Sams Creek Gold Project Acquisition Extension

Gold and Base Metals explorer **Auris Minerals Limited** (“**Auris**” or “**the Company**”) (**ASX: AUR**) refers to the Share Purchase Agreement (**SPA**) between Sandfire Resources Limited (“**Sandfire**”) (**ASX: SFR**) and the Company to acquire Sandfire’s interest in the 1Moz Sams Creek Gold Project, held through Sandfire’s wholly owned subsidiary Sams Creek Gold Limited (*Refer ASX announcements dated 30 September 2020 and 22 February 2021*).

As previously announced to the market, completion of the SPA is subject to the satisfaction of a number of conditions precedent by 31 March 2021, including New Zealand regulatory approvals and an extension of EP 40 338 for four years being approved by New Zealand Petroleum and Minerals. These approvals were not obtained by the stipulated date of 31 March 2021.

By mutual agreement with Sandfire, the date for satisfaction of all conditions precedent to completion of the acquisition has been extended to 31 May 2021.

Due to delays in the acquisition approval process, the time periods allowed for the issue of the share consideration to Sandfire and for the capital raising by the underwriting of options exercise approved by shareholders at the Annual General Meeting held on 7 December 2020 have expired.

Further to the Company’s announcement of 18 March 2021, the Company’s agreement with Lazarus for underwriting of options exercise has now effectively ended.

The Company is currently finalising a Notice of Meeting to refresh the approval relevant to the acquisition of the Sams Creek Gold Project and, in consultation with Sandfire, any capital raising undertaken in lieu of the previous option underwriting.
