

Directors' recommendation

The Board of Directors recommend that Shareholders vote in favour of Resolution 6.

Resolution 7 – Approval of Issue of Broker Options to EverBlu

Background

As announced by the Company on 18 January 2021, the Company signed the Lead Manager Mandate with EverBlu pursuant to which EverBlu agreed to lead manage the Placement.

For acting as lead manager to the Placement and offering management services, the Company agreed to:

- (a) pay EverBlu a fee of 6% of the proceeds received under the Placement (being A\$126,000 (plus GST)) of A\$2,100,000;
- (b) issue to EverBlu (or entities related to, or nominees of, EverBlu) one Share per A\$2 raised in the Placement (being the 1,050,000 Broker Shares); and
- (c) subject to Shareholder approval, issue to EverBlu (or entities related to, or nominees of, EverBlu) the Broker Options each exercisable at \$0.32 per Broker Option with an expiry date of 24 months from the date of issue of the Broker Options.

This Resolution 7 seeks Shareholder approval to issue and allot the Broker Options to EverBlu (or to entities related to, or nominee of, EverBlu) as part of the fee payable to EverBlu for acting as lead manager to the Placement.

The effect of this Resolution 7 is for Shareholders to approve the issue of the Broker Options for the purposes of ASX Listing Rule 7.1, which will allow the Company to issue the Broker Options without using the Company's available placement capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. [The Company is seeking Shareholder approval for the issue of the Broker Options on the basis that it does not have sufficient available placement capacity under Listing Rule 7.1 to issue the Broker Options

without first obtaining Shareholder approval.

An issue of equity securities that is approved by the Company's Shareholders for the purposes of Listing Rule 7.1 will not be counted in the calculation of the Company's 15% placement capacity under Listing Rule 7.1 and therefore does not reduce the Company's capacity to issue further equity securities in the future without Shareholder approval under Listing Rule 7.1.

To this end, this Resolution 7 seeks Shareholder approval to approve the issue of the Broker Options under, and for the purposes of, Listing Rule 7.1.

If this Resolution 7 is approved by Shareholders, the issue of the Broker Options will be excluded from the calculation of the Company's 15% limit in Listing Rule 7.1 to issue equity securities without Shareholder approval over the 12 month period following the date on which the Broker Options are issued.

If this Resolution 7 is not approved by Shareholders, the Company will be required to call a further general meeting to seek approval of Broker Options at a later date.

Information Required by Listing Rule 7.3

The following information is provided to Shareholders for the purposes of ASX Listing Rule 7.3:

- (a) *The names of the persons to whom the Company will issue the securities or the basis upon which those persons were or will be identified or selected*

The Broker Options will be issued to EverBlu (or to entities related to, or nominee of, EverBlu).

- (b) *The number and class of securities the Company will issue*

The maximum number of unlisted options which will be issued to EverBlu (or to entities related to, or nominee of, EverBlu) is 15,000,000.

- (c) *If the securities are not fully paid ordinary securities, a summary of the material terms of the securities*

The Broker Options are exercisable at \$0.32 per Broker Option and have an expiry date of 24 months from the date of issue of the Broker Options. Shares issued on exercise of the Broker Options will rank equally in all aspects with all existing fully paid ordinary shares previously issued by the Company with effect from their date of issue. The material terms of the Lead Manager Mandate are set out in Annexure C of this Notice of Meeting. The full terms of the Broker Options are set out in Annexure D of this Notice of Meeting.

- (d) *The date or dates on or by which the Company will issue the securities*

The Broker Options will be issued by within 3 months of Shareholder approval being obtained by the Company at this Meeting (or otherwise, as determined by the ASX in the exercise of their discretion if the Company obtains the relevant ASX waiver).

- (e) *The price or other consideration the Company will receive for the securities*

The Broker Options will be offered for nil cash consideration pursuant to the Lead Manager Mandate. The material terms of the Lead Manager Mandate are set out in Annexure C of this Notice.

However, each Broker Option will have an exercisable of \$0.32 per Broker Option.

- (f) *The purpose of the issue, including the intended use of any funds raised by the issue*

Funds will not be raised from the issue of the Broker Options as the issue is proposed to comprise part of the fee payable to EverBlu for acting as lead manager to the Placement. [However, the proceeds received by the Company upon exercise of the Broker Options will be used by the Company to continue product development in the company's Retail Innovation and Shekel Scales divisions, and advancing the Go To Market strategy of its autonomous micro store and micro market coolers alongside its Fast-Track checkout system.

- (g) *If the securities are being issued under an agreement, a summary of any other material terms of the agreement*

The Broker Options will be issued, subject to shareholder approval, under the Lead Manager Mandate. The material terms of the Lead Manager Mandate are set out in Annexure C of this Notice of Meeting. The full terms of the Broker Options are set out in Annexure D of this Notice of Meeting.

- (c) all other approvals, consents or requirements necessary by Law have been received or met.

