Low Emission and Technology Minerals Conference Presentation

Eclipse Metals Limited (**Eclipse** or the **Company**) (ASX: EPM) is proud to announce that the Company's Chairman, Mr Carl Popal has been asked to be part of the panel of presenters at the Low Emission and Technology Minerals Conference Presentation incorporating Australian Uranium Conference. Mr Popal is scheduled to present on Wednesday, 16 November 2016.

Attached is a copy of the presentation that will be made by Mr Popal at the Conference.

Eryn Kestel
Company Secretary

Eclipse Metals Ltd is an Australian exploration company focused on exploring the Northern Territory and Queensland for multi commodity mineralisation. The company has an impressive portfolio of assets prospective for uranium, gold, manganese, iron ore, and base metals. Eclipse Metals holds a portfolio of over 11,300km² in over 20 exploration licence areas in the Northern Territory and Queensland. The Company's mission is to increase Shareholder wealth through capital growth and ultimately, dividends. Eclipse plans to achieve this goal by exploring for and developing viable mineral deposits to generate mining or joint venture income.
