ASX Announcement

ASX Code: SIX

24 October 2014

## SHARE PURCHASE PLAN – FURTHER EXTENSION OF CLOSING DATE FOR APPLICATIONS

---

Sprintex Limited (ASX:SIX) (**Company**) wishes to advise that the closing date for applications under its Share Purchase Plan (SPP), due to close on Monday 27 October 2014, will now close at a future date, to be determined.

The uncertainty over the specific future date for the SPP to close is a result of the Company's current discussions with ASIC on the date to reconvene its adjourned General Meeting, announced on 22 October 2014. Once this date has been agreed with ASIC, the Company will also announce a revised date for closing of the SPP.

All existing applications made remain valid and funds are held on trust by the Share Registry.

ENDS

### Company Overview

Sprintex Limited (Sprintex) is the ISO 9001 accredited designer and manufacturer of the patented low emission, highly efficient Sprintex® twin screw supercharger. Following commissioning of a low cost volume manufacturing facility in Malaysia, Sprintex is now focusing on participation in the exponential growth underway in the global forced induction marketplace from this new state of the art facility.