The date on which Awards shall be deemed Granted under the Plan shall be the date the Administrator resolves to grant such Award or any future date determined as the effective date of a grant of an Award, if so expressly stated by the Administrator in its determination relating to the grant of an Award,, subject to the execution by the Participant of all such instruments required by the Company with respect to the Grant, and (with respect to all Awards issued to the Trustee) the timely delivery of all such instruments required by the Trustee with respect to the such Grant, in accordance with the provisions of the Tax Ordinance ("Date of Grant").

7. EXERCISE OF AWARDS

7.1. Exercise Price. The Exercise Price per Underlying Share deliverable upon the exercise of an Award shall be determined by the Administrator. The Exercise Price shall be set forth in the Award Letter.

7.2. Vesting Schedule. Unless otherwise determined by the Administrator (at its sole discretion), all Awards Granted on a certain date shall, subject to continued employment with or service to the Company or Affiliate by the Participant, become vested and exercisable in accordance with the following vesting schedule:

- (a) 25% of the Award shall vest on the first anniversary of the Commencement Date.
- (b) The remaining 75% of the Award shall vest (equally) on a quarterly basis, over 12 quarters as of the first anniversary of the Commencement Date.
- (c) In accordance with the above, all Award shall become fully vested by the Fourth anniversary of the Commencement Date.

The foregoing Vesting Schedule shall not apply to Performance Rights which shall be vested according to the Milestones specified in Section 29 herein.

7.3. Exercise of a portion of the Awards. The exercise of a portion of the Awards Granted shall not cause the expiration, termination or cancellation of the remaining unexercised Awards held by the Trustee on behalf of the Participant.

7.4. Manner Of Exercise. An Award may be exercised by and upon the fulfilment of the following:

- (a) Notice of Exercise

The signing by the Participant, and delivery to both the Company (at its principal office) and the Trustee (if the Awards are held by a Trustee), of an exercise notice form as prescribed by the Administrator, including but not limited to: (i) the identity of the Participant, (ii) the number of Awards to be exercised, and (iii) the Exercise Price to be paid (the "Notice of Exercise").

Notwithstanding the aforementioned, in the event the following payment method is included in the Award Letter or otherwise approved by the Administrator, the Exercise Price of each Award may be payable upon the exercise of part or all of vested Awards through a "Net Exercise" method so that the Participant will be entitled to receive pursuant to the exercise of the Awards only the number of Shares representing the benefit component in the Awards, based on the following formula, in exchange to paying only the par value of the Share. For the avoidance of doubt, according to this exercise method, the Participant will not actually pay the Exercise Price which is used only for calculating the benefit component.

Y = the number of vested exercisable Awards that the Participant wishes to exercise into Shares;

A = the Fair Market Value (as defined below) of the Share at the date of exercise;

B = the Exercise Price;

N = the par value of the Share.

- (c) Allocation of Shares

his rights to such Award by a written notice to the Company's principal office. Such notice shall specify the number of Awards Granted, which the Participant waives, and shall be signed by the Participant.

Upon receipt by the Company of a notice of waiver of such rights, such Awards shall expire and shall become available for future Grants under the Plan.

9. TERM OF THE AWARDS

10. TERMINATION OF ENGAGEMENT

10.1. Termination of Engagement. If a Participant ceases to be an employee, director, officer or Consultant of the Company or Affiliate for any reason ("Termination of Engagement") other than death, Retirement, Disability or Cause, then any vested but unexercised Awards on the date of Termination of Engagement (as shall be determined by the Company or Affiliate, in its sole discretion), granted to Participant ("Exercisable Awards") may be exercised, if not previously expired, not later than the earlier of (i) 90 days after the date of Termination of Engagement; or (ii) the Term of the Awards.

All other Awards granted for the benefit of Participant shall expire upon the date of Termination of Engagement.

10.2. Termination for Cause. If subsequent to the Participant's Termination of Engagement, but prior to the exercise of Awards Granted to such Participant, the Administrator determines that either prior or subsequent to the Participant's Termination of Engagement, the Participant engaged in conduct which would constitute Cause, then the Participant's right to exercise the Awards Granted to such Participant shall immediately cease upon such determination, and the Awards shall thereupon expire.

If at any time, the Administrator determines that the Participant engaged in conduct which would constitute Cause, then any Underlying Shares issued to the Participant, whether held by the Participant or the Trustee, shall be subject to repurchase by the Company (or anyone designated by the Company), for no consideration, or for the exercise price actually paid to the Company with respect to such Underlying Shares, all subject to applicable Law. In any case whereby the Participant fails to transfer such Underlying Shares to the Company, the Company may take any action the Company deems fit in order to affect such transfer (by virtue of forfeit, transfer, redemption or any other action), including without limitations authorize any party to execute any instrument so required on behalf of the Participant, in order to effect such transfer.

The determination by the Administrator as to the occurrence of Cause shall be final and conclusive for all purposes of this Plan.

