Execution of Port and Trucking Contracts

12 April 2021

HIGHLIGHTS

- Tombador secures iron ore export facilities by executing a contract with VLI MULTIMODAL S.A., the operator of Aracaju Port
- Tombador has executed a trucking services agreement with Polimodallog Logistica e Transportes Ltda
- Production on track to commence in Q2 2021 – Pending Award of Regulatory Approvals

Tombador Iron Limited (“**Company**” or “**Tombador**”) is pleased to advise it has executed contracts with key logistics providers for the haulage and shipment of iron ore to the international market.

TOMBADOR IRON

PORT

The Company has executed a contract with VLI MULTIMODAL S.A. ("**VLI**") the operator of Terminal Marítimo Inácio Barbosa, Barra dos Coqueiros, Sergipe State ("**Aracaju Port**"). Tombador will cart its high grade iron ore by truck along the established road routes from the mine site in Sento Se to the Aracaju Port.

VLI will provide stockpile storage capacity, material handling and ship loading services, sufficient for loading initial shipments of 35,000 tonnes/shipment, with the option to expand the port storage capacity.

Tombador Iron Ltd CEO, Gabriel Oliva said, *"We are delighted to finalise this agreement with VLI a major logistics provider in Brazil. VLI have a reputation for being a reliable operator and we look forward to working with VLI and Trafigura in loading Tombador's export shipments."*

TOMBADOR IRON

TRUCKING

Tombador has executed a service agreement with POLIMODALLOG LOGISTICA E TRANSPORTES LTDA ("**Polimodal**") to provide truck haulage services. They will cart the iron ore lump and fines products approximately 700km from the Tombador mine to Aracaju Port.

The company will work with Polimodal to mobilise an initial fleet of trucks in line with licensing, to build a product stockpile at Aracaju for the Company's export shipments.

PERMITTING

Once the Mining Concession and the Operating License have been obtained, the Company will be allowed to operate the mine and sell lump and fines ore.

Authorised for release by the Board.
