## **SRG Global Awarded \$150m Term Contract to Provide Multi-Disciplinary Services to Fortescue Metals Group**

### **Highlights:**

- **SRG Global awarded a \$150m, five-year term contract**
- **Master Agreement for Maintenance and Shutdown Services**
- **Servicing Fortescue's mine, rail and port locations throughout Western Australia**

SRG Global Ltd ('SRG Global' or 'the Company') (ASX: SRG) is pleased to announce it has been awarded a five-year term contract with Fortescue Metals Group (ASX: FMG).

The \$150m term contract is a Master Agreement for Maintenance and Shutdown Services, initially to provide rope access and electrical maintenance requirements across FMG mine, rail and port locations throughout Western Australia.

Locations include Christmas Creek, Cloudbreak, Firetail, Kings Valley and Eliwana mine sites, along with its supporting rail and port infrastructure. The contract will commence immediately for a period of five years.

SRG Global Managing Director, David Macgeorge, commented: "We are delighted to be selected as a key partner to FMG and to provide critical maintenance and shutdown services across their Pilbara operations for the next five years. This is another significant step forward in our strategy to build a portfolio of annuity earnings, with quality clients, to deliver long-term sustainable growth."