10.3. Termination by Reason of Death, Retirement, or Disability. In the event of Termination of Engagement of a Participant by reason of death, Retirement, or Disability, any vested but unexercised Awards shall be exercisable in the case of death, by his or her estate, personal representative or beneficiary, or in the case of Retirement or Disability, by the Participant or his or her personal representative (as the case may be), until the earlier of (i) 180 days after the date of Termination of Engagement; or (ii) the Term of the Awards.

All other Granted Awards for the benefit of Participant shall expire upon the date of Termination of Engagement.

10.4. Exceptions. In special circumstances, pertaining to the Termination of Engagement of a certain Participant, the Administrator may in its sole discretion decide to extend any of the

periods stated above in Sections 10.1-10.3.

- 10.5. Transfer of Employment or Service. A Participant's right to Awards or the exercise thereof that were Granted to him or her under this Plan, shall not be terminated or expire solely as a result of the fact that the Participant's employment or service as an employee, officer, director or Consultant changes from the Company to an Affiliate or vice versa. Furthermore, the Administrator may determine that the transfer of a Participant from a status of an employee, officer or director to a status of a Consultant or from a status of a Consultant to a status of an employee, officer or director, shall not be deemed a Termination of Engagement for purposes hereof.

All Awards under this Plan shall be granted in accordance with one of the Tax Provisions as follows:

- The Company may grant Awards to Qualified Participants in accordance with the provisions of Section 102 and the Rules.
- The Company may Grant Awards to Non-Qualified Participants in accordance with the provisions of Section 3(i).

- 11.1. Tax Provision Selection. The Company shall elect under which Tax Provision each Award is Granted in accordance with any applicable Law and its sole discretion – i.e. the Company shall elect if to grant Awards to Participants under one of the three Section 102 Tax Tracks, or under the provisions of Section 3i. The Company shall notify each Participant in the Award Letter, under which Tax Provision the Awards are granted and, if applicable, under which Section 102 Tax Track, each Award is granted.

Awards granted according to Section 102 through a Trustee may either be classified as Capital Gains Track Through a Trustee or as Income Tax Track Through a Trustee.

For the avoidance of doubt, such Election shall not prevent the Company from granting Awards according to Section 102 without a Trustee simultaneously.

In the event the Administrator determines that the Company shall elect one of the Tax Tracks for grants of Section 102 Awards, all grants of Section 102 Awards made following such election, shall be subject to the elected Tax Track and the Company shall be entitled to change such election only following the lapse of one year from the end of the tax year in which Section 102 Awards are first granted under the then prevailing Tax Track or following the lapse of any shorter or longer period, if provided by law.

- 11.2. Section 102 Trustee Tax Tracks. If the Company elects to Grant Awards to Israeli Participants through (i) the Capital Gains Track Through a Trustee, or (ii) the Income Tax Track Through a Trustee, then, in accordance with the requirements of Section 102, the Company shall appoint a Trustee who will hold in trust on behalf of each Israeli Participant the granted Awards and the Underlying Shares issued upon exercise of such Awards in trust on behalf of each Israeli Participant. The Participant shall be bound by the trust agreement executed between the Company and any such trustee, including any amendment thereof.
- 11.3. Income Tax Track Without a Trustee. However, upon exercise of Awards under this Tax Track, the Trustee shall hold such Underlying Shares for the benefit of the Israeli Participant in accordance with the provisions of Section 15 of this Plan.
- 11.4. Concurrent Conditions. The Holding Period of Section 102, if any, is in addition to the vesting period as specified in Section 7.2 of the Plan. The Holding Period and vesting 7.2 period may run concurrently, but neither is a substitute for the other, and each are independent terms and conditions for Awards Granted.

In the event that the successor corporation or any affiliate thereof does not provide for such an assumption, and/or substitution of outstanding Awards and/or the provision of Consideration for outstanding Awards, then unless determined otherwise with respect to a specific outstanding Award, the Administrator shall have sole and absolute discretion to determine the effect of the M&A Transaction on the portion of Awards outstanding immediately prior to the effective time of the M&A Transaction, which may include any one or more of the following, whether in a manner equitable or not among individual Participants or groups of Participants: (i) all or a portion of the outstanding Awards shall become exercisable in full on a date no later than two (2) days prior to the date of consummation of the M&A Transaction, or on another date and/or dates or at an event and/or events as the Administrator shall determine at its sole and absolute discretion, provided that unless otherwise determined by the Administrator, the exercise and/or vesting of all Awards that otherwise would not have been exercisable and/or vested in the absence of an M&A Transaction, shall be contingent upon the actual consummation of the M&A Transaction; and/or (ii) that all or a portion or certain categories of the outstanding Awards shall be cancelled upon the actual consummation of the M&A Transaction, and instead the holders thereof will receive Consideration, or no consideration, in the amount and under the terms determined by the Administrator at its sole and absolute
