ASX Announcement

SKILLS CONNECT PTY LTD APPOINTS NEW MANAGING DIRECTOR

The Directors of Reclaim Industries Limited are pleased to announce that Dr Kate Cornick will become the new Managing Director of Skills Connect Pty Ltd, effective of 8th September 2014. Dr Cornick has deep industry experience in the communications and mobile technology sectors. More notably, her experiences include but are not limited to her roles as:

- The Deputy Chief of Staff and Senior Telecommunications Policy Adviser to the former Minister for Broadband, Communications and the Digital Economy, the Hon. Senator Stephen Conroy;
- Executive Director for The Institute for a Broadband Enabled Society;
- General Manager for the Health and Education department and Government Strategy departments of NBN Co.; and
- Director of the Industry Engagement & Innovation at the University of Melbourne.

Dr Cornick has a number of other current non-executive board and advisory commitments. These are as follows:

1. UN Broadband Commission Working Group on Gender;
2. Research Unit on Public Cultures Advisory Board;
3. Mobile World Capital Advisory Board Barcelona; and
4. Centre for Energy-Efficient Telecommunications Advisory Board.

Dr Cornick holds a Doctor of Philosophy (PhD) and holds a Bachelor of Engineering (Hons.), majoring in Electrical Engineering and a Bachelor of Science, majoring in Physics and History and Philosophy of Science.

About Skills Connect Pty Ltd

Reclaim Industries Limited has entered into a Heads of Agreement to acquire Employment Management Systems Pty Ltd, the 100% owner of Skills Connect Pty Ltd (see ASX Announcement dated 16 May 2014). Skills Connect is a privately owned cloud based business that provides a business intelligence solution for multi-sourced human capital. Skills Connect has patented a three way connectivity system between a candidate, HR/Recruitment firms and businesses. This is the first fully integrated, secure, searchable, multi-site enterprise cloud solution with mass personalised individual candidate account management. By utilising a customised Google Search Application, Skills Connect is able to deliver rapid search and filtration of candidates in order to streamline the recruitment process. The key benefits of the Skills Management System are that it provides transparency, accountability and significant cost savings that ensures margins are maintained.
