digitalBTC - Interview Analysing September Quarter Results

Digital CC Limited (trading as digitalBTC) (ASX: DCC) (the “Company” or “digitalBTC”), an innovative digital currency company, is pleased to announce the publication of a second video from The Sophisticated Investor (TSI), following TSI’s initiation research report published in September 2014.

The video is an interview with Zhenya Tsvetnenko, Executive Chairman of the Company, commenting on the continued robust performance of the September Quarter.

The video can be accessed at digitalBTC’s website - <http://www.digitalbtc.com/analyst-reports/>

The report covers:

- **Highlights of the September Quarter, including the agreement with Verne Global, to enable digitalBTC to decrease its power cost by up to 40% and the Company’s intention to further decrease its power cost;**
- **Development and strategy behind the launch of the digitalX brand of products;**
- **Pre-enrolments for digitalX Mintsy, a joint venture with Cryptsy, one of the world’s largest crypto-currency exchanges; and**
- **Launch of digitalX Direct, and drivers behind the growth in the Liquidity Desk: first ever transactions with GABI and Tera Exchange.**

-ENDS-

Please note that digitalBTC does not endorse any price target, earnings estimate or other forward looking statement in the report. Material contained in the report (excepting management interviews) is the opinion of the report’s author.
